Cuba.

CHICAGO, 21.—A postal correspondent, writing from St. Charles, Ill., in the vicinity of the Bellevue Asylum, says that Mrs. Lincoln is pronounced well enough to leave the Asylum and visit her sister, Mrs. Edwards, of Springfield; it is not likely that she will return to Bellevue, as there is some feeling evinced in the matter of her incarceration by friends who refused to believe her insane. A leading lady lawyer of Chicago has been with her much of late and, with the assistance of her legal husband, she will assist Mrs. Lincoln's restoration to the world. She is decidedly better, sleeps and eats well, and shows no tendency to any mania, but whether the cure is permanent or not, the test of active life and time will prove.

Suicide.

MEMPHIS, 21.—J. A. Schreiner, hospital steward at the jail, committed suicide this afternoon by taking strychnine; alleged infidelity of his wife was the cause assigned. When she brought his dinner to-day they quarrelled, and as she left he told her he would kill himself, which she advised him to do.

Killed.

CHATTANOOGA, Tenn., 21.—J. F. Bowyer, painter, was killed, and Patrick Colter, tinner, was injured by a fall from a scaffold this afternoon.

Census of Louisiana.

NEW ORLEANS, 21.—The State Registrar reports the result of the census of Louisiana, recently taken in compliance with the requirement of the State constitution to be, in the city of New Orleans, white 145,721; colored 57,747; total 203,368, an increase of 11,966 upon the census of '70. The population of the whole State, whites, is 404,361; colored 450,029, an excess of colored over whites of 45,668, and a total increase of 128,115.

Shot Dead.

NEW YORK, 21.—James Langdon, a laborer, was shot dead this afternoon, during a quarrel with an unknown man in Horne & Co's lumber yard; no arrest.

A Lot of Soulless Fuss.

The steamship *City of Berlin*, which arrived this evening, brought home the American rifle team. The reception committee, composed of delegates from the National and Amateur Rifle Association with the Governor's Island band and a large number of invited guests, both ladies and gentlemen, went down the bay in the afternoon on a steamer placed at their disposal by the commissioner. About six o'clock the *City of Berlin* arrived inside Sandy Hook, and was greeted with salutes from the reception committee's steamer and police boat, and national airs of America, Ireland and England from the bands on the waiting steamers. A procession of a dozen or more steamers moved slowly up the bay, the *City of Berlin* at the head, with whistles blowing, bands playing and cheers from the crowds on board the heavily loaded excursion boats, which formed part of the escorting fleet. A salute of thirteen guns was fired from the U. S. Fort Tompkins, on Staten Island, in honor of the team as the vessels passed on. When the *City of Berlin* came to anchor, at quarantine, she was boarded by the reception committee, and the team were taken on board their vessel and brought to the city, the intervening time being passed in the exchange of congratulations, speech making and general hilarity. At the Battery a section of artillery belonging to the State militia fired a salute of forty guns while the team and escort disembarked.

A Sad Affair.

READING, Pa., 21.—There was great excitement here at the funeral of Mrs. Bessinger and her three children, drowned on Tuesday last. It seems from the stories of the people that the woman had lived unhappily with her husband owing to the introduction by him of another woman into the house, and this unhappiness resulted in a quarrel on Monday, when the husband ordered his wife to leave the house and to take the two girls with her while he would retain the boy. Next day she went to the canal with the children and after filling a basket with stones, in which operation the children assisted, she bound the basket securely to her body and taking the three children in her arms leaped into the canal and all were drowned. As soon as the bodies were recovered and taken to her former home, the police had to guard the house to keep the husband from assault, and at the funeral procession, to-day, which included about one thousand people on foot, they surrounded his carriage, and when the bodies were lowered into the graves the people hooted Bessinger, and made a rush for him. In the confusion one shot was fired, when the police hurried and placed him in a carriage and drove off, receiving on passing the cemetery gates another shot, which it is thought struck him, as he was carried into the house. The police are still on guard, and the people, including many women, continue their threats.

New National Union Party Organized.

BOSTON, 21.—The New National Union party, with General N. P. Banks for President, and L. Q. C. Lamar, of Mississippi, as Vice-President, organized here to-night by appointing a state central committee, and adopting a platform and resolutions.

FOREIGN.

GREAT BRITAIN.

The Grain Trade.

LONDON, 21.—The *Times*, in its commercial column, says—"The grain market is inactive, but previous prices are obtained for wheat. It seems to be the opinion that the prices of wheat will be maintained this season, and this has sustained the market in spite of heavy arrivals of foreign wheat. The British white, so far brought to market, has het been of good quality, and there is not much that is now to report about as to the condition of the trade abroad. The harvests will generally be three per cent. below a fine yield, but with the old stocks to draw on there can be nothing approaching a scarcity; and a moderate advance on last season's prices is likely to secure us an abundance. The improved feeling recently manifested in the sugar market has subsided, and several parcels have been withdrawn from public sales on account of reduced prices."

