NEW YORK, Nov. 6.—The *Herald* editorial says: "The indications are at the hour of going to press that Harrison is elected to the Presidency."

The republican plurality in the state will be small. Hill is probably elected governor.

The *Tribune* bulletin says the next House of Representatives will be republican by 20 to 25.

The returns, allowing for the missing districts, indicate that the entire county democratic ticket is elected.

Two hundred and forty out of 858 districts in New York City, for Mayor, give Erhardt rep., 17,316; Grant, dem., 28,648; Hewitt, dem., 17,688; Coogan, labor, 2,030.

EVERYTHING SATISFACTORY.

CHICAGO, Nov. 6.—The following is received from Calvin S. Brice by the *Daily News*:

New York dispatches received at the national democratic headquarters from various points in the interior of New York, New Jersey and Connecticut show a large early vote. Everything is progressing to the satisfaction of the democratic managers. In Brooklyn, as in New York, the attendance at the polls up to 9 o'clock is unusually large and the democratic vote is very promptly cast.

CALVIN S. BRICE.

TRADING VOTES.

Daily News' New York special: All places of business are closed, the usual resorts are deserted and everybody is at the polls. There seems to be a great deal of trading going on. The *Evening News* man visited five poling places on Third Avenue and two on Ninth Avenue. It was found that one could get a vote for Harrison at any one of them by giving a vote for either of the Democratic candidates for mayor, legislature or for alderman. One ticket peddler on Third Avenue took the correspondent aside and offered two votes for Harrison if he would cast his vote for Coogan, labor candidate for Mayor. The cabman who drove the correspondent voted for Harrison, Hill and Hewitt and said "the boys" were going that way. A ticket taker at the elevated station voted for Harrison in exchange for two votes for Grant, the Tammany nominee for mayor. These are mentioned as straws. There is as much trading as the republicans expected.

INDIANA.

INDIANAPOLIS, Nov. 6.—Attorney-General Michner, at 6 o'clock, sent the following to Blaine and Governor Foraker: "Our dispatches indicate that we have carried Indiana. Hedges, special correspondent Associated Press."

CHARGES AND COUNTER CHARGES.

NEW YORK, Nov. 6.—What the afternoon papers think of the situation can be seen from the following headlines:

World: (Tammany democrat)—"Trading. Cleveland being knifed in some districts. Harrison boldly supported by Cavanaugh's people. Tammany, as well as the counties, accused. The national ticket sacrificed for local offices."

Telegram (Tammany democrat)—"Rushing to the rescue. This morning's treachery at the polls was falter checked. Tramping out the traders Deals of the country democracy shadowed and quashed."

Commercial Advertiser (Hewitt): "Voters flocking to the polls all over the city. Indications of a great plurality for Cleveland. Hewitt doing well in spite of the trading."

Mail and Express (Republican): "On the run. The democrats badly scared. News from New York State — It looks like Harrison. A hot fight for the governorship between Miller and Hill. The prohibition vote lighter than in 1884. The city vote larger, part of it cast early this morning. The republicans out in force and holding their own. Harrison and Morton running slightly ahead of Warner Miller, because of the liquor dealers' desperate work. Gains of assemblymen and aldermen, and even congressmen."

STILL GAINING.

CHICAGO, Nov. 6.—Another dispatch from Calvin S. Brice to the *Daily News*: "A dispatch from Wm. E. Furey, secretary of the democratic committee of Kings County, just received at national democratic headquarters, says the vote in Brooklyn City is going on very rapidly and quietly. The democratic wards are polling a heavy vote, evidently taking more interest at an early hour than republican wards. Kings County is safe for 22,000 for Cleveland and Thurman. The democrats claim from present indications that Richmond County will go for Cleveland by 2,000, a gain of 500 over 1884. The republican estimates concede 2,000.

