

BUSSE DEFEATS DUNNE IN CHICAGO

Ordinances Settling the Street-car Question Were Carried By a Good Majority.

COUNCIL IS WITH THE MAYOR.

President Sends Congratulations—Street Butted in and Was Butted Out.

Chicago, April 2.—Chicago's postmaster, Frederick A. Busse, the Republican candidate, was elected mayor of the city today, having a plurality of 14,212 votes over Mayor Edward F. Dunne.

The total number of votes cast for Mr. Busse was 164,823, and for Mr. Dunne, 151,718. The Prohibition candidate polled 5,575 votes, and the Socialists, 15,445.

Two years ago, when Mayor Dunne was elected to the office, he polled 163,943 votes, and John M. Harlan, the Republican candidate, 138,671. The Socialist vote the same year was over 40,000, and today's vote was a great disappointment to the leaders of that party.

The new mayor will have the city council with him, but in a very close, as the make-up of this body shows 25 Republicans, 24 Democrats and one Independent Democrat.

The ordinance settling the street car question was carried by a good majority. The total vote on this question was 155,846 for and 132,729 against.

According to the latest returns at midnight, the only Democrat outside of aldermen elected, was John B. Tramer, Democratic candidate for city treasurer.

The issues in the campaign have been largely based upon the improvement of the local traction system. Both parties were agreed that the present conditions were intolerable, but differed as to the best method to be employed in improving them.

The Democratic party, headed by Mayor Dunne, stood for municipal ownership through condemnation of the street car properties, if the result could not be obtained in any other way.

The Republican party favored the purchase of the systems for \$30,000,000, plus the amount to be spent for immediate rehabilitation of the lines, at 5-cent fare, and 55 per cent of the net revenue of the companies to be paid to the city.

The fight for and against the adoption of the ordinance had been exceedingly bitter. They were carried today by a majority of about 40,000 votes.

The vote today showed a decided reversal of public opinion on the question of municipal ownership with the last majority carrying two years ago. At that time Dunne received 163,183 votes against 138,671 for John M. Harlan, the Republican leader.

The Prohibition ticket received 5,575 votes, and the Socialist, 23,034. This year the Republican vote was close to 164,000 and that of the Democrats close to 148,000.

The Prohibition vote runs slightly above that of two years ago, while the Socialist vote fell off heavily, being more than 12,000 less than that of the last city election.

The campaign has been one of the most vicious the city has ever known. Charges and counter-charges have been hurled back and forth, the personal lives of the candidates have been held up to the public and throughout the entire campaign speakers on both sides have indulged in night after night in tirades filled with invective and abuse.

The disagreeable features of the campaign, which became so pronounced in its latter part, commenced when Mayor Dunne circulated a petition for a referendum vote on the traction proposition at the present election. He and his followers announced that they had secured 151,000 signatures to this petition, 50,000 being necessary to place the matter before the voters and a further 100,000 and the Republicans that thousands of these names had been forged and that the list had been padded in every conceivable fashion.

These assertions, which were vehemently denied by the Democrats and the followers of Mayor Dunne, who were in favor of immediate municipal ownership. From this time until the end of the campaign feeling became more bitter and more intense.

William Randolph Hearst came personally from New York to take part in the campaign, and brought with him his ablest cartoonist and editorial writer. In his papers were the only publications in the city supporting Mayor Dunne, all others being for Busse and the ordinance. The fight between the editorial departments became so energetic that the actual issues of the campaign were for some time completely lost sight of. The papers cried that Chicago was able to manage its own interests without instruction from New York.

The Hearst papers claimed throughout the campaign that Mayor Dunne was acting for the best interests of Chicago, and that it was, therefore, their duty to support him and his party.

Mayor Dunne abandoned all hope of the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle.

The expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear.

Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of Mother's Friend, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work.

By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. Address GRAFFIELD REGULATOR CO., Atlanta, Ga.

SPLENDID APRIL TONIC.

This is known as "Blood-Cleaning Time," especially among the older folks, who always take something during this month to clean the blood of impurities and build it up.

