TRADE OF 1867!

SAN FRANCISCO The MARKET for UTAH.

JAMES LINFORTH, COMMISSION MERCHANT,

No. 3 Front Street, Near Market,
an Francisco,
CALIFORNIA.

The relative value of CURRENCY TO GOLD is more permanent than heretofore, and facilities for getting goods from California at all seasons of the year, with quick dispatch, have largely increased of late, rendering San Francisco pre-eminently the Market for Utah.

It is not generally known to the people of Utah that all kinds of goods of foreign production, such as Teas, Coffees, Sugars and Spices; English, French and German Dry Goods, Hosiery and Bag materials; Iron, Steel, Anvils, Vices, Chains, Shoeshapes and Horse nails, Glass, Oils, and Paints, Earthenware, Glassware, &c., &c., can be obtained from San Francisco at lower prices than from Eastern Markets.

California and Oregon-made Woollen Goods, both pieces, goods and clothing, are superior to anything imported and cheaper. They have been shipped to Eastern and other markets for sale with advantage.

Agricultural Implements and Machinery can be procured from San Francisco in time for the harvest.

Mining and Mill Machinery of superior manufacture can also be procured here at short notice.

GOODS DELIVERED at Carson in six days, at Austin in seventeen days, and at Salt Lake City, in lots of not less than ten tons, in forty-five days from San Francisco by good Mule Teams at lower rates of freight than ever before. Shipments to San Pedro every ten days.

ORDERS respectfully solicited.

Merchants and others desiring purchases made here will be furnished with prices and all necessary information on application to
