

MASS MEETINGS.

LAKE CITY,

JANUARY 17TH, 1858.

At a mass meeting of the inhabitants of Lake City, Utah County, John Mercer was unanimously chosen Chairman and Wm. Greenwood, Secretary; also a committee of nine to draw up Resolutions expressive of the feelings of the people pertaining to the official course of his Excellency Gov. Brigham Young and the resolutions of the Legislative Assembly of the Territory of Utah, the following resolutions were unanimously adopted by the people:—

Resolved, that we most cordially approve of the acts and entire official course of his Excellency Governor Young and that we know him to be the unanimous choice of Utah for the position he occupies and an officer against whose wise administration not the first objection can be justly substantiated.

Resolved, that we believe our nation has now arrived at that period when a man risks his life in advocating the cause of justice and innocence, and we believe it is far more preferable to die free men than to live slaves in a land whose Constitutional laws guarantee freedom to such as will be free.

Resolved, that his Excellency's Message of December 15, 1857, to the Legislative Assembly of Utah, we regard as a sound, constitutional document and that we approve of the republican and loyal course of our Legislative Assembly as expressed in their resolutions in relation to the Message and official course of Governor Young.

Resolved, that we highly approve of the prompt and decisive course of his Excellency and the Legislative Assembly in endeavoring to repel the mad and infuriated course of the rulers of our nation to force upon us men contrary to the Constitution of our country, which emphatically declares that the just powers of Government are derived from the consent of the people.

Resolved, that we know most assuredly that the course taken by his Excellency towards the mob now on our borders, reported to be United States troops, has been merciful, knowing, as he did, their avowed object to bring misery and death upon an innocent and unoffending people; and that we further know that, had it not been for the confidence reposed in his wise counsels by the people of this Territory, and for his restraining influence, the justly outraged feelings of the whole community would have been manifested in a manner that would have effectually put a stop to the progress of the invaders in the early part of their movements towards our mountain home, and that they have abundant reason to thank Governor Young that they have not been sent from their present hell to a lower one, by the shortest possible route.

Resolved, that we hereby hold ourselves in readiness with our means and all our energies to sustain all Constitutional measures that may be devised by the Legislative Assembly for the welfare and prosperity of the Territory and the preservation of our Constitutional rights.

Resolved, that these resolutions be forwarded to the editor of the 'Deseret News' requesting their publication.

Resolved, that the following persons, the Committee, sign these resolutions in behalf of the citizens of Lake City:

JOHN BOURNE,
THOS. MCKENZIE,
THOS. WRIGLEY,
ARZA ADAMS,
JOHN CURRIE,
THOS. ALLMAN,
WM. McFARLIN, SEN.,
ALEX. STALKER,
STEPHEN CHIPMAN,
JOHN MERCER, Chairman.
WM. GREENWOOD, Secretary.

ALPINE CITY,

UTAH CO., JAN. 18, 1858.

The inhabitants of Alpine city, in mass meeting assembled, unanimously adopted the following resolutions—presented by their committee, Messrs. Thos. J. McCullough, John W. Vance, Davis McOlney, Morris Phelps, Richard Carlisle, L. and James H. McCarty—expressive of the sentiments of the meeting in relation to the official course of His Excellency Governor Brigham Young, his late message to the Legislative Assembly of the Territory of Utah, and also of the resolutions of the Legislative Assembly thereon:

Resolved, that we, the citizens of Alpine city, do regard the official course of His Excellency Governor Young as directed by the spirit of '76, and that we know him to be a true lover of the Constitution and the freedom guaranteed to American citizens therein.

Resolved, that we, the citizens of Alpine, do regard His Excellency as the man of our choice for Governor and Superintendent of Indian affairs, for we do know him to be an honorable man, an able statesman, a true philanthropist and a bold defender of the constitutional rights so dearly bought by our sires. We do also know that, but for the constraining influence of His Excellency, the mob forces now within our borders with the avowed intention of taking the lives of our best men, plundering our houses and defiling our females, would have met with summary punishment.

Resolved, that we do most cordially approve the message of His Excellency, of Dec. 15, 1857, to the Legislative Assembly of the Territory of Utah, as being a republican and loyal document, containing sound and constitutional doctrine.

