Said bonds are the first instalm laced upon the market of the \$250,-000 authorized to be issued for the construction of a canal and other works to supply Salt Lake City with water. Said bonds bear interest at the rate of seven per cent. per an-num from June 1, 1880, interest num from June 1, 1880, interest payable semi-annually, June 1st and December 1st. Principal payable June 1st, 1895, subject, however, to redemption after June 1st, 1885. Both principal and interest payable at the Treasurer's office, Salt Lake

City. The law authorizing the issue of said bonds, provides that they shall not be sold at less than their par value and accrued interest thereon, therefore, no bids will be considered at less than par and accrued interest.

Bids will be received for the whole amount of the \$50,000, or for any portion thereof. Preference, however, will be given to bidders for small amounts at the same rates.

All bids must be accompanied by a certified check for at least 5 per cent. of the amount of the par value of the bonds bid for. Bidders are invited to be present

at the opening of the proposals. Set-tlement for accepted bids must be made before 3. o'clock, on Monday, June 21st, 1880, and checks of un-successful bidders will be returned on the same day.
