er, but was not permitted to. The witness said her husband was led to suspect what her relations with her uncle had been because of a remark which the latter made. She declared that her uncle's mistreatment covered a period of about six years, and that it continued up to and including the night after her civil marriage to Ter-

she told of the circumsciances which ted her to kill her uncle, Gaetano, and her aunt, Conetta. She said that her husband, after listening to her confession, told her that she was no longer his wife and thereupon left her.

She remained alone during the fol-lowing 10 days, subject, she said, to the influence of haflucinations, in which her uncle appeared. Whenever he ap-peared a voice said, "Kill him!" Each night, the witness continued, she would dream or imagine that she was in the presence of God, and there again she would hear the words "Kill your un-

cle." At the end of 10 days, the girl said, she went to her mother's house and was turned away. The mysterious yize became more insistent and their directions more pointed, telling her to buy a knife and a revolver and kill. When armed and on her way to their batise for this purpose, she said, she had crossed herself three times and prayed to know whether she was doing right. POLITICAL AMNESTY TO BE PROCLAIMED MAY 27.

St. Petersburg, May 22 .- The long awaited political amnesty will be proclaimed May 27, the anniversary of the coronation of Emperor Nicholas II. The exact scope of the measure has not as yet been determined. It will, as anticipated, be limited, but the Constituticipated, be limited, but the Constitu-tional Democratic party is prepared, though grudgingly, to accept the act of grace from which the terrorists are excluded, recognizing, though not pub-licly, that the government is not al-together unjustified in refusing to set at large men who will be as ready as they have been in the past to shoot down or fo blow to pleces hated rep-resentatives of authority. GOT DEFINITE CURE IN THREE LEPROSY CASES.

New Orleans, May 22 .- In a lengthy report submitted to Gov. Blanchard, the board of control of the Louisiana leper ome announcement is made for th first time that a definite cure has been obtained in three cases of leprosy. The cures are manifoned in the reports of Dr. Hopkins, visiting physician, and Dr. Isador Dyer, consulting leperolog-ist. These patients have been dis-charged. It is stated in the report charged. It is stated in the report that the discase continues to spread in this state, and that the cases show evedince of a recent outbreak, and that there are certain centers of infection yet to be investigated. In some cases the disease has been carried to non-infected points by patients who es-caped from the home. The legislature is asked to locate all of the points of infection. The members of the board suggest that an appeal be made to the federal government to establish a national hospital for lepers.
