TROTTING BOARD RULES.

New York, Dec. 6.-The board of review of the National Trotting association closed its sessions here tonight and finai-ly disposed of the cases of several per-sons connected with the Memphis gold our indicat

ly disposed of the cases of several per-sons connected with the Memphis gold cup incident. It took up the temportary reinstatement of George W. Spear, the driver, after his expulsion several years ago and again ex-pelled Spear, under the rule relating to the "doping" of horses. This case was brought before the board on behalf of the National Trotting association on account of Spear's connection with the Smathers-Lou Dillon-Major Deimar incident at Memphis. The board also expelled under the same rule Ed Saunders, the stable at-tendant, who stated that he had admin-istered "dope" to Lou Dillon at the in-stance of George W. Spear. The case against Millard Saunders, brother of Ed Saunders, who, one of the witnesses de-clared, had administered a certain mix-ture to the mare Lou Dillon, together with draughts of champagne at the Mem-phis race, was continued. The expulsion of Spear on the first count was that he pulled the horse Tem-ple Bar on the grounds of the Cleceland Driving park some years ago. He was then expelled and afterward reinstated. The board says: "The temporary rein-statement is withdrawn, and the expul-sion is imposed from this time out."