FRANCE.

Not Interdicted—The Reorganization of the Army—The Herzegovina Trouble.

PARIS, 21.—The ministry, after an examination of the records, deny that the circulation of Gladstone's pamphlets on Vaticanism was ever interdicted in France.

General De. Cissey, minister of war, in a public speech at Contrixville, declared that France would confine the re-organization of the army under the military law to a peace footing, for purely defensive purposes.

Le Temps says that Prince Gortschakoff has informed General Le Flo, the French ambassador at St. Petersburg, that Russia will soon issue a note concerning the troubles in Herzegovina.

ITALY.

Postal Negotiations, &c.

ROME, 21.—Negotiations with the United States for the exchange of postal money orders continue; a convention will probably be agreed to, and go into operation next year.

Apartments in the American College have been prepared for Cardinal McCloskey.

AUSTRIA.

Good Offices Accepted.

VIENNA, 21.—It is reported that Turkey has accepted the friendly offices of foreign powers in securing the restoration of peace in her north-western provinces. The Turkish expedition from Kleck has effected a junction with the force sent from the interior.

Last Night's Dispatches.

EASTERN

Crop Report.

LOUISVILLE, Ky., 22.—To-morrow, the *Courier-Journal* will publish a crop report from all sections of Kentucky, which shows a light average yield of tobacco; the return covers territory which produces about three-quarters of the tobacco crop of the U. S. A full corn crop is predicted; wheat and rye half to two-thirds of a crop; oats damaged more than other crops; hay crop large.

Injured by Frost.

CHICAGO, 22.—Reports from various points in the State say that frost last night slightly injured the corn, potatoes and other vegetables.

Break Repaired.

SUSQUEHANNA DEPOT, 22.—The break in the Erie road, near here, is repaired, and trains are running as usual.

Commissioners Returned.

CHEYENNE, 22.—The commissioners appointed to investigate Indian affairs at the Red Cloud agency, returned here to-day; the result of their labors is not known.

$20,000 Fire.

WATKINS GREEN, N. Y., 22.—The Arlington Hotel was burned to-night, caused by the explosion of a gasoline lamp in the bar room; the guests and their baggage were saved, and were cared for at the Glen Mountain House. Loss $20,000, insured.

FOREIGN.

GREAT BRITAIN.

Turko-Herzegovinian Matters.

LONDON, 22.—A special to the *Times*, from Constantinople, says that the *Porte* has accepted the proposition of friendly powers to counsel the submission of the insurgents to Turkish authority, and to represent to them that their cause is utterly hopeless from foreign intervention.

Serv Pasha has been appointed a special commissioner to examine into the grievances of the disaffected people, and it is confidently expected that the insurrection will soon terminate.

A Berlin special to the *Times* says that the Austrian ambassador at Constantinople suggested to the Turkish government the expediency of allowing Herzegovina a semi-independent administration, and had this suggestion been accepted the three northern powers would have been prepared to assist in its accomplishment; the Porte, however, rejected the proposition. The intervention of Austria is no longer considered altogether improbable, as the Austrian government seems to consider that a change has become indispensable, and that it had best be effected at a time when she may hope to exercise a leading influence.

Ledochowski to be Promoted.

A special to the *Daily News* from Rome says that the Pope has invited Archbishop Lecochowski to Rome upon the expiration of his imprisonment in February, to attend a special consistory for the acceptation of a cardinal's insignia.

SWITZERLAND.

More Anti-Catholicism.

GENEVA, 22.—The National Council has passed resolutions for the suppression of convents and Sisters of Charity.

TURKEY.

Captured by Insurgents.

RAGUSA, 22.—A number of Montenegrins who joined the Herzegovinian insurgents have captured seven small forts around Gosko, Duga and Nistka, near the Montenegrin frontier.

SPAIN.

Plot Against Carlos.

SANTANDER, 22.—It is rumored that serious disturbances have occurred at Estella, and that the arrest and incarceration of General Meridiani and Mogrovejo, and other Carlist officers, was because of their complicity in a plot against Don Carlos.

GERMANY.

Want More Liberty for the Press.

BERLIN, 22.—A congress of German journalists opened here to-day, at which resolutions were adopted asking imperial legislation in behalf of liberty of the press, to publish truthful reports of public proceedings, and of the law courts, and of granting immunity from the disclosure of names of contributors.
