

THE WORLD'S CHOICE.

Competent judges representing the civilized people of the world, appointed for the knowledge of particular arts or sciences, convened at Philadelphia for six months to decide upon the comparative merits of the various inventions of mankind, awarded to the manufacturers of Benson's Caprine Porous Plaster, the highest and only medal above all foreign and American competitors, on the ground of its great curative properties. Remember that this decision was made by four practical and skilled physicians.

WEAK BACK Superiority over other Plaster its wonderful relief in strengthening and restoring the system. Remember that this decision was made by four practical and skilled physicians.

ASK THOSE WHO KNOW your physician if Benson's Caprine Porous Plaster is not the best Plaster in the world. It has a better reputation among physicians than any similar article known. Its superiority to the old style of porous plaster is very marked.

THE Professional Indorsement which has been accorded by leading medical men in various parts of the country to DR. WM. HALL'S BALSAM FOR THE LUNGS, is a sufficient guaranty of its efficacy in eradicating diseases of the breathing organs. These gentlemen have thoroughly tested the remedy, and their concurrent testimony is to the effect that it is a positive specific for lung, bronchial and throat affections of every description, and a most reliable preventive of that dreaded scourge, consumption. Druggists sell it. d120 eod

Not Deserving of Pity.

Beggared spendthrifts, to whom money has no exchange value but pleasure. Persons who will persist in dying by inches with dyspepsia and liver diseases, when Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets are unfailing remedies for these maladies.

Parents who spare the rod and ruin the child. Fast young men and women are generally spoiled children to begin with.

People who suffer from catarrh, when Dr. Sage's Catarrh Remedy is a safe, reliable, and well-tested remedy for this loathsome disease.

People who marry for money, and find too late that the golden glitter is all moonshine.

Women who suffer death every day of their lives, when Dr. Pierce's Favorite Prescription will effectually remove these painful weaknesses and impart a healthful tone and strength to the whole system.

People who live beyond their means and find that style and pride, like everything else in this world, unless placed upon a secure foundation, are subject to the law of gravitation.

Invalids who do more towards fostering disease, by living and sleeping in the low, unventilated rooms of the ordinary house, than the best medicines can accomplish toward recovery, when at a moderate expense they can secure all the hygienic and sanitary advantages of the Invalids' Hotel at Buffalo, N. Y. Every physician knows how much recovery depends upon good nursing and the hygienic conditions of the sick room. Chronic diseases are especially subject to these conditions.

THE Millennium Star will be mailed to any address, on receipt, by the publishers, of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage. Address William Budge, 42 Islington, Liverpool, England. dswtf

By Universal Accord,

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual cathartic is required. For Sale by all dealers. dsw 1 w

THE scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

O! FOR a thousand tongues to sing the praises which are daily received of that poplar article now known as HALE'S HONEY OF HOREHOUND AND TAR! It is now becoming known among the people as a positive fact that this article has performed more cures of Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and all affections of the Throat, Bronchial Tubes and Lungs leading to Consumption, than any other article ever brought before the public. All we ask is a little more time for the people to test the article, then to tell their friends of its effects, and then we are satisfied that it will be the family physician for any or all the above complaints, and occupy a prominent position in every household. Sold by all druggists and at Crittenton's Central Medicine Warehouse, 7 Sixth Avenue, New York City, at 50 cents and \$1 per bottle. Great saving by buying large size.
