RAILROAD EARNINGS GAINING.

Some New Labor Troubles Spring Up  
But a Number of Serious Ones  
Have Been Averted.New York, Sept. 25.—R. G. Dun &  
Co.'s Weekly Review of Trade to-  
morrow will say: "Notwithstanding several  
unsatisfactory features, the volume of  
trade continues large and the distribu-  
tion of merchandise taxes shipping fac-  
ilities. Announcement of a concerted  
effort to restrict production of pig iron  
indicates that supplies have begun to  
accumulate. Railroad earnings con-  
tinue to show gains. September returns  
thus far exceeding last year by 8.7 per  
cent and those of 1901 by 17.2 per cent.  
Traffic blockades add to some extent,  
although the movement of farm prod-  
ucts is still unseasonably small.  
"New labor controversies have begun,  
but a number of serious troubles have  
been averted, and on the whole the  
number of men idle voluntarily has  
diminished. Enforcement of laws in the  
iron and steel industry is more than  
offset by the resumption of spindles at  
cotton mills and there is great activity  
at footwear factories, although the  
margin of profit is narrow.  
"Lower prices for the leading agri-  
cultural staples indicate a general be-  
lief in improved crop prospects. Job-  
bing trade is still making good com-  
parisons with previous years, and  
while the zenith has been passed in fall  
dry goods, it is still a satisfactory sea-  
son. At many important points the  
weather has been more propitious for  
retail trade, and collections are fairly  
prompt considering the tightness of the  
money market.  
"Failures this week numbered 232 in  
the United States, against 207 last year,  
and 19 in Canada, compared with 32 a  
year ago.

MURDER AND ROBBERY.

A Paymaster with Money Killed  
By Dynamite.Washington, Pa., Sept. 25.—A murder  
and robbery occurred this afternoon on  
the Midwestern road, about 15 miles  
from here. Samuel T. Ferguson, of the  
Ferguson Construction company, of  
Pittsburgh, was instantly killed, and his  
secretary, Charles L. Martin of Cincin-  
nati, was fatally injured. The two men  
were driving along the road in a buggy  
containing \$3,000 in cash with which to  
pay off some of their men employed  
on construction work along the line of  
the Wabash railroad, when suddenly  
an explosion of dynamite in the road-  
way literally tore the rig to pieces,  
killed Ferguson outright and threw  
Martin 200 feet, leaving his left arm al-  
most free from the socket.  
It has been learned that two men  
supposed to be Poole placed the dynamite  
in the road for the purpose of  
killing the paymaster. Ferguson and his  
secretary were both good men, and  
arranged to explode it by means of an  
electric battery. The satchel contain-  
ing the money is missing. Two sus-  
pects are under arrest.

COLLEGE MEN

Quite Universally Use Grape-Nuts.

A lady of Tabor, La., who has six  
strapping big boys says: "They range  
from 7 to 19 years and we are living at  
a college town for the purpose of edu-  
cating them.  
"I have a great work before me as  
you can see and I regard your food  
Grape-Nuts a very valuable assistant  
about once every two weeks. These  
were so severe that I would be unable  
to raise my head for 24 hours. Then  
Nature would readjust herself by rest  
and entire lack of food. Then I be-  
gan to use Grape-Nuts for breakfast  
and the stomach trouble began to fade  
away. All of the symptoms have gradu-  
ally changed for the better and the  
very few headaches I have had since  
using Grape-Nuts have been very light  
and have not interfered with my regu-  
lar work, while I am fatter and  
stronger than ever before. I take  
great pleasure in telling my friends  
what this splendid food has done for  
me not only in the case of my own  
worn-out system but in keeping up the  
health of my strapping young giants.  
"I must speak of a tribute paid  
Grape-Nuts at our District Convention  
of the Woman's Relief Corps. Two  
hundred intelligent women were at this  
meeting and the Department President  
in her address spoke of the wonderful  
merits of Grape-Nuts to produce brain  
power." Name given by Postum Co.,

