NUMBER 300

FIFTY-SECOND YEAR

## FUSIONISTS CARRY GREATER NEW YORK

Seth Low Elected Over E. M. Shepard by Plurality of 29,864—Crocker Has Not Retired From Tammany Leadership.

New York, Nov. 5.—Complete unofficial returns from Greater New York give Seth Low, Fusionist candidate for mayor, 234,922, and Edward M. Shepard, Democratic candidate, 255,128, making Low's plurality 29,864.

Edward M. Grout, Fusionist candidate for controller, received 229,713 votes, and Wm. Ladd, Democratic, 254,737, making the plurality of the Fusionists 44,976.

Unofficial returns from every election district in New York county give William Travers Jerome, Fusionist, a lead of 15,839 over Henry W. Unger, Democrat, in the race for the district attorneyship. The vote of the two follows:

Jerome.....163,659  
Unger.....147,820

A revised recapitulation of the vote on president of the board of aldermen with every district reported shows that Charles V. Fournier, Fusionist, has George M. Van Hoesen, Democrat, beaten by a plurality of 31,334.

Complete unofficial figures from the borough of Queens show that Joseph Cassidy, Democrat, has defeated Doherty, Fusionist, for the presidency of the borough by 3,953 plurality, in a total vote of 24,921.

Complete unofficial returns show the election of Louis P. Haffen, Democrat, as president of the borough of the Bronx with a plurality of 1,470 over Wells, Fusionist. The vote was: Haffen, 19,509, and Wells, 18,039.

Complete figures from the borough of Richmond give the presidency to George Cromwell, Fusionist, with a plurality of 483 over Nicholas Muller, Democrat.

Complete and revised returns from Kings county show the election of Guden, Fusionist, as sheriff, over Hesterberg, Democrat. The vote was: Guden, 108,069, and Hesterberg, 94,244.

Complete revised returns gathered, unofficial, show the election of the following justices of the supreme court:

Morgan J. O'Brien, Democrat, and Fusionist, 10,000; Greenbaum, Fusionist, 10,000; A. Blanchard, Fusionist; John Proctor Clarke, Fusionist; Clarke, who got the smallest plurality of any of the men elected, leads Charles W. Dayton, the nearest man to him on the judicial ticket, by 6,115 votes, and beat Robert A. Van Wyck, the present mayor, by 23,080.

**LOW'S SALARY.**  
Seth Low, as mayor of Greater New York, will have a salary of \$15,000. He will, in the first place, have the privilege of appointing such clerks and assistants in the mayor's office as he may choose. The first of the appointments in his disposition is that of a private secretary at a salary of \$5,000. He may appoint commissioners and heads of departments to succeed the present incumbents in most of the executive departments of the city government.

**CROCKER STILL TAMMANY LEADER.**  
Richard Crocker denied today that he had given up the leadership of Tammany Hall or that he would do so. Mr. Crocker said:

"The report that I am to quit politics is absolutely false, and it is not true that I am to sail for Europe at once. I am in good health and I shall stay right here for some time to come."

**STATEMENT OF MAYOR-ELECT.**  
Seth Low gave out a formal statement, in which he said:

"The outcome of this election is a splendid vindication of Universal Suffrage. From all parts of the city have come the votes that have rebuked the Tammany orgie of the last four years. All the patronage of the city

Doubtful—Cecil, 5; St. Mary's, 2. Total, 74.

The total vote of the general assembly on joint ballot is 151, requiring 61 votes for a majority. The membership of the senate is 26, and the house is 95, of which 46 is a quorum. The Democrats thus appear to have a majority of both houses.

Shortly after noon today it was announced here that Allegheny had given the Democrats a majority and that the entire legislative ticket is almost certainly elected, including five members of the lower house and a state senator. This news makes it almost certain that the Democrats will control both branches of the legislature as Allegheny has been regarded as a Republican stronghold and both sides placed it in the Republican column as a matter of course. It is the home of United States Senator Wellington and of former Governor Lloyd Townends.

