The Sixth Ward band excursion goes South to-morrow.

There is a message at the Western Union Telegraph Office for Charles Y. Webb, Jr.

Assistant General Manager Cummings, of the Union Pacific Railway, is in the city.

The Third Quorum of Seventies will meet in the Fourteenth Ward Assembly Room this evening at 7:30.

The Sixteenth Quorum of Seventies will meet at the First Ward Assembly Room this evening, Sept. 12th, at 7:30.

The regular monthly meeting of the Third Quorum of Elders will be held to-morrow evening in the Ninth Ward Meeting House at 7:30 o'clock.

T. J. ANNEKE, Clerk.

Prof. BRESLEY requests the members of the Tabernacle Choir to attend the funeral of Brother Thomas C. Jones, in the Tenth Ward meeting-house, to-morrow afternoon at 1 o'clock, and take part in the singing.

NOTICE is hereby given that to-morrow evening, at 7:30 o'clock, the Board of Directors of the Salt Lake Stake Library will meet at the Valley House, to transact such business as may come before them, and to make arrangements for the opening of the Library.

J. M. WHITNEY, President.

Those young Salt Lake and their bicycles had better be careful as they proceed south, as, instead of painting the various towns with Salt Lake advertisements, some of the natives will be painting their beautiful countenances, not with the "Vigor of Life" but rather life's vigor.—*Manti Sentinel*, Sept. 9.

Pleaded Guilty.

The first arraignment for the September term of the Third District Court was made this morning, the defendant being George Harmon, of Salt Lake County. The indictment charged him with unlawful cohabitation with Eliza Harmon and Margaret Ann Arthur, from Jan. 1, 1886, to March 4, 1887. A plea of guilty was entered, and Mr. Harmon will receive sentence on Wednesday, Sept. 14, at 10 a. m.

Commissioners' Jurisdiction.

U. S. Commissioner Norrell rendered his decision to-day, in the motion to dismiss the case of J. Baumgarten vs. C. F. Jones et al., because of lack of jurisdiction. The Commissioner overruled the motion, holding that the Edmunds Tucker law conferred jurisdiction on commissioners in civil as well as criminal cases equal to that possessed by justices of the peace.

The Concert.

The concert to be given by Cappa's Seventh Regiment Band, assisted by Mr. Adolf Giese as pianist and the young and favorite soprano Miss Hortense Pierce, promises to be largely attended. With the reputation of these artists before us, it is safe to say that a grand musical treat will be given in the Theatre this evening.

The band and fiddlers went to Garfield this morning, and will be excellent trim for good work when they return this evening.

E. E. Brim's Case.

On Saturday afternoon E. E. Brim was brought before Commissioner Norrell on the charge of obtaining a signature by means of force and threats. The complaining witness is N. B. Booth, a resident of Indiana, who alleges that, at Ophir, Tooele County, the defendant compelled him, under threat of death, to sign a relinquishment to certain mining properties. The testimony of one witness was taken in the case and an adjournment was had till this afternoon.

Regained Their Liberty.

Yesterday the following brethren were liberated from the penitentiary, having each served term of six months for unlawful cohabitation, less the time allowed under the law in relation to good conduct: J. T. Arrow-smith, of Provo; Edwin Standring, Lehi; Sanford Fuller, Springville; Bishop George D. Snell, Spanish Fork; Carl Snow, Provo; John Gibbs, Lehi. Each paid a fine, ranging from \$50 upwards, and in most cases costs were also included in the judgment.

S. S. Walker Dead.

At 7:40 p. m. on Saturday, Samuel Sharp-Walker, Esq., died at his residence in this city. His health had been greatly impaired for many months past, there being a general breaking down of the system. The immediate cause was the failure of the stomach to perform its functions. Mr. Walker was well known as a member of the firm of Walker Brothers, and had resided in Utah upwards of thirty years. He was in his fifty-third year at the time of his death, and leaves a wife and seven children.

Death of H. S. Beatie.

H. S. Beatie, an old and well known citizen of Utah, died at his residence at seven o'clock last evening (Sept. 11) after an illness of four days, from intestinal obstruction. Deceased was the father of 24 children, and had 23 grand children. Practically he was a pioneer, having arrived in this city October 25th, 1816—two years after the first settlers. He was a native of Washington County, Virginia, and was born December 31st, 1820; he was therefore, at the time of his decease, aged 66 years, eight months and 11 days.

Horse Thief Captured.

Last Tuesday evening a young man came over from Cassia County, and undertook to pay off the national debt in the usual way. The next evening it was discovered that the horse he rode belonged to a Cassia County gentleman, who had used for that purpose. Sheriff Beeson was apprised of the fact and instituted a search, but the young man had slipped him. A few days later he was captured and returned over to Cassia County officers. He will remain in the cooler there until the next court, when Judge Hayes will probably remand him to Boise City for reflection.

Gone East.

