SUDDEN DEATH
OF ELIJAH LARKIN

Old and Respected Citizen Suc-
cumbs to an Attack of
Bright's Disease.

A. O. U. W. IS SUED FOR \$2,000

New Year Weddings—The Contest for
Judgeship Will be Held Feb. 4—
Judge Howell's First Case.

Ogden, Utah, Jan. 5.—Elijah Larkin, a former resident of Ogden, where he is remembered in very high esteem, and where he has three generations of descendants living; succumbed to a sudden illness yesterday morning at Ophir, in Tooele county. Mr. Larkin resided a few miles from Ophir, and the day before Christmas drove over from his home to that of his daughter, Mrs. Bates, to spend the Christmas holidays. On the way over he was seized with illness, which increased so that he had to be carried from the buggy to the house when he arrived at his destination. When a physician arrived it was found that he was suffering from an attack of Bright's disease, and from that malady he never recovered.

Mr. Larkin was 75 years old and was born at Cambridge, England. He came to Utah over 50 years ago and for a long period was a deacon of the First Presbyterian church. For a number of years he was employed in Ogden as a watchman for the Southern Pacific, discharging his duties with a faithfulness which won him the highest esteem of the officials of that system. He was first counselor to the Bishop of St. John's ward, Tooele county, and was an active worker in all church affairs.

Funeral services will be conducted at Salt Lake City on Sunday.

COL. GEORGE M. HANSON.
The honored position of commissary general on the staff of Gov. Cutler has been tendered George M. Hanson, deputy county treasurer of this city, with the title of colonel. This position has been tendered to him because of his excellent work in the ranks of the Republican party. He is deserving of the position. He will succeed W. J. Sheehy who was in the same position on Gov. Wells' staff.

Charles G. Parker, 25, and Miss Della Powers, 18, both of Hooper, Weber county.

Harry K. Bennett, 27, of Rawlins, Wyoming, and Miss Minnie Peckham, 20, of Ogden.

Prof. Balantyne desires that all members of the tabernacle choir attend practice tonight to prepare music for conference this month.

The funeral services over the remains of John Marshall will be held at the Pleasant View meetinghouse Friday afternoon at 12 o'clock. Interment at North Ogden.

A. O. U. W. SUED FOR \$2,000.

An action was filed yesterday by Melvin Johnson against the grand lodge of the O. O. U. W. of jurisdiction of Utah, Idaho and Wyoming, and against Mulligan lodge 22 of that jurisdiction. Mr. Johnson claims that he is entitled to a beneficiary certificate in his favor from Mulligan lodge in May, 1903, and that he died in July, 1904, having complied with the necessary requirements of the order to entitle him to receive the \$2,000, but that the lodge has refused to pay the claim.

Inquiry at the office of Grand Recorder David Thorburn brings out the fact that the refusal of the lodge is based on the circumstances that Johnson had failed to pay his dues and was suspended at the time of his death, and that as a matter of fact he never paid to Mulligan lodge more than two or three months' dues. The lodge carried him for eight months and he was then suspended and had been suspended for two months before his death.

CONTEST FOR JUDGESHIP.

Judge Charles W. Morse was in Ogden yesterday, to the setting of the case of Daniel Hamer against James Albert Howell, wherein the plaintiff seeks to have the present district judge declared ineligible to office on account of alleged bribery in election. The proceedings were brief. The attorneys representing both sides agreed on Feb. 6 as the earliest practicable date for hearing Judge Howell's case.

DISTRICT COURT.

Judge Howell yesterday began his duties in the second district court as district judge, and the first case to come before him was an action for divorce. In a very short time the divorce was granted, the decree signed and the plaintiff left the court house with a certified copy of the decree giving her the divorce and the custody of the children. The case was that of Marie L. Stoddard, who sued Edwin Stoddard for divorce. The defendant did not appear to defend the suit.