**SAN FRANCISCO RETURNS.**

**Labor Unionist Elected Mayor, Meaning Much in Coast Politics.**

San Francisco, Nov. 6.—The complete vote for mayor is: Schmitz, (Union Labor), 21,806; Wells, (Rep.), 17,697; Total, 39,503.

Eugene E. Schmitz, the newly elected mayor, is a professional musician, and is also part owner and manager of the Economy Gas Engine company, a manufacturing concern. He was born in San Francisco, thirty-seven years ago, and for several years has been leader of the Columbian theater orchestra. He is a graduate of the University of California, and took the law at Stanford.

The success of the Union Labor party brings a new and important factor into California politics. Last May the members of the "commodore" club went on strike and the City Front reformation, composed of stevedores, marine firemen and other waterfront employees, struck in sympathy. The employers' association, composed of the principal merchants and manufacturers, was organized to oppose the strikers and there was a bitter struggle lasting for several months. The strikers held out for a formal recognition of the unions and the employers refused to accede to their demands. The men went back to work with the understanding that their employers would not discriminate against them because they were union men and that non-union men should not be discharged to make room for union men. The result of the struggle was the formation of the Union Labor party and the nomination of a complete union municipal ticket.

The labor men evidently voted solid for the head of the ticket, but scattered their votes on candidates for other offices. They may elect three supervisors. The patronage may go to the Republicans, while the Democrats will elect nine out of the eighteen supervisors. Under the new charter the mayor has great power, and appoints the boards of education, the liquor men, police, park and fire commissioners.

The complete returns for sheriff show the following result: Lackmann (Rep.), 56,788; Loughery (United Labor), 17,483; Wardell (Dem.), 6,180.

**REPUBLICANS GAIN IN OHIO.**

**Did So Almost Everywhere Except Columbus and Cleveland.**

Columbus, O., Nov. 6.—Revised returns today show that the Republicans gained almost everywhere except Columbus, where defeat overtook them. Gov. Nash's appointments and "local option" caused great Democratic fighting and in Cleveland where factional fighting and in Cleveland where factional fighting and in Cleveland where factional fighting.

Wherever "local option" was made a distinct issue, as in Franklin county, the home of the author of the old "Clark local option bill," the liquor men won. Last night it was said many Free Silver Democrats did not vote, but today the Free Silver Democrats resent this charge and say that Kilbourne was one of the most ardent admirers of Bryan.

While various causes for the result are mentioned by the Democrats, including the superior organization of the Republicans, the Republican leaders say their success was mostly due to the endorsement of President Roosevelt, Senator Foraker and Gov. Nash, and the desire to perpetuate the principles that were embodied in the McKinley when he became governor ten years ago.

Chairman Dick at noon gave out the following:

"We have heard from 53 counties, 35 still being out, including Cuyahoga. These 53 counties show gains of 27,715 over two years ago which, added to Nash's plurality in 1899, makes a Republican plurality of 125,000.

"With Cuyahoga county conceded to the Democrats the Republicans have 21 of the 33 state senators and 70 of the 110 representatives, with a probable increase when the other 34 counties have reported."

Since noon Chairman Dick, on the percentage of gains estimated the missing counties and this indicated that complete returns may make Nash's plurality over \$5,000 and the rest of the ticket considerably above that figure.

**HAMILTON COUNTY FOR NASH.**

Cincinnati, O., Nov. 6.—Complete unofficial returns from Hamilton county show the following vote for governor: Nash, Republican, 42,678; Kilbourne, (Dem.), 38,595; Finney, (Prohib.), 242; Jurgens, (Social Labor), 829; Richardson, (U. R.), 12; Thompson, (Socialist), 3,170. Plurality for Nash, 3,821.

The entire Republican county ticket, including 13 members of the legislature, is elected by a plurality of 12,500. Kilbourne ran about 3,000 above the average of the Democratic ticket.

The lease of the Cincinnati Southern railroad was approved by a majority of 32,287.

**NEBRASKA REPUBLICAN.**

**Fusionists Won't Admit It but Say Result is Close.**

Lincoln, Nov. 6.—The Republican state central committee today estimated the plurality for Judge Sedgwick at 7,000.

