Proceedings on the Salt Lake Exchange today were very tame, the 10:00 a.m. being notably sufficient to bring an ordinary market. Sales reached a total of 11,300 shares with a value of \$428,000. The market was weak and the buyers who got on the early talking back and after their conversation, most abandoned all activity by Friday afternoon.

It was a dull day, not only confined but in the pit. Figures generally were weak and sellers were down in a dull market. Sales for the day were \$428,000. Big Shipment of Cyanides. Golden Gate Sends in a Catch Valued at \$100,000.

TWO DIVIDENDS PAID TODAY.

Dividend on the Commercial-Turning, the Pig Copper, and the Copper Bought Miscellaneous.

Another big shipment of cyanides came from the Golden Gate this morning. The same amounting to a ton of cyanide worth \$100,000. This is the product of a month's run at the Golden Gate mill which now handles on an average of 400 tons of ore daily. In a couple of months the plant's capacity will be increased six-fold, which will mean a still larger output.