NEW YORK, Nov. 6.—The extra edition of the *Mail and Express* (republican) sums up the situation as follows: Dispatches from all parts of New York State indicate a full vote being cast, despite the threatening weather and rain, and that the republicans are gaining ground at almost every point. The prohibition vote is lighter than in '84 and there is excellent reason for believing that prohibitionists and in parts of the state many democrats are voting for Warner Miller. Where the liquor dealers are strongest Governor Hill is running ahead of Cleveland and at most points the democrats loosing, by reason of the tariff agitation. At Elmira, Hill's friends refused a republican proposition that both sides refrain from any attempt at bribery at the polls. The vote is getting out early and all indications are cheering to the republicans. There seems little doubt of marked republican gains in the legislature and that the republican delegation in Congress may be strengthened. In strong republican counties the interest was intense and the increase of the republican vote was very marked.

NEW YORK, Nov. 6.— Five hundred and sixty out of 856 election districts in New York city give Harrison 65,391, Cleveland 102,146, Fisk 794.

QUAY CLAIMS THE ELECTION.

CHICAGO, Nov. 6.—A special from New York at 5:15 p.m., says Chairman Quay has just telegraphed Gen. Harrison as follows:

"We have carried New York and Connecticut and your election is assured. MATTHEW S. QUAY."

NEW YORK, Nov. 6.— Thirty-eight election districts in New York State outside of New York and Kings counties give Cleveland 3,917, Harrison 5,734, Fisk 244. The same districts in 1884 gave Cleveland 5,003, Blaine 5,953, St. John 324

CLEVELAND GAINING.

Six hundred and thirty of 856 electorol districts in New York City give Harrison 78,307, Cleveland 119,265, Fisk 845.

INDIANAPOLIS, Nov 6, 10 p.m.—There is the utmost enthusiasm around both committees' headquarters. Both still claim the state, but the republicans claim their gain, as far as reported, is such as to render their prospects brilliant.

At 10:30 o'clock around the democratic headquarters they are going wild over the New York *World's* bulletin estimating 17,000 plurality for Cleveland in New York state. Ex-Senator McDonald is very sanguine of success. A telegram just received from Senator Gorman gave a great impetus to the confident feeling. It said: "We will have 76,000 below the bridge. It is not possible for them to overcome it. Connecticut and New Jersey are safe."

The excitement after this was at fever heat, and betting was freely indulged in.

NEW YORK, Nov. 6.—A *Herald* bulletin says: There is every indication that Indiana has gone democratic.

1:10 a m.—One hundred precincts in Indiana give Harrison 11,561, Cleveland 9,963. The same precincts in 1884 gave Blaine 11,261, Cleveland 9558.

Reports received by Chairman Huston show republican gains in the following counties: Madison 261; Harrison 164; Hamilton (one town) 100, Morgan 132, Dearborn 200, Shelby 30, Vigo 2.

The democratic committee also claim to have advices of gains for their ticket, but they are not prepared to give figures.

One hundred and forty precincts in Indiana give Harrison 17,451, Cleveland 14,212. The same precincts in 1884 gave Blaine 16,346, Cleveland 13,754.

CONNECTICUT.

HARTFORD, Nov. 6.—Twenty towns show a republican gain of 463 on the Presidential vote of 1884.

NEW JERSEY DEMOCRATIC.

NEW YORK, Nov. 6.—The *Sun* has just posted a bulletin, stating that New Jersey is democratic by from 6,000 to 8,000.

CLEVELAND HOLDS HIS OWN.

NEW HAVEN, Nov. 6.—The weather is damp, but a big vote will be polled. Cleveland seems to be polling the usual democratic majority. Morris, (democrat) for governor, will run ahead of his ticket by 1,000 votes.

HARTFORD, Nov. 6.—Indications are that Harrison has carried the state by 400 majority.

NEW YORK, Nov. 6.—The *Herald* says Connecticut is for Cleveland by about 1000 plurality.

HARTFORD, Nov. 6.—One hundred and fifty towns show 982 republican gains

Returns received up to midnight by the *Evening Post* from 114 towns, show a republican gain of 1224, over the vote of 1884. The same ratio of gain in the remaining towns will give the state to Harrison. The republicans elect three Congressmen, and probably four. The legislature is republican by a large majority, and will elect republican state officers.