## WILL CALL OUT EVERYBODY

And Bankrupt Colorado, if Necessary,  
To Maintain Law and  
Order.Cripple Creek, Sept. 25.—Adj. Gen.  
Bell tonight gave out a statement out-  
lining the future policy of the mili-  
tary in the Cripple Creek district. He  
declares that the troops will be kept in  
the field so long as, in the opinion of  
the governor, there is any possible need  
for them, and that "law and order will  
be strictly maintained to the very  
smallest fraction thereof, and any vio-  
lators thereof in the minutest form will  
be promptly arrested and dealt with  
to the very fullest extent."  
He says search is being made for sev-  
eral persons who are principals or ac-  
cessories to crime. He concludes his  
statement as follows:  
"In regard to the street whisperings  
and murmurings to the effect that other  
parts of the state are about to be in-  
volved in strikes, I will say if it is  
necessary to muster into the service  
under the law every available able-  
bodied man, the military authorities will  
be the judge of the expediency, and if  
it bankrupts for a few days the state  
of Colorado, there will be no strike  
disturbances or business cessations  
while James H. Crockett is governor and  
while I am his military representative if  
the state of Colorado. My term of  
office does not expire until April 1, 1905."  
By the accidental discharge of a re-  
volver in the hands of Trooper Mack  
Lin today, Corp. M. P. Snodgrass was  
wounded in the right leg and Trooper  
W. Davis in the left foot. The wounds  
are not serious.

And Sunset Dec. 18, 1903.Cynthiana, Ky., Sept. 25.—Curtis Jett  
was brought into court today, when  
Judge Osborne decided that he be  
hanged "between sunrise and sunset,"  
Dec. 18, for killing James Cockrell at  
Jackson, Ky., July 21, 1902.When Judge Osborne said he would  
send the prisoner to another jail, Jett  
pleaded earnestly not to be returned to  
Cynthiana, Ky. Jett's attorney filed pa-  
pers giving his grounds for a new trial  
preparatory to carrying the case to the  
court of appeals at Frankfort.

OFFICER'S MARITAL TROUBLES

Lt. Burbank Files Suit for Divorce  
From Filipino Woman.Leavenworth, Kan., Sept. 25.—  
First Lieut. Sidney S. Burbank,  
Sixth infantry, stationed at  
Fort Leavenworth, filed suit in the  
district court today to annul a pre-  
tended marriage with Mrs. Concepcion Vas-  
quez, a Filipino woman.The filing of this suit is the outcome  
of a charge made by Mrs. Vasquez to  
the war department last spring that  
Lieut. Burbank had married her while  
in the Philippine Islands, and that  
she was his lawful wife and entitling  
him to support her. The first no-  
tice of this alleged marriage was made  
public after the announcement of the  
engagement of Lieut. Burbank to a so-  
ciety girl of Leavenworth.The story of the Filipino marriage  
of Lieut. Burbank, which he pro-  
claims is a fraud, comes from Valda-  
dolid province, where Lieut. Bur-  
bank was in command of a garrison of  
United States troops in 1901. Mrs.  
Vasquez was a widow with three  
small children, lived in the village  
of Matala, about 15 miles from  
here. The garrison was located. Lieut.  
Burbank came to Fort Leavenworth  
a year ago and a report followed  
that he was married to a Filipino  
woman and was the father of a new-  
born child. The Filipino widow fol-  
lowed this by filing copies of docu-  
ments pretending to be a marriage  
contract with Lieut. Burbank.To offset this Lieut. Burbank and  
Capt. Burke sent affidavits to the  
war department stating that Lieut.  
Burbank was not in the village, but on  
a campaign at the date of the pretended  
marriage. Also that there was no notice  
of the marriage posted or announced by  
the town crier going up and down the  
streets of the village and proclaiming  
in accordance with the custom of the  
country that the pretended marriage is a fraud  
and any documents to back it a for-  
gery.It is said that Lieut. Burbank's solu-  
tion of the case is that of a justice of  
the peace and president of the village  
where he commanded the troops was  
imprisoned for six months for insubor-  
dination; that the justice of the peace  
of the village is in his anger and to  
get even with him permitted the woman  
to apply for and make out a mar-  
riage certificate.His object in filing the suit  
is to clear up his record. Under  
the Kansas divorce laws the woman  
had 40 days to answer. She will not  
have time to do so as it would require  
at least three months to prepare any  
defense and file it by a person now in  
the Philippines.

MONEY OF THE COUNTRY.

