SUMMONS.

In the District Court in and for the Third Judicial District of Utah Territory, County of Salt Lake.

Henrietta Brewer, Plaintiff, vs. John J. Brewer, Defendant.

The People of the Territory of Utah send Greeting:

To John J. Brewer, Defendant.

YOU ARE HEREBY REQUIRED TO appear in an action brought against you by the above named plaintiff in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county; or, if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to have a decree of this Court, dissolving the bonds of matrimony existing between plaintiff and defendant—awarding to plaintiff the care, custody and control of their four minor children, to-wit: Lillie, Clara, Lorenzo and Chester—adjudging that defendant pay the expenses of this action, counsel fees herein and such sum for alimony as to this court may seem just for her support, and for general relief.

Upon the ground that for more than one year next prior to the commencement of this action, and from the fourteenth day of August, 1888, said defendant, disregarding the solemnity of his marriage vows, wilfully and without cause deserted and abandoned the plaintiff, and ever since has and still continues so to wilfully and without cause desert and abandon plaintiff, and to live separate and apart from her, without any sufficient reason, and against her will and without her consent. That the defendant for more than one year last past has failed and wilfully neglected to provide for the plaintiff the common necessaries of life, because of idleness, profligacy and dissipation.

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the court for the relief demanded therein.

Witness, the Hon. Charles S. Zane, Judge, and the Seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 4th day of October, in the year of our Lord one thousand eight hundred and eighty-nine.

NOT FORGOTTEN.

Celebration of the Anniversary of the Birthday of Abraham Lincoln.

POLITICAL FIGHT AMONG CANADIAN LEGISLATORS.

News From the Nation's Capital.—A Trio of Railroad Accidents, Etc.

By Telegraph to the NEWS.

LINCOLN'S BIRTHDAY.

Yesterday's Celebration in Chicago, New York and Ohio.

CHICAGO, Feb. 12.—At the Central Music Hall tonight 3000 people celebrated the birthday of Abraham Lincoln. The Lincoln Council of the National Union conducted the affair. Hon. John M. Thurston of Nebraska was the orator of the evening. His address was received with great applause. Among other things, he said that on the scroll of honor the name of Lincoln was written first, and the colossal statue of his fame stood forever before the American people. The sunshine of an approving heaven rested upon it and over it calmly floated the unconquered flag of the greatest nation of earth.

THE NEW YORK COMMEMORATION.

NEW YORK, Feb. 12.—The republican club at Delmonico's tonight commemorated the 81st anniversary of the birthday of Abraham Lincoln. Cephus Brainard presided and I on either side of him were Senator Cullom of Illinois, Senator Davis of Minnesota, Dolliver of Iowa, Bingley of Maine, Governor Lounsberry of Connecticut, General John C. Fremont and Chauncey M. Depew.

Letters of regret were read from Vice-president Morton, Hannibal Hamlin, John Hay, ex-President Hayes, Governor Hoadley, General Sherman Speaker Reed, Secretary Rusk and others.

Senator Cullom was the first speaker and spoke to the toast, "Abraham Lincoln." He spoke of him as the savior of the Union and the liberator of four millions of slaves. "The fight," said the speaker, "must go on in accordance with the creed of Lincoln in favor of liberty and justice to the people of all classes, colors and conditions in our land, until every man shall stand equal before the law and equal in social and political rights with no system of intimidation at the election polls or fraudulent counting when the polls are closed. The fight must go on until honest elections are secured; until

THE MERCILESS MONOPOLIES

that subordinate the interests of the great body of the people are suppressed and until trusts and combinations, prompted by greed and inordinate avarice, shall be broken up."

Senator Moody of South Dakota said in the case of South Dakota the principle of self-government was ignored and denied for years. The exigencies of party politics, the exhibition of partisan malice for years, demanded that the American principle of self-government should be violated and denied in her case, because the Union soldiers within her boundaries voted by a majority of 9,000 the republican ticket.

