The Republican convention, by a close majority, decided to follow the example of the Democrats by pulling up on a national ticket, and this was held to be the possibility of defeat. The News takes pleasure in adding its endorsement to that of the national organization and announces its support of the Independent candidate for city officers.

WEEKLY EDITIONS.

There is not a paper in all this country that possesses the high character of the Deseret Evening News. It is the only paper published in Salt Lake City.

The day of great newspapers, edited by great editors, as in France, Germany and Great Britain, has passed away.

These extracts seem to promise much in the nature of illustrations to be published by a firm comprising of Gray and Raymond—Charles A. Gray, of the Sun, and the general manager to make a statement showing that while both men were great and good and strong, neither was an exact copy of the other in any sense of the word.

Mr. Gray, it is said, had the reputation of being a man who was not only a great writer, but a great editor, and a great manager.

Mr. Raymond, it is said, was a man who was not only a great writer, but a great editor, and a great manager.

GETTING TO THE POINT.

The speech announced that a striking team had been organized to strike the coal mines of Utah.

It may be an error of the future and the past, but it is a fact that the coal miners of Utah are now striking.

The foregoing appeared as an editorial in the Deseret Evening News of Wednesday, Oct. 4. We are informed that some of our readers have taken exception to it.

We appreciate it in order that all men may read again before uttering a sentence, or in still unadvised, that they will regard this as an invitation to do as the favor to print out their objections.

THAT RENDON AFFAIR.

The News gives space today to a detailed statement of some recent occurrences at Mendon, and the cases that called it forth.

It is the province of a newspaper to get the news from a reliable responsible source.

THE POLITICAL ALLIANCE.

Believing as we do that the people of Utah are entitled to know the truth about the political alliance between the Democrats and the Republicans.

With the Democrats and Republicans in alliance, the people of Utah are entitled to know the truth about the political alliance between the Democrats and the Republicans.

BLOCKING PUBLIC BUSINESS.

A few weeks ago the Hon. Mr. Fry, in the name of a committee on the part of the U. S. Senate on the subject of public business, reported that the Senate was "being blocked."

The committee was not expressing a disapproval of what struck them as a most unjust business.

Wonderland.

It is a strange thing that the people of Utah are now striking the coal mines.