The following is the receipt as given by a well-known authority, and anyone can prepare it at home.

"Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces.

Put these simple ingredients from any good pharmacy and mix by shaking well in a bottle. The dose is one teaspoonful after each meal and at bedtime.

Everybody should take something to help the blood, which becomes impoverished and almost sour after the winter season, especially those who are subject to Rheumatism, Catarrh, Kidney and Bladder trouble.

It is said that one week's use of this mixture will clear the skin of sores, pimples or boils. This is sound, healthy advice, which will be appreciated by many readers.

within two hours after the polls closed. He received the returns at his home, surrounded by his family and a few friends. He appeared to be greatly affected by the result, and said:

"It looks as though the money power has overruled us, but our cause is not lost. Municipal ownership and governmental ownership will win in the end. This election has merely acted as a check. It will retard us for awhile, but the movement will go on and will in the end be successful."

Corporation Counsel James Hamilton Lewis, who has been a staunch supporter of Mayor Dunne, said:

"The result came because a combined Republican party was led by able, energetic and what developed to be a distracted and divided Democracy."

Mr. Busse, who has, for some time, been postmaster of the city, was confined to his home during the campaign because of injuries received in a wreck on the Pennsylvania railroad lately. When the result was beyond all doubt, he gave out the following statement:

"I, of course, am greatly delighted at the success of the Republican ticket. It shows that the people of this city are in favor of immediate improvement of our present street car system and that they fully endorse the ordinance passed by the city council over the veto of Mayor Dunne.

"More than anything else, the vote in Chicago today means that the sentiment of the majority of the people in the second largest city in the United States is opposed to William R. Hearst and all the 'isms' that he has sought to thrust upon the community. It is a clean-cut victory for sane, safe and conservative institutions.

"The people of Chicago have demonstrated that they are to be trusted with the settlement of all great questions, such as have confronted them in this election. They have shown that they cannot be humbugged. I was confident from the beginning that right would prevail—that the good sense, justice, and fairness of the community would result in a forcible manner the ousting of an outsider who had his own personal ambitions entirely in view.

"The fight for the improvement of the local traction systems has been going on for 12 years, and today's election finally sets the people in sight of the promised land. I shall make every effort to bring about improved conditions as rapidly as possible. I have not been able to take a personal part in the campaign and regret that it, at any time, assumed a personal character. I don't believe either side has anything to gain in making a fight of this description."

PRESIDENT'S CONGRATULATIONS. Washington, April 2.—When informed of Mr. Busse's election as mayor of Chicago, President Roosevelt made this statement:

"I am exceedingly pleased at Mr. Busse's victory. During his service as postmaster, Mr. Cortelyou and I grew to feel that he possessed to a very marked degree administrative ability. I believe he will make an excellent mayor of Chicago and I heartily congratulate the city."

COLORADO SPRINGS REPUBLICAN. Colorado Springs, Colo., April 2.—A victory for the straight Republican ticket was the result of the city election today. D. N. Helzer was elected mayor by a plurality of about 1,000 and six out of eight aldermen were elected on the Republican ticket by safe majorities.

Of the other two Carl Larbin, a Democrat, and E. Frost, a candidate on the Municipal League ticket, were elected by small pluralities. A vote for the issue of bonds for the construction of a municipal electric light plant carried by a vote of 2 to 1. The chief issue in the election was the question of a more open policy on the liquor license owing to the fact that the last administration has been posing as one of extreme morality and economy.

SAN DIEGO REPUBLICAN. San Diego, April 2.—The city election today resulted in a victory for the Republicans. The candidate for mayor, John F. Forward, defeated Grant Conrad, Nonpartisan, by 300, and R. V. Dodge, Democrat, by 500. The Republican also elected Judge George Patenaugh city attorney and secured five out of the nine seats in the city council. Claude Woodman, who was on both Republican and Nonpartisan tickets, was chosen city treasurer.

PRESIDENT SAYS HE WILL NOT RUN FOR RE-ELECTION

(Continued from page seven.)