Congressman Dolliver of Iowa, while speaking, said that no political party can live upon its record alone. The party must meet the new questions of the day, and must complete its unfinished business. The time is coming when no man shall dare to present himself for the oath at the bar of the American House of Representatives from a community where the vote has not been freely cast and honestly counted. The man who in this latitude clamors for the Australian system of voting without breaking his partnership with the Mississippi system of counting votes is an obvious humbug, whether he happens to be the Governor of New York, or by the grace of the solid South, President of the United States. The republican party intends to take up this matter under the head of unfinished business, and I thank God we have a man in the chair of the House of Representatives great enough in body and brain to deliver that curious assembly from the seedy politicians who have for years kept famous for motions to adjourn.

BY THE OHIO REPUBLICANS.

COLUMBUS, O., Feb. 12.—A Lincoln banquet, under the auspices of the Ohio Republican Club, occurred tonight, and was largely attended by distinguished republicans from Ohio and other States.

Row Among Legislators.

OTTAWA, Ont., Feb. 12.—There was a warm fight in the Commons today. Charlton, member for Oxford, asked the Premier if the attention of the government had been officially called to the disgraceful Hull riot last night. He charged the First Minister with palliating and winking at such outrages in order to escape the Roman Catholic vote.

Sir John MacDonald replied warmly, resenting the charge. The matter, he declared, was for Quebec to look after. The federal authorities had no jurisdiction. He charged Charlton with endeavoring to fan into flame the embers of race and creed strife between the French-speaking Catholics and the English-speaking Protestants. Charlton essayed to reply, but the Speaker ruled him out of order, and then ensued a tremendous uproar. Hon. Peter Mitchell tried to move an adjournment, and the uproar continued, until Blake rose and defended the government against Charlton. The latter again tried to speak, when cries, groans and hisses drowned him out. The members left their seats and thronged the aisles, while the visitors leaned over the gallery rails, hissing and groaning. Finally, to prevent open riot, the Speaker left the chair. After a short time, however, Charlton subsided, and the business of the house was resumed.

ACCIDENTS, ETC.

Three Railroad Disasters.—A Village on Fire.

YOUNGSTOWN, O., Feb. 12.—Wm. H. Marsteller and wife were struck by a passenger train today at a crossing and killed.

KILLED INSTANTLY.

BIRMINGHAM, Ala., Feb. 12.—A collision occurred this morning on the Alabama & Great Southern, near Coaling, Ala., between a special excursion, carrying over a thousand passengers, and an accommodation. Engineer Doolittle was instantly killed and some ten or fifteen persons on the accommodation badly hurt, but it is thought none fatally. None of the passengers on the excursion train, which was en route to New Orleans, are reported killed. They were from Chicago and points in Omaha and Illinois.

CRUSHED TO DEATH.

ALBUQUERQUE, N. M., Feb. 12.—An accident occurred in the Atchison, Topeka & Santa Fe yards this evening, whereby Engineer William Taylor lost his life, though he saved his train and prevented injury to the passengers. The train, No. 1, from the north, was five hours behind and came into the yards at a high rate of speed. A switch was open and into this the train went and was met by the yard engine with a heavy train. The yard engine was wrecked. The fireman of the passenger train and the switching crew saved their lives by jumping, but Taylor, who remained at his post, was so badly crushed that he only lived a few minutes.

A VILLAGE ON FIRE.

ROME, N. Y., Feb. 12.—At midnight a large fire is raging in the village of Camden, eighteen miles distant. Its extent is not known, and it is not possible to learn tonight.

GIVEN UP AS LOST.

GLOUCESTER, Mass., Feb. 12.—The schooner *Jesse A. Chapman*, engaged in the herring trade, sailed from St. Pierre January 16th. As the schooner is now long overdue it is feared she has been lost in a hurricane on the night of the sailing of the *Chapman*. She carries a crew of seven men and one passenger.

THE CAPITAL.

Federal Election.—Law for Mississippi.—The Apache Prisoners.