Treasurer Roberts Discusses It Be-  
fore Maryland Bankers.Washington, Sept. 25.—Ellis H. Bob-  
erts, treasurer of the United States,  
who is attending the convention of the  
Maryland and District of Columbia  
Bankers' association, which is being  
held on board a steamer on the Po-  
tomac river, tonight, delivered an ad-  
dress before that convention, in which  
he said:  
"National bank notes constitute less  
than one-sixth of our stock of money,  
\$418,587,975 out of \$2,708,695,662, and  
no legislation can change that ratio very  
materially. Gold, on the other hand,  
constitutes \$1,267,733,949, or close to one-  
half of our stock, and it grew nearly  
\$12,000,000 last month.  
"Let us be content to stand on the  
rock of gold. Of \$2,388,902,178  
certificates is \$1,104,330,078; bank notes  
are just less than \$400,000,000. And again,  
look at the treasury holdings. The gold  
there is today the largest sum ever re-  
corded, \$653,000,000. Our treasury holds  
three and nine-tenths times the amount  
of gold belonging to the Bank of Eng-  
land, which is \$166,500,000; it is more  
than three and eight-tenths times that  
of the Imperial German bank, which is  
\$170,371,000, or very near three times that  
of the Austro-Hungarian bank, which is  
\$221,464,000; it lacks only \$8,000,000 of  
being equal to that of both the banks of  
England and of France, which latter  
holds \$294,500,000, and it exceeds the  
amount of Russia, Germany, Belgium  
and the Netherlands combined.  
"In five years the Bank of France has  
gained \$127,640,000 and the Austro-Hun-  
garian \$79,120,000. In the same period  
the Imperial German bank has lost  
\$38,683,000; the Bank of England, \$2-  
256,000, and Russia \$132,240,000. Goodfortune has added to the gold in the  
treasury vaults of the United States  
from the close of August, 1898 to the  
first day of the current month, \$323,980-  
295, or nearly \$80,000,000 a year on the  
average.Let us get a little into the bank  
vaults and the pockets of the people.  
The gold coin and certificates in circula-  
tion Sept. 1, 1898, was \$666,166,165, which  
was 37 per cent of the total. By the  
first of the present month this factor  
had become \$1,014,531,078, or 42 per cent  
of the whole. Here is the gold cur-  
rency of the land is a gain of \$348,364-  
919 within five years. This is the  
strength of our currency medium and the  
crown as well as the corner-stone of  
our financial system."

UNITED MINE WORKERS.

Demand Eight-Hour Day and  
Semi-Monthly Payment.Pueblo, Colo., Sept. 25.—At today's  
session of the United Mine Workers  
of America convention, the following  
demands were formulated and adopted  
by the convention. They will be pre-  
sented to the coal operators in District  
15 and should they not be accepted to,  
a strike in all probability will be de-  
clared at the meeting of the national  
executive board Oct. 15.Clause 1. That eight hours shall con-  
stitute a day's work.  
Clause 2. That all wages shall be  
paid semi-monthly in the lawful money  
of the United States, and that the  
scrip system be entirely abolished.Clause 3. An increase of 20 per cent  
on contract and tonnage prices and  
2,000 pounds shall constitute a ton.  
Clause 4. That all underground men,  
top men and trappers receive the same  
wages for eight hours as they are now  
receiving for nine and one-half and ten  
hours or over a day.Clause 5. For the better preservation  
of the health and lives of our craft-  
men, we demand a more adequate sup-  
ply of pure air as prescribed by the  
laws of our state.There was considerable discussion be-  
fore the adoption of the report.  
During the morning session an ad-  
dress was made by President Moyer of  
the Western Federation of Miners in  
which he characterized the governor as  
the worst enemy the laboring man had  
in the state. It is expected that the  
convention will conclude its labors with  
tomorrow's session.

THREATENED THE GUARD.

