The Pauorama.

"The Battle of Gettysburg" was at-

tended last night by quite a number of

visitors, mostly representatives of the

press, who had gone there by invita-

tion from the managers, to view the

Gen. Lee by Gen. flancock, and the

irtual breaking of the backbone of the

Confederacy. The loss on both sides

the spectator, from the central elevat-

ed position in the building, can form

the pictures of the desperate hand-to-

hand struggles in which the contend-

shown in the view, in the various

positions they occupied on the field. in some respects the cyclorama is not

as well arranged as that of the same

battle at Chicago, or of Vicksburg, at

San Francisco, and the flickering of

thelectric light does not improve it

any. But notwithstanding this, the

picture is decidedly interesting and

filed May 22, 1888. Of the Salt Lake City Railway Com-pany, filed June 26, 1858. In addition to "these the numerous supplemental petitions which have been filed from time, to time were read. Councilor Dooley said he observed that both Mr. Remington and Major Wilkes claimed that they were going to use the Spragne motor system. He News from Hiko is that Scappatura had started ahead of the team in the morning. He rested under a tree was found digging a rabbit out of a hole on the side hill. He was taken to to use the Sprague motor system. He did not think it likely that two per-sons should have the right from the S. T. GODBE

company, and as they, or their representatives, were present, he suggested that they explain the matter. Major Wilkes then stepped forward and stated that he proposed to use the bes motor in existence, which was the Sprague. He admitted that he had no

COULD PURCHASE THEM. In his petition he had mentioned the Sprague; he would like to say instead, that he would use the best system, whatever that might be. Mr. Murray, in behalf of Mr. Rem-

line in Beston, and

Mr. Murray, in behall of Mr. Rem-ington and his associates, said that the business men were careful always to take the right step first. In regard to the offer of Mr. Wilkes to maintain a line of electric lights along the entire route, it would cost them something like \$94,000 during the hife of their franchise. He had made a visit to the cast for the normose of investigating Saints left Liverpool today, on the Guion S. S. Wisconsin. So it is learned by private dispatch from President George Teasdale.