ILLINOIS.

CHICAGO, Nov. 6 —Fifty-eight precints give Harrison 10,033, Cleveland 11,469, Filer 9,713, Palmer 11,815.

PENNSYLVANIA.

PHILADELPHIA, Nov. 6.—The present delegation in Congress from Pennsylvania is composed of 20 republicans and eight democrats. Under the new apportionment of the last legislature the districts were almost entirely changed, and the election for Congressmen today was the first under this new apportionment.

The returns thus far received show the election of the following Congressmen: Those marked with a * are members of the present Congress: *First district, Henry H. Bingham, rep.; *second district, Chas. O'Neil, rep.; *third district, Samuel J. Randall, dem.; *fourth district, Wm. L. Kelly, rep.; fifth district, A. C. Harmer, rep.; sixth district, Smedley Darlington, rep.; eighth district, Wm. Mutchler, dem; ninth district, J. B. Brunner, dem; tenth district, M. Mariot Brasins, rep.; fourteenth district, J. W. Rife, rep.; fifteenth district, M. B. Wright, rep.; seventeenth district, Chas. R. Bucknell, rep.; nineteenth district, Levi Marsh, dem.; twenty-third district, Chas. M. Bayne, rep.

The indications are that Pennsylvania has gone for Harrison by 50,000 majority.

OHIO.

CINCINNATI, Nov. 6.—Sixty precincts in Cincinnati give Harrison 11,817, Cleveland 9435. The city having been redistricted there can be no comparison. There are 168 precincts in the city.

Over 96 per cent of the registered vote in Cincinnati was polled today. Comparison in Ohio is made with the governor's vote in 1887, when Foraker's plurality was 23,324. There are 2304 wards and precincts in the state. The democrats concede Hamilton County with the possible exception of one candidate.

Three hundred and fifty-five precincts show a net democratic gain of 1720. Total vote 127,025

COLUMBUS, Nov. 7, 1:30 a.m.—Allen W. Thurman, who was looking after the returns for his father, went home soon after midnight after conceding New York, Connecticut and victory to Harrison and Morton.

Judge Thurman heard only incomplete returns before he retired for the night, but he then was inclined to give up the fight.

MASSACHUSETTS.

SPRINGFIELD, Mass., Nov. 6.—Cloudy and warm with prospects of clearing up

HAVERHILL, Nov. 6.—The City Hall is burned and the Congregational Church is burning. Other buildings is threatened. Voting was in progress in the City Hall when the fire broke out. The ballot box was saved.

At 2 o'clock the fire was under control.

BOSTON, Nov. 6.—The pleasant weather is bringing out a large vote.

Cleveland has about 10,000 majority in Boston.

Every republican Congressman is elected except one. This is a gain of two.

The Presidential vote of Boston complete gives Harrison 27,312, Cleveland 36,159.

The state is republican by about 24,000.

WISCONSIN.

MILWAUKEE, Nov. 6.—Up to 12:30 this afternoon 19,000 votes were polled in this city. This surpasses the heaviest previous record at the same hour by 4,000 votes. Hoard, republican candidate for governor, is running ahead of his ticket throughout the state. The Harrison electors are receiving the full republican vote.

Their Business Booming.

Probably no one thing has caused such a general revival of trade at A. C. Smith & Co's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size $1. Every bottle warranted. 3

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and $1 per bottle at A. C. Smith & Co's Drug Store. 3

A Point of Purity.

Purity cannot exist in anything coming from a disgusting source. "Ammonia" has its origin in an animal excrement; yet it is introduced for leavening purposes into Baking Powders, foisted upon the public as "absolutely pure." Suddenly break open a hot biscuit, and quickly smell the stifling odor of ammoniacal gas arising therefrom. This is an infallible test for the "absolutely pure" baking powders, the supplementary rising power of which resides in the harsh and caustic chemical "Ammonia."

Dr. Price's Cream Baking Powder is free from ammonia, lime, alum and every other injurious substance. A biscuit made from it smells sweet, tastes sweet, and will bear the strictest scrutiny from every point of view.
