AN ACT

PROVIDING FOR THE ESTABLISHMENT AND SUPPORT OF DISTRICT SCHOOLS, AND FOR OTHER PURPOSES.

Be it enacted by the Governor and Legislative Assembly of the Territory of Utah: That the County Courts shall divide their respective counties in to school districts where not already so divided, number the same, prescribe limits, change the boundaries thereof, and may consolidate two or more school districts into one, should the public good so require; *Provided*, That where school districts have built school houses by a tax on the whole district, said district shall not be divided until equitable provision has been made for school houses in the new district to be organized. Settlers on or near county lines of two or more counties, may be formed into school districts, by the mutual agreement of the County Courts of such counties. Every school district may in the name of its trustees purchase, hold, sell and convey property for the use and benefit of such districts; *Provided*, that no school property shall be sold except by authority of a two-thirds majority vote of the resident tax-payers of the district, present at a regular or special school meeting called for that purpose.

SEC. 2. At a school meeting to be held in each school district on the first Monday in June, in the year eighteen hundred and eighty, there shall be elected by the registered voters of the district three school trustees for each school district, one for the term of one year; one for the term of two years, and one for the term of three years. And annually thereafter, at the school meeting provided for in section three of this act, there shall be one school trustee elected by said registered voters in each school district, whose term of office shall be for three years, and until his successor is elected and qualified. Said trustees shall qualify by taking and subscribing an oath of office and give bonds to the county in which they reside, in such sums and with such sureties as the Probate Judge of the County or a Justice of the Peace for the precinct may approve, conditioned for the faithful performance of the duties of their office. Said oath of office and bonds shall be filed with the clerk of the County Court.

SEC. 3. The trustees shall provide suitable school houses and keep the same in repair, employ teachers, and furnish fuel, maps, charts, and other suitable articles for school purposes, and may at their option collect tuition fees. They shall prescribe the manner in which schools shall be conducted, and the branches to be taught, and rates of tuition therefor, and establish outhouses, playgrounds, and other appurtenances. The trustees shall keep a record of their official actions, and of proceedings in district school meetings, signed by the chairman and secretary; keep a correct account of all moneys received by them and how expended; such accounts to be reported each year to the voters of the district, at an annual school meeting to be held on the first Monday in June, at which meeting the amount of compensation to be allowed to said trustees or either of them, may be decided by a majority vote. Trustees may unite and jointly control two or more contiguous districts in the same county or in adjoining counties, and establish union schools to be supported out of the funds belonging to their respective districts. They may make arrangements with the trustees of any adjoining district for the attendance of such children in the schools of either district as may be best accommodated therein, and to transfer the school moneys due by apportionment to such children to the district in which they may attend school.

SEC. 4. Whenever it shall be necessary to raise funds to purchase, build, repair or furnish school houses or for other school purposes, an estimate of the approximate cost thereof shall be made by the trustees, and the rate per cent. may be fixed at any sum not exceeding two per cent. per annum, as shall be decided by a two-thirds majority vote of the property taxpayers resident in the district, present at a meeting called for that purpose, to be assessed and collected as a special tax upon the taxable property in the district. *Provided*, the property of non-residents shall not be liable to tax for the payment of teachers. In case of a challenge of the right of any person to vote on said tax the oath of such person as to qualification, his tax receipt for the past year, or a copy of the tax list showing that said person owns taxable property in the district shall be received as evidence of such right to vote.

SEC. 5. For the calling of a meeting for voting on the rate per cent. of tax to be assessed and for the election of trustees notice shall be given at least ten days before the time appointed for taking such vote, by advertising at least three times, in some newspaper published in the county having general circulation therein or by posting up notices in three public places in the district; said advertisement or notice shall state distinctly the time, place and object of said meeting; said notice shall be given by at least five permanent residents of the district; but if the district be organized, then said notice shall be given by the trustees. At all such meetings the voting shall be by ballot.

SEC. 6. The trustees shall have power to appoint a clerk, an assessor and collector, and a treasurer and prescribe their qualifications. They shall also appoint an auditor each year, whose duties shall be to examine the financial accounts of the trustees for the current year, and report thereon at the annual school meeting.

SEC. 7. The assessor shall, within such time as the trustees may direct, make an assessment at a fair cash valuation, of all the taxable property in his district, and report the same to the trustees. The trustees shall give notice of the time and place when they will meet to hear and determine complaints, if any, in regard to the assessed valuation of any property, and may equalize and correct the same; and they shall have power to remit or abate the taxes of any indigent person to an amount not exceeding five dollars on any such assessment. They shall fix the time within which the tax shall be paid, which in no case shall be less than thirty days, and approve the assessment roll and hand it to the collector, to collect the tax.

SEC. 8. The collector shall forthwith notify the taxpayers of the district, of the amount of their tax and when the same is payable, and shall proceed to collect the same within the time specified by the trustees and pay the money collected to the district treasurer, if there be one, otherwise to the trustees. And all taxes remaining unpaid for 90 days after they become due, shall become delinquent, and a list thereof shall be handed to the county collector of the county in which such district is located, which collector shall proceed and collect the said tax in the manner as provided for the collecting of territorial, county and school taxes, in "An Act to provide revenue for the Territory of Utah and the several counties thereof, approved February 22, 1878." The delinquent taxes thus collected shall be paid into the county treasury and placed to the credit of such school district and be drawn therefrom upon the order of the trustees of such district.

SEC. 9. The school year shall commence on the first of July, and be divided into four terms. The trustees shall visit, officially, each school in their respective districts, at least once during each term; and, on or before the second Monday in June, in each year, take a census of the children between the ages of six and eighteen years residing in their districts; and within ten days thereafter, shall make a report to the County Superintendent hereinafter provided for, stating the condition of the school or schools under their supervision, and particularly the items contained in the following form, together with such other statistics or information as the Territorial Superintendent may require:

The school funds mentioned in this section shall be drawn from the county treasuries, annually, on the order of the County Superintendents to be distributed by them among the various school districts in their respective counties according to the school population, and expended by the trustees for school purposes.

SEC. 19.—The moneys accruing for the benefit of district schools, under the provisions of section one of "An act to provide revenue for the Territory of Utah and the several counties thereof," approved February 22, 1878, shall be disbursed on orders drawn by the Territorial Superintendent of District Schools in favor of the Territorial sub-treasurer of each county, according to the school population thereof, and shall be paid to the trustees by the County Treasurer, on the orders of the County Superintendents; and said moneys shall be used by the trustees in paying school teachers during the year following the one in which it was assessed and collected. Nor to appropriate any part of the school fund to any private, select or high school, or any boarding school, or academy, or any school whatsoever not under the immediate control and direction of the school district trustees, except as provided in section twenty.
