GENERAL NEWSPAPER AND BOOK AGENCY

In this Territory, begs to inform the reading public that he is prepared to receive and forward subscriptions for any Paper, Magazine or Book published in the United States or in England. Prices the same as at the Publishing Offices.

It is deemed proper to state that, in response to the solicitations of the undersigned, he has received the assurance from the largest publishing firm in New York, that "the Postmaster there will have a special mail bag made up for Great Salt Lake City exclusively, which will avoid the delay, &c., en route," heretofore matters of great annoyance and loss. With this assurance in the East, and with the patronage of the citizens of the Territory, the undersigned will give his best attention to the orders that may be entrusted to him, and hopes to see remedied, in some measure, the confusion, irregularity and losses of mail matter.

AMERICAN FORK CARDING MACHINE.

WARRANTED to give satisfaction when wool is good quality, properly prepared by washing, picking and greasing.

I have two experienced carders from the woollen manufacturers of the Old Country, who run the machine day and night when required, and can card from 200 to 250 lbs in the 24 hours of good wool. So bring on your wool; you won't need to wait for it long. My store room is full of rolls; come take them away and bring on the balance of your wool, for I want to get the carding done up before the sugar cane comes on, the same water power being required for my sugar machine, which is also new from the States last season.

I am paying \$25 per cord for good RED PINE BARK, and want twenty cord more.

I want Hides, Skins, Butter or Lard that is not fit for cooking, for which I will give the Tithing-office price in exchange in boots, shoes, &c. 20-6