To-day Brother Charles S. Burton and wife, of the Eighteenth Ward, left for New York. The cause of their departure is the delicate state of Mrs. Burton's health, rendering it necessary to obtain the highest skill of the medical profession that can be reached. If this is not obtainable in New York the trip will be continued as far as England. Mrs. Burton has endeavored to sell to a host of friends on account of possessing a heart almost overflowing with kindness. She carries with her her hopes and fervent wishes for her complete recovery and for the safe return home of her husband and herself. May the blessing of the Lord go with them.

A HORRIBLE SUICIDE.

Arthur Porcher Nearly Sovers His Head from His Body.

On Saturday night, about 6 p. m., occurred one of those terrible events which send a thrill of horror through the community. About 7 p. m. the body of a young man, of powerful physique, was discovered, in an upper apartment of his father's house, on Third South Street, in this city, well-entrenched in a pool of blood and with the head almost severed from the body. The floor of the room was spattered and saturated with the crimson stain for some distance around, indicating that the struggle of the strong man with death had been a prolonged and terrible. A razor smeared with blood was found beside the body, a circumstance tending to show that it was probably a case of suicide.

For some cause, Coroner Taylor was not notified of the case until yesterday morning, when he immediately took steps to enquire into the cause, of death in order to ascertain whether the man had been murdered or whether it was a case of suicide. The jury having been fully empaneled and sworn, Mr. Robert A. Porcher, father of the deceased, was placed upon the stand. He testified, in substance, that the deceased was his son Arthur Porcher, 28 years of age, dark complexioned, about 5 feet 11 inches in height, and unmarried. A little before 3 p. m. he noticed that Arthur seemed to be in a brown study about something. He was moody and silent except when spoken to, when he merely answered in monosyllables, "Yes" or "No."

Witness told him he was going up town, when Arthur asked him if he had any money and afterward handed him a razor. He then went up town to make some purchases. This was about 3 p. m. He did not get back until about 6:30 p. m. and shortly after asked Walter (another name Arthur was known by, and he replied up stairs, and that he thought he was asleep. Witness then took off his shoes to avoid waking him and went cautiously up stairs, when he discovered the dead body of his son in the condition described, and almost faint with horror at the terrible sight presented. As soon as he recovered sufficiently he ran out and alarmed the neighborhood in search of assistance.

Walter Porcher, brother of the deceased, testified that he (Walter) was lying outside of the house under a tree when his father went up town and that shortly after his father left the house he heard his brother run up stairs, and subsequently heard him pacing the floor, until about 4 p. m., when he fell asleep and awakened later with a shock from a terrible dream, with the impression that someone was calling him. He added that deceased was subject to lapses of reason, and that about eight years ago he had been sent to the asylum in this city for six months, and that about three years ago he had been locked up at the City Hall for interfering with a man on the sidewalk, and that his fits of aberration were frequent and uncontrollable; that he had no enemies and that there was not the slightest suspicion that he came to his death otherwise than by his own hand. The jurors brought in a verdict in accordance with the facts.

RAIDING IN IDAHO.

The Crusaders Resume Work in the North.

Friday morning, Sept. 24, three U. S. deputy marshals arrived at Paris on horseback about 4 a. m. They immediately proceeded to the residence of Walter Hoge, tied their horses to the picket fence and surrounded the house. Two of them guarded outside while the other went inside and made a diligent though unsuccessful search for the fugitives. The gentlemen at home to entertain the gentlemen, they again mounted their horses and called at Bro. J. U. Stuck's, Prest. Budge's and several other places in town with no better success; they did not find anybody they seemed to want. They acted very gentlemanly, however, and their actions contrast very favorably with those of Dubois' minions who took delight in terrifying defenseless women and children. Deputy Hopsen and his minions last Friday night and Saturday morning raided Ovid and Liberty, searched quite a number of houses but didn't find what they were seeking, and consequently returned to their "stamping ground" at Montpelier empty handed. The deputy marshals had better success outside of Paris. On Thursday, about 10 p. m. when the marshals were then proceeded to Preston, where they arrested Bishop Dalrymple, about 12 a. m. took the bishop to Montpelier, where they were put under bonds of \$1,000 to appear before him on Monday next when it is expected U. S. Attorney Hawley will be present to conduct the cases for the government.—*Southern Idaho Independent*.

On Saturday, the following stipulation of facts in the case of Farrell vs. Shurtliff was filed with the clerk of the First District Court.

In the District Court of the First Judicial District of Utah Territory, vs. Wm. Farrell, plaintiff, vs. L. W. Shurtliff, defendant.

Formal answer of the defendant is hereby waived, and it is stipulated that the following are the facts:

2d.—That at the regular August election in the year 1886 James Pingree, who was and is in all respects legally competent and qualified to fill said office, was duly elected as county treasurer of said county, if, at that time, an election to said office could legally be held. That at that time said R. P. Harris was still living and holding said office. That immediately after said election the said Pingree duly qualified and entered upon the duties of said office, and the said Harris surrendered the same to him, and that thereafter the said Harris has continued, and now does continue, to hold said office.
