THE CASE DISMISSED.

To the Editor:

Kanosh, Millard Co., March 4 .-- Some time last April, there was published in the Semi-Weekly a paragraph charging one J. T. Charlesworth, with a crime alleged to have been committed near Kanosh, on or about April 8th, 1899. Your correspondent no doubt gave you the facts as they then appeared to ex-

Now we claim a small space in your valuable paper, for justice to said party. On Feb. 23rd, after full and complete investigation before Justice Hopkins of Canosh precinct, the case was dis-alseed without argument, as no evi-Kanosh dence was introduced to sustain the charge, and the records of said court will show this statement to be the fact and in so far as the charge was pub-lished in the Semi-Weekly, we ask it, in justice's name, that this in refutation of same be also published.

ie, please copy THOS. CHARLESWORTH JR., Kanosh, Millard Co., Utah.

thereafter, and to have it completed (mmmmmmm) within two years. The performance at the Theater last night of two Scandinavian plays was given for the benefit of the jubilee to be

John Warr Charged With Using a held here next June, and the interest in that event was sufficiently shown by the attendance. Every seat, except in the higher regions, was occupied, and the audience, with the exception of those who had to take certains cars, remained to the last, though the two plays occupied nearly four hours.

"Adventures of a Pleasure Trip" was given first. This is a melodrama in four acts. Mr. Fritz S. Ertman, as given first. defendant is booked for a hearing be Skriverhans, an escaped convict, creat-ed a great deal of amusement and exfore Justice Alston of Sugar ward. hibited considerable dramatic talent Mr. Peter Johanson was a very hu moristic justice of the peace. Mrs. Christine Anderson and Mrs. H. M. Thrust a Crowbar Under a Locomo Lund, who played the parts of young country maidens, received much well earned applause. A bouquet of flowers was handed to Mrs. Emma Campe. Mr. Erickson and Mr. Bjørn sustained their Salt Lake, met with a painful accident

at the Oregon Short Line round house respective parts satisfactorily "A Mid-summer Night in Dalecarlia" yesterday. He was working near one of is one of the most pleasing idyls of Scandinavia. The scene is in the mounthe large engines when it began to move and Mr. Folsom attempted to stop tainous northland, where the every year at mid-summer joyously the ponderous machine by placing a elebrate the glorious culmination of crowbar under the wheel, but the mo-mentum was such that it threw the bar heat and light for the year. The pe ple from far and near gather about th down on his ankle, shattering the bone quite seriously. The youns man was May-pole and here, with music, sons and dance, they while away the night taken to the St. Mark's hospital which in that country is no night; only a glorious, ruddy twilight from late last night was resting fairly well after a rather painful operation had been sunset till early dawn. The cast o characters in the play was excellent performed. Mr. Folsom believes if he had not Miss Emma Fredrickson as Britta, the checked the locomotive it would have crushed through the building or done young girl, who at this mid-summe elebration meets her lover after a long other serious harm separation, takes her part in an artis tic manner. She completely surprised her friends. Mr. Wilford Nilson, as Hakan, the village fiddler, and Karl

Lexa, an artist, deserve special mention. The play ended with a national danc by a company of young men and maid ens, dressed in national costumes. This feature of the performance was greet ed with repeated applause. The brigh graph company, and Assistant Superin-Swedish costumes in the ever changing calcium light was a sight as unique as tendent B. Brooks, are in the city, negoit was pleasing. The full cast in this play was Mr. Carl Erickson, Emma Fredrickson, Robert Larson, Wilford Nilson, Miss Clara Johnson, Miss diating the purchase of the Descret Telegraph line. The arrangements have not as yet been fixed, but it is quite probable that the transfer will be con-Augusta Ternstrom, Mr. Nils Nilson Carl Lexa, Gustave Teudt. summated by April 1st. from the East where he has been inspecting the best church edifices in the great cities with a view to getting John Warr, a German, residing at 1224 ideas for the St. Mary's Cathedral. He east Twelfth South street, has been arstates, however, that his original plans rested on the charge of assaulting his compare favorably with anything he saw, and therefore has not been inwife. The man is said to have beat his duced to alter his plans very materwife with a club because she objected fally. The finest church edifices, he to his treatment of their daughter. The says, are the modern ones in Chicago, and the newer ones in New York. Louis has nothing to boast of. Mr. Neuhausen had quite an experience in the storm, being tied up at one place nearly fourteen hours.

ANOTHER SMALLPOX CASE

Ira Blanchard, an Employe of the Rio Grande, is Stricken.

Quarantine Physician H. N. Mayo, received a telephone message last evening to the effect that the suspicions of the people about Denver court, on Third South between Fourth and Fifth West streets were aroused by myste movements at No, 7 of that place, by mysterious

Dr. Mayo at once went to the mys-terious abode and after some reluctance upon the part of the inmates, gained admission and to his astonishment found a well developed case of small-pox, on the person of Ira Blanchard an employe of the Rio Grande Western. Blanchard has been confined to his bed wo weeks, and it has been longer than that since he had been stricker Blanchard confessed this himself and contended that he required no medical assistance as he was getting along all right. The physician, however, thought differently and lost no time in having ught Expects to Consummate Purchase of yellow flag hoisted outside of the

> Blanchard was taken to the isolation hospital this morning, and if he suffers no relapse will be well within ten days. It was developed that' a girl n Grace Evans had attended the sick man constantly up to last Sunday when she went home to her parents at \$4 West Third South. The girl, however, has been taken back to the infected house where she will be kept under the quarantine so long as it shall remain.

STOLEN BICYCLES FOUND.

Wheels Purloined Last December-Located Yesterday Asternoon.

Last evening officers Davies and Officers Ed. Davies and C. A. Sperry Sperry arrested a couple of young men did a little detective-work yesterday that resulted in making at least two persons glad. The work was the re-covery of two stolen bldycles. Several weeks ago Dr. Tillford reported the loss of his Victor "bike." About 4 o'clock It is said that the young fellows yesterday the officers located the wheel at Cline Brothers' pownshop on East First South street and returned it to

its lawful owner. Last December O. J. Cross reported to the police that some one had stolen his wheel. He is now rejoicing in its recovery. Sperry and Davies found it at Samuelson's pawnshop yesterday afternoon. The officers have a clue as to the identity of the thieves and are working on it.

There is no better medicine for the babies than Chamberlain's Cough Rem edy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing amonia or other serious consequence

es. It also cures croup and has been used in tens of thousands of cases without a single failure so far as w have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquifies the tough mucus, making it

easier to expectorate, and lessens the severity and frequency of the par-oxysms of coughing, thus depriving that branch No. 231 of the National, but it | disease of all dangerous consequences.

ived in these days he would have known that men and women who are not healthy may become so by taking Hood's Sarsaparilla. This medicine, by making the blood rich and pure and giving good appetite and perfect dlgestion imparts vitality and strength to the system.