The Fusion committee will not concede defeat, but says the result will be very close. The return on records of the university show they do not differ greatly from the heads of the tickets.

All calculations were upset by the vote in some of the heretofore Republican districts, notably Nemaha, Buffalo, Lincoln, Clay and Kearney which this year gave Republican pluralities.

**DOUGLAS CO. FOR SEDGWICK.**

Omaha, Neb., Nov. 6.—With but two precincts to hear from, Douglas county and Omaha give Sedgwick, Republican, for supreme judge, 1,600 majority over Hildeneck, Fusionist.

The Fusionists have elected four county officers and the Republicans have elected their candidate to fill a vacancy in the legislature.

Indications are that the state will give Sedgwick a majority of about 7,000.

**Republicans Win in South Dakota.**

## GREAT NORTHERN EXPRESS ROBBERY

St. Louis Police Make an Important Arrest.

RECOVER \$40,000 IN NOTES.

Were of the Helena National Bank—Woman Guest of Laclede Hotel Had Them in Safe.

St. Louis, Mo., Nov. 6.—The police today made another important arrest in connection with the Great Northern express robbery of July 3 last, near Wagner, Mont., and secured a valise containing between \$30,000 and \$50,000 in notes of the National Bank of Helena, supposed to have been part of the proceeds of that haul.

A woman who had registered at the Laclede hotel as "Mrs. Rose," was taken into custody today by city detectives and escorted to Chief Desmond's office, where she confessed that she had forged the signatures of the officers of the Helena bank to the notes. Beyond that statement the woman would not say a word other than to deny any knowledge of the man named Arnold, whom the police arrested last night in connection with the robbery. The arrest was made just as "Mrs. Rose" was leaving the hotel. She carried a bag in which was a mass of twenty-dollar bills. This, with her trunk, that was just being loaded into an express wagon, is now at police headquarters, and the contents are being examined.

"Mrs. Rose" did not know how much money the valise contained. When she counted it last she said there was on hand something between \$30,000 and \$50,000. She has spent much money since her arrival in St. Louis.

Mrs. Rose was remarkably calm when she reached the four courts. At first she refused to make a statement, insisting that she had done nothing, and the judge was holding her for the board of education. She maintained that she had not been out West and knew nothing of any Montana robbery. She said she came here with her husband direct from Vicksburg, Miss., and in response to Chief Desmond's questions, said the latter place was her home. She knew nothing of any man by the name of Arnold. When questioned as to her purpose in trying to pass the money, she said she intended to go away anyhow today. Asked as to the bank notes, she said they belonged to her.

John Arnold, alias Harvey Logan, said Chief Desmond today that he was arrested at the Laclede hotel last Friday. They were assigned to room 700 on the second floor.

"I seldom say them about the hotel," said Chief Desmond. "Until they were away in the evenings. There was nothing about them to indicate they had a great deal of money. Mrs. Rose dressed rather neatly and carried her money in a small bag."

The couple gave their address as Vicksburg, and told the clerk they would probably remain two or three weeks. Mrs. Rose is small and slender. She apparently is twenty-five years old.

**HOW ARRESTS CAME ABOUT.**

The arrests came about through information filed Tuesday afternoon at police headquarters by Max Barnett, of the Globe Loan Agency.

Mr. Barnett said that a man had entered his place of business and had bought a watch, the price of which was \$35. The stranger proffered four new \$20 bills, which were accepted without question. Barnett later took them to the Mechanics' bank for deposit, but the teller would not accept them, as he believed they were a part of the bills stolen from the express train at Wagner.

Barnett went to the four courts and related what had occurred to Chief of Detectives Desmond. He gave an accurate description of the man, and said that detectives were at once detailed to find him. It was after 11 o'clock last night when the detectives located him in a Chestnut street resort. The man was with a woman, who was to draw a pistol, but the officers overpowered him before he could draw either of the revolvers he carried.

In his pockets was found \$400 in new bank bills, which the police believe to be a part of the proceeds of the express robbery. He also carried a valuable watch and jewelry.