Resolved, that we do most cheerfully concur with the free and patriotic resolutions of our Legislative Assembly as expressive of their views and feelings in relation to the official course of Governor Young; and,

Resolved, that we will uphold and sustain them

with our utmost abilities and, if required, our lives, in carrying out the constitutional measures they may adopt to sustain His Excellency Governor Young in preserving to the people of this Territory 'life, liberty and the pursuit of happiness' and our inalienable constitutional rights, guaranteed unto us as American citizens.

Resolved, that these resolutions be signed by the chairman and secretary on behalf of the citizens of Alpine city, and be forwarded to the editor for publication in the Deseret News.

Unanimously adopted and signed on the above day and date.

THOS. J. McCULLOUGH, Chairman.

JOHN W. VANCE, Secretary.

PLEASANT GROVE.

At a mass meeting of the citizens of Pleasant Grove, Utah County, Jan. 18, 1858, the following preamble and resolutions were unanimously adopted:

Whereas we, as a people, have been persecuted, mobbed and driven from city to city, from State to State; our Prophet, Patriarch and Apostles murdered in cold blood, and we finally compelled by force of arms to leave the United States:

And whereas we have sought out our homes in these isolated and sterile valleys, a thousand miles from the habitation of civilized man:

And whereas the present incumbent of the executive chair of the United States, being instigated by lying editors, hireling priests and unprincipled demagogues, has sent an army to force upon us a set of corrupt officials at the point of the bayonet:

And whereas we desire to live in peace and in the enjoyment of the rights and privileges guaranteed by the Constitution of the United States to all American citizens:

Therefore, be it resolved, that we will use every lawful means to protect ourselves in those constitutional rights to which we, as American citizens, are entitled.

Resolved, that we heartily approve of the patriotic and able message of his Excellency Governor Young to the Legislative Assembly, Dec. 15, 1857, and of the resolutions of the Legislative Assembly thereon.

Resolved, that we have the most implicit confidence in the ability, patriotism and statesmanship of Governor Young and that we will uphold and support him and the Legislative Assembly with our means, our energies and our lives, in all constitutional measures calculated to secure to us our inalienable rights and privileges as freemen and American citizens.

Resolved, that these preamble and resolutions be forwarded for publication in the Deseret News.

Resolved, that the foregoing resolutions be signed by the committee on behalf of the citizens of Pleasant Grove.

HENSON WALKER,
S. M. FARNSWORTH,
HIRAM WINTERS, SEN.,
S. F. DRIGGS,
JOHN HOLMAN.

ELIJAH MAYHEW, Sec'y.

FREEDOM.

At a mass meeting of the citizens of Freedom, (formerly Kaysville,) Davis Co., U. T., Jan. 26, 1858, R. N. Alfred, Allen Taylor, D. P. Curtis, Rosel Hyde, Charles Evans and George R. Grant, Committee, presented the following preamble and resolutions, which were unanimously adopted:

Whereas, we have been most cruelly and unrelentingly driven by mobocratic violence, in various parts of the Union, our houses burned and our property destroyed or confiscated, at the pleasure of our enemies; and,

Whereas, we have repeatedly appealed for succor at the hands of the General Government, and their only answer was, 'your cause is just, but we can do nothing for you'; and,

Whereas we have reposed confidence in corrupt officials, who have held us still while blood-thirsty assassins have imbrued their hands in the blood of many of our best men; and,

Whereas we are again threatened by an armed force, now on our borders:

Resolved, that we do most heartily and cordially approve the official acts of his Excellency Governor Young, as perfectly compatible with that divine instrument, the Constitution of the United States.

Resolved, that he is the man of our choice and that we will continue to sustain him in resisting all aggressions upon our constitutional rights and privileges as citizens of the United States.

Resolved, that the acts, memorials and resolutions of the Governor and Legislative Assembly are perfectly consistent with the spirit of '76 and that we unitedly hold in readiness our lives and property in defense thereof; the influence of lying editors, base politicians and a corrupt administration to the contrary notwithstanding.

Resolved, that the above preamble and resolutions be signed by the president and secretary, in behalf of the meeting, and forwarded for publication in the Deseret News.
