**Great Salt Lake City Cemetery.**  
**THE** citizens of Great Salt Lake City are respectfully notified, that I am appointed by the City Council, City Sexton, and that I am now ready to dispose of lots in the burying grounds. There are choice lots in the new survey that are not taken up, and as the Corporation design to put up a substantial fence around the grounds, citizens would do well to make early selections, and thereby assist in beautifying "THE CITY OF THE DEAD." A map of the grounds may be seen at my office.

Persons wishing to bury upon their own lots in the cemetery, are required by law to report the same to me previously to burial, stating the cause of death, place and time of birth, and medical attendant. (If any).

## BUSINESS NOTICES.

Home Manufacturing and EXCHANGE DEPOT  
W. EDDINGTON,

In order to further the interests and object of the Deseret Agricultural and Manufacturing Society, with its numerous Auxiliaries, and obviate the difficulty and inconvenience of persons having to traverse a large portion of the city, before a purchase of several items can be made, designs opening the store next to, and south of Hooper & Williams' establishment, on East Temple street, where all kinds of

## PRODUCE, AND HOME MANUFACTURED GOODS

will be received for sale and exchange.

The present scarcity of cash, together with the late counsel of the Presidency, and other circumstances, make obvious, to both the manufacturer and consumer, the necessity of contributing to the above object.

A hint to the wise will be sufficient, and further comment unnecessary. Bring along your produce and goods of every description, and practically effect what we have recently talked so much about. 25-3m

## WILLIAM PAUL &amp; SONS, ARCHITECTS AND BUILDERS,

A little north-west of Mr. John Sharp's, on the bench.

## NOTICE TO FARMERS.

**THRASH** your grain as soon as it is harvested. Past experience has proven to all, that wheat that is put up in a stack to stand until winter has been mostly destroyed by cattle and mice. Having selected and brought through a machine that is well adapted to the grain raised here, and having had long experience in the business, I hope to merit a liberal share of public patronage. Brethren in the adjoining valleys can see me at my residence on Big Cottonwood, or in the 12th ward in G. S. L. City.

As there has been much waste of grain by improper feeding of animals, I will be responsible for all unnecessary waste. 13-19 MILO ANDRUS.

## A CARD.

**DR. FRANCE** begs to notify the public that he has, for some time past, discontinued the practice of Medicine, &c.; and hopes in future the brethren will cease applying to him for professional advice, his whole time being now occupied in manufacturing.

He also takes this opportunity of reminding those who are indebted to him, for past services,—that finding it necessary to eat, like other men, in order to sustain life—the payment of that which is due is indispensable, not only for present subsistence, but also to forward the extensive operation now in progress, and contemplated by the firm of W. C. Staines & Co.,—works in which all are, more or less, immediately interested.

Having neither time nor inclination to collect debts, and desiring forthwith to close up all business pertaining to medical practice; those who do not now come forward (whilst means are abundant) will find their names handed over to their bishops, to be dealt with according to the law of Zion.

**WE** take this method of informing the Citizens of this place and surrounding country, that the 15th ward Tannery is now in operation; and design keeping on hand a large and well assorted stock of leather of every description, which shall not only surpass anything heretofore manufactured in the Territory, but shall equal, if not surpass anything brought into this market for sale.

The mechanical branch of this business will be carried on under the direction of A. L. Call at Townsend's building, East Temple st., 2 doors above Kimball's store, and satisfy yourselves by a thorough examination of the article.

Hides of every description purchased. We the undersigned workmen of leather, take pleasure in recommending to the public, the article furnished by the 15th ward tannery of this city, and pronounce it equal if not superior to any leather, domestic or imported, ever offered for sale in this market.