Loughbaugh was in Chief Desmond's office for several hours and was photographed. Secret Service Agent Murphy and H. J. Hoffman, the local agent for the Pinkertons, were present. Loughbaugh was identified through Pinkerton clues issued in connection with the robbery, describing him, Loughbaugh would make no connected statement to the chief. He declined to answer questions.

The only statement he would make was that he had obtained the money in a gambling game in Memphis.

When arrested at the hotel the Rose woman is said to have told Detective Sheriff that she had forged the names of bank officers to the notes. She denied this to Chief Desmond afterward. In answering questions the woman told Chief Desmond that her home was in Kentucky, and that the money found in her possession was given her by a man named Williams. She would not give the name of the town in Kentucky or any further information about the man or the money.

**DEMOCRATS CARRY VIRGINIA.**

**Their Majority in the Legislature is Overwhelming.**

Richmond, Va., Nov. 5.—Although in the election today the Democrats polled only about 75 per cent of their vote, the result surpassed their most sanguine expectations. The negroes took little interest in the contest, and the indications are that the majority for the state will be more than 25,000. The Democratic majority in the legislature on joint ballot will be overwhelming.

**COLORADO'S VOTE.**

**Democrats Carry Arapahoe County by Big Majority.**

Denver, Nov. 5.—The returns received up to 11:30 o'clock indicate that in this (Arapahoe) county the entire Democratic ticket is elected by from 2,000 to 5,000. Some of the Democratic candidates were scratched heavily, but all are elected.

## JAMESON RAID SECRET HISTORY

Gen. Buller Threatens to Make Whole Thing Public.

A VICTIM OF CONSPIRACY.

General So Considers Himself—Will Vindicate His Reputation by Exposing Machinations Against Him.

Nek York, Nov. 6.—Gen. Buller, says the London correspondent of the Tribune, considers himself the victim of a South African conspiracy and threatens to unmask his assailants. Unlike Gen. Roberts, who rallied the political forces as well as the military forces in South Africa and did not make an enemy except when compelled to criticize subordinate generals and officers, Gen. Buller lacked flexibility in dealing with men and excited much opposition. At Westminster Buller's friends now assert that he will vindicate his reputation by exposing the machinations of the conspirators who have been traducing him and by telling the secret history of the Jameson raid and other operations. The war office will probably anticipate a parliamentary discussion by publishing the exact text of the message he telegraphed after Colenso. It can hardly fail to do this when two contradictory versions are already before the public. The army is the only branch of the government service in which the confidential character of official documents is not respected.

The men had lined up the occupants of the place at the point of revolvers and were proceeding to rob them, when Ellis, who had crept behind the counter, opened fire with a shot gun. Ship fell dead but Meus, though wounded, ran out and mounting his horse escaped. Meus formerly lived in Sherman, Texas. Ship was from Las Vegas.

**Wong Ho Released.**  
San Francisco, Nov. 6.—Wong Ho, a Chinese woman, arrested recently for being a subject of the Chinese empire unlawfully in this country, has been released by the United States circuit court of appeals on filing a bond in the sum of \$2,500, pending an appeal to the United States Supreme Court. The defendant alleges that she was born in California, and does not, therefore, come under the provisions of the exclusion act. The court commissioner decided that the evidence did not satisfy him as to the truth of her assertion, and ordered her to be deported to China.

**Whalers Return.**

Cardinal Gibbons performed the ceremony in the presence of a notable assemblage of distinguished guests. The bride was given away by Senator John P. Jones, of Nevada, a long time friend of the Patton family. It was a military wedding, and the bridegroom, his best man, Col. George B. Dyer, and all other army and naval officers present being in full dress uniform.

## SAMPSON'S COUNSEL ENTERS A PROTEST.

It is Against the Inclusion in the Record of Statements Deemed to Reflect on The Admiral's Conduct.