In the New York political situation that we talked of little else."

"The invitation of October bade me to the White House to have a few words with the president. I did not think with the state ticket in New York, I had replied on Oct. 12: 'I am giving a very large part of my time to correcting the trouble which I intend to do so if any effort on my part can accomplish it. I will take occasion the first of next week to run down to see you, and I think that the conditions will be very much improved.'

LET THE PUBLIC JUDGE. "Whether I was seeking his aid to secure the adherence of the state of New York to the state ticket, or was seeking the public confidence in my correspondence, and I cheerfully submit to the public whether the inference clearly suggested by the president is proper or not, I do not know. It is from the invitation nor from the interview.

"The president dwells at length on this question, but he did not ask of me to contribute to the presidential campaign, nor for his personal benefit. I don't deny this statement, nor is it at all consistent with anything I have made in the Webster letter respecting the interview. Therein I distinctly said: 'The president sent me a request to go to Washington to look over the public conditions in New York state. I complied and he told me he understood the campaign could not be successfully carried on if I would help them in raising the necessary funds, as the national committee, under Chairman Cortelyou had already done a large amount due them from the New York state committee.'

"What the condition of the finances of the New York state committee and of the Republican committee was well known to every one. The national committee did owe the state committee the money, and there was a large deficit. I was not a political manager. I was asked to go to Washington by the president in connection with the success of the national ticket.

"I think it means anything whatever it must have been urging me to help the New York state committee and not the national committee, except the president's campaign, and there was no contribution to the success of the national ticket.

EX-SENATOR CHANDLER ON THE MRS. EDDY TRUST.

Washington, D. C., April 2.—Former United States Senator William E. Chandler, counsel for the plaintiffs in the Glover-Eddy suit, late tonight gave out a signed statement in which he declared the new trust for Mrs. Eddy's property as a trick contrived by her lawyers to void a possible receivership, and that the defendants in the suit have "used her delusions and incompetency to serve their own selfish ends."

Mr. Chandler's statement follows: "The new trust is a trick contrived by the lawyers of Mrs. Eddy to avoid a receivership, which may be ordered by the court. In the face of our averment that Mrs. Eddy is not fit to do business, her lawyer has signed a deed by which she admits the truth of our claim that she is unfit, and under this deed they seize all her property. The validity of this performance four days after the suit was brought will be looked into when the lawsuit is tried. The demand that the trustees supersede Mr. Glover and his daughter and drive them out of court is a patent absurdity.

"When the suit was first brought it was said that Mrs. Eddy had only \$88,000 of property. But at once it appeared that the day before it was brought she had settled \$100,000 upon Mrs. Glover and her family. Now it happens that the trustees are to give bond of \$500,000.

"Proof has been steadily accumulating showing the wisdom of the suit and the truth of the charges made therein. Mrs. Eddy has been for many years a demented and incompetent person, and the defendants in the suit have all known this and used her delusions and incompetency to serve their own selfish ends.

"Now that they are being pressed for an accounting by her nearest relatives and only heirs at law, in a lawsuit, they grasp a method that is illegal and assert the right even to control and manage the lawsuit which is bringing them to justice.

"Neither a New Hampshire nor a Massachusetts court will order that they shall conduct both sides of the lawsuit which I understand Mrs. Eddy's trust deed says must go forward to adjudication."

WOMEN IN HOSPITALS Experiences of Mrs. Rockwood and Miss Tierney

MISS MARGARET TIERNEY MRS. CHAS. A. ROCKWOOD

A large proportion of the operations performed in our hospitals are upon women and girls for some organic trouble.

Why should this be the case? Because they have neglected themselves, as every one of these patients in the hospital beds had plenty of warning in those dragging sensations, backaches, nervous exhaustion, inflammation, ulceration, displacements, and other organic weaknesses.

All of these symptoms are indications of an unhealthy condition of the female system and if not checked the operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, has saved hundreds of women from surgical operations.

Lydia E. Pinkham's Vegetable Compound has cured more cases of feminine ills than any other remedy. Such letters as the following:
