

LOCAL AND OTHER MATTERS.

RAILWAY EXCURSION.—This morning the First Presidency, the members of the quorum of the Twelve, and a few invited guests, went per the Utah Central and Union Pacific, on an excursion, as far as Wasatch. They left this city by the five a. m. train, reached their destination in safety, and started on the return trip at one o'clock. They will reach Ogden in time for the evening train to this city.

MESSAGE FOR PRESIDENT E. SNOW.—There is a message at the Deseret Telegraph office, Zion's Co-operative Drug Store, East Temple Street, for President E. Snow.

THEATRICAL.—Owing to the reunion of the Members of Zion's Camp and the Mormon Battalion at the Social Hall last night, we suppose, there was but a slim attendance at the Theatre and as a consequence the play did not go off quite so lively as we have seen it. The farce, also, played to a fuller house, would doubtless go better, although considerable merriment was elicited from the audience.

ARRIVED.—John W. Young, Esq., accompanied by his uncle, Edward Young, arrived at home at 7.30 last evening. He has been absent for some weeks in the East, and returns in excellent health. Brother Edward Young is the youngest brother of President B. Young, and last evening was the first time they have met for thirty-four years.

POLICE.—James Gordon was arrested and brought before Justice Clinton yesterday for selling whisky without a license. He entered a plea against the jurisdiction of the Court. The case was adjourned till to-day, at two o'clock, when he was fined \$100. He filed a protest for arrest of judgment.

WILLIAM GILBERT.—For being drunk and fighting, was fined \$5.

CALLED.—The Rev. Charles E. Cheney, of Chicago, is in town. He called this morning carrying with him a letter of introduction from Peter Van Schaeck, of the firm of Van Schaeck, Stevenson & Reid. We wish the reverend gentleman a pleasant sojourn in the west.

PARTY AT THE SOCIAL HALL.—Yesterday afternoon the surviving members of Zion's Camp and the "Mormon" Battalion, and a few invited guests met at the Social Hall at 3 o'clock. Dinner was served at 4 p. m., and it was nearly 9 o'clock before the three hundred and fifty-three persons who partook of the meal had finished. The First Presidency and Twelve Apostles were present, and Presidents Joseph Young, Sen., and Geo. A. Smith addressed the veterans. The members of Zion's Camp who were present were called out on the floor, and their names were taken. Of that Camp there were present:

Though crowded there was a universal spirit of enjoyment in the party. Dancing was kept up with spirit. The dinner was most excellent, and was served in fine style. Bishop Hunter and his counselors, Bishops L. W. Hardy and Jesse C. Little, were tireless in their exertions as entertainers, and nothing was wanting on their part to make the social gathering a complete success.

CRICKET MATCH.—Yesterday a game of cricket was played in this city, between the members of the Wellsville and Deseret clubs; the former were again the victors, by five runs.

INDIAN COMMISSIONER.—Hon. Vincent Colyer, a member of the Indian Affairs Commission, arrived in this city last evening, having come direct from Kansas, where, under the auspices of the Commission, a successful treaty has been concluded with the Osage Indians, whereby eight million acres of the best lands in the State have been thrown open to settlers.

Mr. Colyer expresses himself as extremely gratified with the quiet and good order prevailing in the city last evening, contrasting very favorably with many of the border towns through which he has passed. He will leave in a day or two for Arizona Territory, where he will spend a short season endeavoring to allay the Indian troubles so prevalent there. From thence it is his intention to proceed to Washington by the time Congress assembles.

DISTRICT COURT.—This afternoon the trial of Olsen, for murder, was being proceeded with in the District Court. Olsen will be remembered as the person who killed a young man named Thurston, in Weber County, a short time since. There are about twenty witnesses in this case.

POLICE.—Joseph Silver was arrested last evening for selling goods without a license. His case will be brought before Justice Clinton to-morrow morning.

Died.—An Indian was arrested yesterday afternoon for being drunk and disorderly and was, this morning, fined \$5.

At Millville, Cache county, Utah, of inflammation of the bowels, Robert, son of George W. and Jane Cummings, aged 19 years and 11 days.

AFTERNOON DISPATCHES.

The Prussians burn a Village for the supposed Treachery of its Inhabitants!

A GREAT BATTLE IMMINENT!

Disease and fearful Mortality among the Prussian Soldiers!

NEW YORK.

Disease among the Prussians—Russia still threatens Prussia.

The World's London cable says the continued accumulation of troops and war material, on the Russian frontier towards Germany, excites considerable concern, and the Russian journals are filled with hostile comments on Bismarck and Germany.

The World's Ostend Cable says, there is a malignant disease among the German troops at Metz, filling the hospitals and overtaxing the surgeons. The deaths for three weeks have averaged one in fifty per day.

Rinderpest prevails among the army horses and it has extended through Lorraine and the Port of Champagne and is prevalent in the camps before Paris, and has extended also into Rhenish Prussia.

CHICAGO.—The business portion of the village of Minooka, Illinois, was burned last night. Loss fifteen thousand.

FOREIGN NEWS.

GREAT BRITAIN.

An attack on Prussian Hussars—Bismarck's path to Belgium.

LONDON.—A squad of Prussian hussars was attacked on the night of the 7th, through the treachery of the inhabitants of the village of Orlies. The town was afterwards burned by the Prussians, as a punishment. Numerous bodies of French have since been dispersed in this neighborhood.

A large Bavarian force is south of Etampis.

The villages to the north of Paris, which were deserted on the approach of the Germans, are reoccupied again.

LONDON, 10.—King William has relieved Versailles from the payment of four hundred thousand francs which had been levied by the Prussians.

A telegram from Berlin to the Manchester Examiner says Bazaine is fighting for a path to Belgium. The same correspondent says General Von Werder is advancing on the army of Lyons, between Metz and Longeville.

LIVERPOOL, 10.—The steamer Nebraska, which arrived a few days ago, had a narrow escape. The following particulars published to-day: On the 19th the water got into the stove-hole and it was thought by all hands that the steamer would go down. To make matters worse the wood-work around the boilers took fire, and was only put out with the greatest exertions. The vessel made port, barely floating.

FRANCE.

Tours 10.—It is understood here that a battle is imminent near Tournay. The Prussians have returned there in force, and the French have sent an army to meet them.

Tours is full of volunteers and conscripts from the south.

WASHINGTON.

Indian Pow-wow.

Secretary Cox, to-day, received the following from the Indian Commissioners, Brunot & Campbell, dated Fort Laramie, October 8th: Red Cloud and Man-ah-of-the-horses, of the Ogallala, and Roman-nose, of the Mamejous, and a medicine man of the North Cheyennes, with other principal chiefs, and about seven thousand Indians, are here. We had three days' talk with them. They insisted on having a trading post on the Platte, but will agree to have it located at Raw Hide Buttes. No depredations have been committed by these Indians for five months. We are satisfied they all desire permanent peace and that the influence of Red Cloud and all the chiefs will be used to maintain it. The goods sent them were distributed yesterday, and they were greatly pleased with the quality and quantity.

CURTIS MODELS—PRICES REDUCED TO MEET THE TIMES!—The merits of this system for making all kinds of garments worn by Ladies, Gentlemen and Children are known by scores of ladies in this City and Territory; but the sure way is to prove it for oneself, which may be done without charge. This system removes all anxiety regarding the FIT of garments, as all its directions are absolutely positive. There will be no altering, no taking up or letting out, which not only injures the material but destroys the proportions and often ruins the garment. The system is very simple and can be learned in a few hours.