Washington, Nov. 6.—E. S. Shealy, acting on behalf of Stanton and Campbell, who was retained by Admiral Sampson to look after the latter's interest before the court of inquiry, today sent a letter to the court of inquiry protesting against the inclusion in the record of certain statements deemed to reflect upon Admiral Sampson's conduct at Santiago. The letter is addressed to Admiral Dewey as president of the court and is as follows:

"I, while fully cognizant of and abiding by the decision of the court that Rear Admiral W. T. Sampson U. S. N. is not a party interested and that notice will be given the admiral when the court so considers him, I have the honor to make the following request on behalf of the admiral:

"Arguments of counsel being matters of record in the case and receiving wide circulation with the public, it is respectfully submitted that argument by counsel upon matters regarding the official acts of Admiral Sampson which he has not been permitted to defend and which the court by an expressed ruling has excluded from the evidence in the case, is eminently improper and it is respectfully requested that the statement made by counsel for Admiral Schley in argument yesterday at the afternoon session to the effect that Admiral Sampson permitted the Spanish cruiser Colon to lie in sight without attacking her, from the time of his arrival on June 1, 1898, to about 10:35 a.m. of that day, be either stricken from the record in the case or evidence be introduced by which Admiral Sampson may be permitted to defend such a grave accusation involving his honor as a naval officer."

"It is further most earnestly and most respectfully requested that counsel in the future be restricted to the evidence advanced as regards the official acts of Admiral Sampson and not be permitted to include those matters expressly ruled out by the court and which the admiral has not been permitted to defend, by preventing a manifest injustice and the introduction of accusations against the admiral in the record by indirect means, which was deemed improper by the court by direct means."

## TEN PEOPLE YOUNG ITALIAN PERISH BY FIRE. GETS SIX YEARS.

**HURLEY THEATER BURNS. A NEW TRIAL WAS DENIED.**

C. W. Cleveland.  
H. P. Clifford.  
Thomas Leclair.  
George Benet.  
H. D. Emory.  
Timothy Ryan.  
F. L. Gay.  
Thomas O'Zanne.  
Harry Raymond.  
Clara Bonne.

**SERIOUSLY INJURED.**

Jennie Bender.  
Arlene Scott.  
Laura Russell.  
Billy McLaughlin.

All of the dead and injured were connected with the theater as performers. Most of them lived at Hurley and Thomas Leclair was a brother of the proprietor of the theater.

The fire started on the stage and in a few minutes the entire structure was a mass of flames. The third story was used as sleeping quarters and the fire spread so rapidly that it was impossible for the occupants. The theater building was quickly consumed and Ironwood fire department was called to the assistance of the Hurley firemen and only by the hardest work was the town saved from being wiped out.

The loss on the theater and other buildings burned will amount to \$17,000. The charred remains of six of the victims have been recovered and the search is being made for the others. The Kionike theater burned once before in July, 1887, when eleven women lost their lives.

**Usual Result in Iowa.**

Des Moines, Ia., Nov. 5.—The result in Iowa is remarkable. With a marked falling off in the vote throughout the state, the loss in some precincts being 40 and 50 per cent in the total vote and the average loss for the state being one-fifth of the total of two years ago, A. B. Cummins, the Republican candidate for governor, has been elected by a plurality of something like 50,000, the largest ever given a governor in this state.

The entire Republican state ticket is elected by similar pluralities and some extraordinary gains have been made. Chairman Spence, of the Republican state central committee, said at midnight: "We will carry the state by 50,000 and will make good gains in the legislature."

**GRANTVILLE ELECTION.**

Republican and Citizens' Ticket Draw the Plums.

At Grantville the Citizens' ticket was chiefly elected as against Republican nominees. However, the hand of the ticket went Republican by three votes, giving the office to Gustave Anderson as against Geo. Hammond. The following named persons were elected: Mayor—Gustave Anderson (R.). Recorder—J. J. Huntington (C.). Treasurer—Alpha Englund (C.). Marshal—David Judd (C.). Justice of the Peace—Geo. Judd (C.). Councilmen—Wm. Spry (R.), W. J. Clark (R.), Alex. Johnson (R.), A. K. Anderson (C.), R. T. Brown (C.).

**Nephi Republican.**

The election passed off quietly at Nephi. It is evident from the returns that the Republicans have elected their entire ticket, with the exception of treasurer, Mrs. M. E. Paxman (D.) winning by a majority.
