There were a number of cases, and the Court took the matter under advisement. Court adjourned for two Warn because his wife had gone weeks, and returned to Ogden yesterday evening.

the bail remitted.

Commissions .- The following commissions have just been issued byGovernor West:

R. R. Fry, sheriff, Morgan County; Samuel Judd, sheriff, Washington County; Landon Rich, assessor and collector, Morgan County; George S. Dean, notary public Weber County; David McLaughlin, notary public, Summit County.

All of the above have been appointed to the offices named, since the elec- bad tion

Getting Chilly .- Manti was visited with a foot of snow on Monday. This deepened the gloom surrounding the Sentinel office, and it gave vent to its instance in the following style: feelings in the following style:

"We are about tired of asking those who subscribed for this paper and who have had the paper a year and a half the coal lands i the most we did toand never paid a cent, to call and set-ties up. We are not vindictive, but worked at various jobs; one was putthermometer below zero, and cuts his last stick of wood, it is apt to freeze the million fundan kindness in the most be evolent heart. Were we inclined to be revengeful, we might listen to the tamber beine of a working together he revengeful, we might listen to the voice and issue to the above tempter' described persons a magazine semi-

ettle or the magazine goes.'

Home Again .- Mr. George J. Taytor, of the NEWS Office, returned from States, arriving on the Utah Central train last evening. While gone he visited Denver, Omaha, Cheyenne, Chicago, Toronto, Montreal, Boston, Springfield, and a great number of minor places, for recreation and visiting relatives, but mainly to représent his invention of a treadle for Warn, thus a pedomotor. He succeeded excelcellently in placing the merits of his cellently in placing the merits of his invention, having had flattering offers Mrs. Wood said he was engaged to Mrs. Warn; I told Wood I would for State rights from individuals, but go with him; I think the debe preferred placing it entirely in the fendant hands of the Overman Wheel Company of Boston, for a substantial royalty, which is guaranteed. Mr. Wm. M. Woodside, a professional rider, will take samples of the treadle with him to England to place on the market nephew did not; she may have said 1 there. Altogether the outlook for the complete financial success of the invention is quite fattering, a result which its mechanical merits amply warrant. Mr. Taylor enjoyed his trip hugely, nephew; I spoke to Hawthorne about

and is looking as well as the fatigue of money, after the marriage; he promised the tourney will permit. He speaks in high terms of the liberality and generous treatment extended by the Union Pacific, and the Chicago, Milwaukee & St. Paul rallways, going and coming.

Jane Warn; I introduced the defen-dant to her; these conversations were The determination of the matter was both before and after the introduction; to be referred to the Attorney-General he stated that he married Mary J of the United States for his constance ion of the Act of Congress and such England, and he wanted instructions as would remove all doubt

and uncertainty. This reference was A WIFE WITH MONEY; at once to be made by the Board of the other wife had none, but the Control to the Attorney-General, and present had considerable Witness, to Mr. McBride-I have been in Utah tifteen years

a speedy reply was confidently expected. It was, however, signified to the committee, that a temporary lease of a building, and saitable furnitare, and years; have been at Silver Reef, Beaver, and other places; came from White Pine, Nevada: have been at Tintic, Atta, East Cañon, and elsewhere in Utah; have also been in Montans; was en-gaged in mining; I have been sick the have asson to the constinued with deinst season; got acquainted with de-fendant in front of the Methodist Church, about two months before he was arrested; I do not consider I caused his arrest; I had mighty little to do with it; the definition of the Attorneying this decision. General, as any other course might further complicate the matter, and be-cause the use of any portion of the ap-propriation might involve the accept-ance of a construction of the intention to do with it; the defendant and I had no difficulty; have got no feeling against him, only I thought he treated his wife in England im-properly; I worked with him putting of the grant in anticipation of the construction sought for from the Attor-ney-General.

up washing fluid, in the house where Jerry Gibson's office is; I had heard of him, and introduced myself to him; he Pending a reply a matron was selected and engaged by the association; a committee on site was appointed to examine and report upon the advisa-blity of renting or purchasing a suit able property, and to solicit proposals regarding the several properties neves tried to interest himself in selling

deemed suitable. It is now desirable to ascertain worked at various jobs; one was put-ting a roof on Mis. Warn's house; the General has been received.

General has been received. The matron epgaged, will at any time, upon notification, assume her duties.
