The Indians on the Winnebago reservation have gross to join the ghost dance at Resebud.

A LADY KNOCKED DOWN. BRAMARCK, N. D., Nov. 23.-Con-alderable excitement was caused last eight by an assault committee by an Indian, on Miss Wright, a stenographer, employed in the capi-

last night by an assuil committee by an indian, on Mae Wrigit, a stenographer, employe in the capi-tol. While on her way home in the evening she was acceste by an indian, and when she trick to evale him he struck her on the head and moethed her down. The coundred them field. No motive for the assault is known, and probably he was drunk. Mise Wright's in-juries are not serious. Today's advices from Standing Rock continue favoraty. Rations were issued yesterday, and Agent MeLassiphin reports only a small number of backs away. The mili-nary antiocritiker count shows that a large number db not appear, how-ever, and today a knowling pub-today in the wandering Indians. All the chools of the approx are choose on account of the excited state of the Bods. At a cound justerfay the friendly chiefs avorsed allegi-nues to the agent and referrated heir opposition to Sitting Jiuli and the MeLassi doctrine.

BRINFORCEMENTS. Br. Lores: Mo., Nov. 22.-Gen-eral Morritz commanding the De-partment of the Mississippi, in necordance with orders received from Washington, today stated that the Reventh Regiment of oavalry and a company of artiflery, with a battery of four guns, has gone from fort Riley to the scene of the trouble with the Indians by special rele. command. This story removed from the minds of the officers the last doubt of the bloodthirsty spirit that has taken possession of the Indians. FROM VARIOUS AGENCIES.

A. F. FABRAN.

There is an impression st the War Department that Milles is trying to make the Indian troubles specer as large as possible in order that he may have more credit for maintale-ring or readering preserve and order, and that his Presidential aspirations may be promoted. His boom was hunched at a tacquet in San Fran-cisco last Jaly. An officer of the War Department mid to-day: "Milles is predicting a general Indian war and virtually make that the command of the entire army be turned over to bho. He wants to create a scare and pose as the matter of the country. In fact, he is alreaded in the world that he is howed in the stiftude of a political messiah, such as the in-class themestin a time to looking for. Unave no doubt in the world that he is homestin his candidney. He has shrewdly emisted the favor of hearing every movepaper man in Cel fornia and has, by his agreeable means, managed to make himself very popular in a certain way in the Weat. He is one of the am-bidions in the streng in the is public mean in the streng and he is public and in the streng and he is means and the expenditure of his means and the expenditure of his means and the expenditure of his means in the army and he is public and in the world that