WASHINGTON, Feb. 12.—Hon. J. B. Chalmers of Mississippi made an argument today before the House committee on elections, the President and Vice-President on the subject of the necessity of a federal election law for the State of Mississippi. He said he would trust his life with a Southern democrat, but declared when they stole or robbed the ballot boxes they thought they were doing the Lord a service. Congress should pass an act to enforce in the South the Fifteenth Amendment. Congress had a right, he said, to provide a federal election law. It was not necessary to apply the remedy where it was not needed but where it was needed. There it should be applied. He favored the bill introduced by Kelly of Kansas, with some modifications.

CENSUS APPOINTMENT.

William Anderson was today nominated for supervisor of census for the Second District of California.

COAL LANDS.

Senator Wolcott today introduced a bill to authorize the acquisition of lands for coke ovens and other improvements, and for a right of way for wagon roads, railroads and tramways in connection with coal mines. The bill provides that any person or association qualified to enter coal lands, or any corporation owning not less than 640 acres of coal land and desiring to open and operate the same shall be entitled to take and enter at the proper land office not exceeding 160 acres of public lands, for the purpose of erecting a suitable plant necessary for the operation of such coal mines. The bill also grants a right of way to any person over any public land for the purpose of constructing wagon roads, railroads or tramways used in connection with the operation of the mines.

THE BALLOT-BOX INVESTIGATION.

After hearing a number of witnesses, developing nothing of importance, the ballot-box investigating committee discharged all the witnesses and took an adjournment, subject to the call of the chairman.

Before the committee adjourned Governor Foster resumed the stand for the purpose of making an explanation of various matters which were spoken of in the course of the investigation. He referred to various incidents which tended to confirm in his mind the belief of the genuineness of the ballot-box paper. Wood never told him the names would not stand nor did he use any words calculated to put Forster on his guard in any manner. The Governor never had said to Wood or any one that he would use the paper on Butterworth. Foraker denounced Wood as a notorious forger and perjurer, and declared he courted seventy-nine unqualified and unmitigated falsehoods in his (Wood's) testimony. The affair has been to him a very bitter experience, mortifying and humiliating to the last degree, but from the beginning to the last there had never been a moment when all the world might not have had all the information he had. He would think to the day of his death that behind all this there was some sort of a paper, but he did not want any man to imagine that anyone whose name was on that forged paper was on the paper he believed to have existed. He did not believe Wood could have conceived the contents of the paper out of his own imagination and must have received aid from some other paper or person.

Wood resumed the stand for a few minutes and asserted that the whole thing originated with Hadden. He never saw any paper, but what Forsaker and Hadden had said was impressed on his mind when they talked about the ballot-box contract. He thought they knew what they were talking about. Hadden told him the Governor wanted a "bluffer," and Foraker got a "bluffer" to bluff Ben Butterworth. Wood declared he understood the paper was never to leave Foraker's hands, but was to be used as a bluff.

THE APACHE PRISONERS.

General Miles, General Armstrong and Governor Wolfley of Arizona will appear before the House committee on Indian affairs Friday next in connection with the resolution by the committee providing for the removal of the Apache prisoners now confined at Mount Vernon barracks, Alabama, to Indian Territory.

PILOT FEES.

The House committee on merchant marine and fisheries has, by a vote of 7 to 6, authorized a favorable report on the bill introduced by Representative Dingley of Maine, exempting American coastwise sailing vessels, piloted by their licensed masters or by United States pilots, from obligations to pay State pilots for services not rendered.

MORGAN'S NOMINATION.

In executive session the Senate finally disposed of the nomination of Morgan to be Commissioner of Indian affairs. The case was discussed for nearly four hours. The roll call showed 38 votes in the affirmative and 16 in the negative, so General Morgan was confirmed. Two republicans, Ingalls and Pierce, voted against his confirmation. Plumb and Davis were not present, but were paired against confirmation. Five democrats voted for the confirmation—Blodgett, Colquitt, Pugh, Reagan and George. A roll call on confirming Dorchester's nomination disclosed the lack of a quorum and the Senate adjourned.