Troops Go to Independence Look-  
ing for Men Who Murder Them.Cripple Creek, Colo., Sept. 25.—A de-  
tail of troops, under the direction of  
Lieut. McCalland, went to Indepen-  
dence and Altman looking for certain  
men charged with having made threats  
against the national guard and its  
officers. Upon arriving at Indepen-  
dence one of the men, Joe Lynch,  
marshal of Independence, was found in  
a saloon and later he was disarmed  
and brought to camp and placed with  
the rest of the prisoners in the guard  
tent. The commander also left a sec-  
ond detail of cavalry surrounding the house  
that has been occupied by Mr. Dodsworth,  
a labor leader, with instructions not to  
allow anyone in or out of their lines  
either to or from the house.The military officers will hereafter  
make special charges against all parties  
that they may arrest.  
C. J. Kennison, president of district  
union No. 1, who is confined to the  
guardhouse at Camp Goldfield became  
abusive and refused to obey the order  
of one of the sentries and was ordered  
into his tent.

To Remove Santa Clara College.

San Jose, Cal., Sept. 25.—Father Ken-  
na in an interview in the Mercury ad-  
mits that there is a strong effort on the  
part of the faculty to secure the

possibly prevail. He says, however, that  
nothing will be done until the present

MANY PEOPLE HAVE CATARRH OF STOMACH AND DON'T  
KNOW IT.A Beautiful Michigan Belle Cured of Catarrh of the  
Stomach by Pe-ru-na.Louise Matt, Battle Creek, Mich.,  
writes:"I can only say what others have  
said before me, that Peruna is a most  
wonderful medicine for catarrh of the  
stomach and stomach troubles.""I suffered so long with indigestion  
and dyspepsia, and tried so many  
things to cure me, without relief, that  
I made up my mind my case was hope-  
less. One of my friends advised me to  
try Peruna for a month, assuring me  
that I could not fail to find from its  
use some relief and possibly a cure. So  
I took new courage and bought a  
bottle of Peruna, determined to give  
it a thorough trial, which I did. In  
just six weeks I was entirely rid of  
my stomach trouble, and bless the day  
when Peruna was brought to my no-  
tice."—Louise Matt.No medicine in the world has cured  
more cases of dyspepsia than Peruna.  
The reason for this is that dyspepsia in  
a great majority of cases depends upon  
catarrh of the stomach.

Miss Louise Matt

Miss Camilla Chartier, 5 West Lexing-  
ton St., Baltimore, Md., writes:"Late suppers gradually affected  
my digestion, and made me a miser-  
able dyspeptic, suffering intensely at  
times. I took several kinds of medi-  
cine, which were prescribed by differ-  
ent physicians, but still continued to  
suffer. But the trial of one bottle of  
Peruna convinced me that it would  
rid me of this trouble, so I continued  
taking it for several weeks, and I was  
in excellent health, having gained ten  
pounds."—Camilla Chartier.Mrs. Jessie Colton, 430 East 19th St.,  
New York City, writes:"Through overwork and anxiety in  
my business I was very much run down.  
Had loss of appetite, and, what was  
worse than that, loss of sleep at night.  
I was afraid I would have to consult a  
physician, when one of my customers  
advised me to try Peruna, as it had made  
her well and strong. I began to take it,  
and in a few days began to feel stronger,  
and from the first dose I slept at night,  
without awakening. I took only twobottles, now I am well, but I am never  
without Peruna in the house."—Mrs.  
Jessie Colton.Peruna cures all such cases of dys-  
pepsia, simply because it cures catarrh  
wherever located. The reason so many  
cases of dyspepsia suffer on and on  
without any relief, trying this medicine  
and that medicine, is that these condi-  
tions are not recognized as catarrh of the  
stomach.Any one suffering from dyspepsia,  
having tried the ordinary remedies  
without relief, would be safe to assume  
that their case is one of catarrh of the  
stomach, and should at once begin a  
course of Peruna. Peruna is sure to  
cure these cases. It never fails.If you do not derive prompt and sat-  
isfactory results from the use of Peruna,  
write at once to Dr. Hartman, giving a  
full statement of your case, and he will  
be pleased to give you his valuable ad-  
vice gratis.Address Dr. Hartman, President of  
The Hartman Sanitarium, Columbus, O.

Miss Camilla Chartier

Catarrh of the stomach may have been  
set up by an extension of the catarrh  
from the throat or head. It may be in-  
duced by late suppers, indigestible diet,  
rapid eating, drinking too water, the  
use of alcoholic stimulants, and many  
other indiscretions.
