

TELEGRAPHIC. A CRANK ENTERS A BANK

Where He Demands a Sum of Money
from the Vastly Teller.

New York, Oct. 19.—A crank entered the First National Bank today, and demanded of the teller a sum of money. The teller, who was a woman, refused to give him the money, and he threatened to shoot her. He was then taken to the police station, and is now in custody.

Horrible Results OF NEGLECTED OR WRONGLY TREATED CATARRH.

The New Treatment of Dr. Shores
Proves to be Absolutely Safe, and
Dread Disease in all its Malignant
and Unlikely Complications—A
Case in Point.

Mr. Hendley is well and favorably known, and has a large circle of friends and acquaintances. He is a man of high character, and is well respected in his community. He is now suffering from a severe case of catarrh, which has resulted in a number of complications. He has been treated by several doctors, but without success. He has now come to the attention of Dr. Shores, who has treated him with great success. He is now well, and is able to resume his usual life.

WANTED.
