

## TWENTY THOUSAND DOLLARS REWARD

Offered for Information Concerning  
George Walls.

IS SON OF A MILLIONAIRE.

Was Missing Two Years—Turns Up  
All Right—Changed His Name  
—Worked as Engineer.

York, Pa., May 15.—After a mysterious disappearance of almost two years, George Walls, the son of Martin Walls of Pittsburgh, has been located in the village of Riverton, near Harrisburg.

Although his father offered a reward of \$20,000 for information concerning him, the young man, with an assumed name, has been working as a mechanical engineer within the same state and within a few hundred miles of his father's residence.

Young Walls left Spring Grove, where he was working, repairing a filtering plant, on Dec. 12, 1901, and was never seen again by his friends.

He went directly from Spring Grove to Riverton, where, under an assumed name, he procured employment. He knew of the search his father was making to find him, as it was published in all the Pennsylvania newspapers.

Martin Walls received information which took him to Pennsylvania and through it the father located his son at Riverton.

Only a week ago Mr. Walls had been offering \$20,000 reward for his son dead or alive, and broadcast through York county. He has received a letter from friends stating that his son was being held for ransom, and took this method of rescuing the kidnappers.

So confident was he that his son had been murdered that on the 10th of this month, in an interview, he said he had practically solved the mystery, and was then searching for his son's body, and that the murderers would be arrested within a few days.

**J. S. Mulvey's Body Found.**

Seattle, Wash., May 15.—The body of James S. Mulvey, member of a rich and influential Boston family, was found on the tide flats today while the tide went out. The coroner expresses the opinion that Mulvey could not have fallen into the water under ordinary circumstances.

He came here about 1899 from California, where he had wealthy relatives. Boston was Mulvey's home. His mother and sister live there now.

**Judge Knox's Son Arrested.**

South Norwalk, Conn., May 15.—Hugh S. Knox, son of United States Attorney Knox, Walbridge Taft, a nephew of Judge Taft, governor of the Philippines, John E. Harney of Cincinnati, and Lawrence H. Hays of New York, a student at a private school, have been arrested, charged with committing an assault on John D. Milne. The cases will be tried today. Mr. Milne is said to have resented an alleged insulting remark by one of the boys, and to have been severely beaten as a result.

**MISFORTUNES OF FORTUNE.**

Man Sent to Philippines by War Department Has Trouble with Police.

Manila, May 14.—After a difficulty with the local police, T. Thomas Fortune, a negro special labor commissioner, appointed by the war department to visit the Hawaiian islands and the Philippines, has left Manila for home. A companion of Fortune was arrested for a petty offense and Fortune accompanied him to the police station, where an argument led to a fight during which the police clubbed Fortune's secretary and charged Fortune with resisting officers of the law. Fortune made counter-charges, but later the charges were withdrawn.

T. Thomas Fortune is a resident of New York City and was the publisher of a paper devoted to the advancement of the negro.

**KILLED THE JAILER.**

Oklahoma Desperate Outlaw Did It While Escaping.

Guthrie, Okla., May 14.—In escaping here tonight from the county jail W. W. Montgomery, desperate outlaw and confessed bigamist, shot and killed the jailer, Jerry Emmerson, and was in turn shot by Emmerson's wife. He got away, the extent of his injury not being known. He has confessed to having three wives, one married in Beatrice, Neb., one in Seward, Okla., and the third in Iowa. Two of the wives appeared here against him when he was in jail under indictment awaiting trial. He had just completed a bath when he grabbed the jailer's gun and killed him. He also took Mrs. Emmerson's revolver, and is therefore well armed. A posse is in pursuit.

**Roseau, Dynamiter, Identified.**

New York, May 15.—A. B. Skinner, head brakeman on the West Shore train which arrived from Buffalo at Weehawken at 8:45 on the night of April 2, has positively identified a picture of G. Roseau, the dynamiter, as that of one of the passengers on his train. Roseau, with a companion, who looked very much like him, boarded the train at Buffalo, having been transferred from the Washburn road.

"Remember the two then distinctly," said Brakeman Skinner. "Roseau asked me how long his trunk would be kept at the West Shore without storage charges. I told him the rules of the road in that matter."

"He explained that he and his companion were to sail on the French line the following Wednesday. He spoke excellent English although impressing me as either an Italian or a Frenchman. I remember that they had considerable

money."

No woman's happiness can be complete without children; it is her nature to love and want them as much as it is to love the beautiful and pure.

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror.

There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applied externally, and has carried thousands of women through the trying crisis without suffering.
