LOGAN.

LOGAN, UTAH, - - JUNE 1, 1896.

Cache County Notes.

One hundred and forty Germans from Salt Lake, and a number from intermediate points arrived here on Saturday morning. They were met at the depot by numbers of their countrymen from Logan and Providence. In the afternoon a German conference was held, and in the evening the German choir from Salt Lake gave a concert in the Tabernacle basement, which was well attended by both Germans and Americans. The storm that prevailed during most of the day prevented much outdoor enjoyment and visits to points of interest, but notwithstanding these drawbacks the visitors appeared to enjoy themselves.

While there were no Decoration Day services held on Saturday, the day was generally observed, all business houses and banks being closed. The cemetery was visited by thousands during the day, and its appearance transformed from an arid waste to a beautiful flower garden. A number of monuments were placed in position. The two local companies of the National Guard turned out and executed drills and fired volleys, and Milton's band from Wellsville furnished music.

Mrs. Sam Thatcher died at the residence of her father, G. W. Lufkin, on Wednesday afternoon, as the result of a severe fright and fall received about a week previously, when she was chased for a short distance by a bull. Her little babe also died. The funeral services were held in the Tabernacle on Friday afternoon, and had a large attendance. Elders Moses Thatcher, Orson Smith, L. R. Martineau and John E. Carlisle were the speakers. Mrs. Thatcher's pleasant disposition had endeared her to a host of friends, and universal sympathy is felt for the bereaved husband.

Another sad death was that of the wife of Herman Johnson, a restaurant keeper. The lady had been confined about a week and her death was caused by blood poisoning. She died on Thursday and was buried at Hyrum on Sunday the babe, a girl, survives.

Judge Judd's lecture on The American Ballot, delivered under the auspices of the B. Y. College, in the Thatcher Opera house, drew a large and attentive audience.

Decoration Day witnessed the actual dedication and setting up of the Grove monument at Paradise. The dedicatory services were held in the meeting house, and most of the congregation adjourned to the cemetery and saw the monument placed, with observances appropriate to the occasion, over the remains of the martyr to the cause of truth.

Bear, Logan and Blacksmith Fork rivers and all other streams in the valley are booming. Mr. A. G. Barber and a companion narrowly escaded disaster while fording the Bear at the Gentile valley crossing. The horses had to swim and the buggy was overturned. John Miles of Paradise had a team drowned in the stream running through the east fork of Paradise canyon, and numerous narrow escapes are reported from other places.

The Cache county Democracy meets today to elect delegates to the state convention.

Judge Rolapp paid Logan a flying visit on Friday and occupied Judge Hart's seat long enough to attend to the examination and commitment of Mrs. Elizabeth Bell of Richmond, and Mrs. Sarah J. Taylor of Logan, to the State insane asylum. Mrs. Bell is the mother of six children, and her case is a sad one. That of Mrs. Taylor is no less so. She has been very active in Relief Society and Y. L. M. I. A. work, and has worked particularly hard in the silk culture industry undertaken by the Stake Relief Society. It is hoped and believed by her friends that the alienation of her intellect will be but temporary, and that when the perfect rest and proper treatment afforded at the asylum have had time to work, reason will once more resume its sway and she will return permanently cured.

Professor Hickman delivered a very interesting lecture on Character, under the auspices of the Philomathic society of the B. Y. college, on Friday evening. Several fine musical numbers and recitations completed the evening's program.

Two balls were given on Friday evening. One by the A. C. of U. athletic association in the college gymnasium, and the other by the Elders' quorum in the Second ward, in honor and for the benefit of M. J. Ballard, who is soon to leave on a mission.

Mrs. Emma Lake of Clarkston was quite severely burned one day last week by falling on a hot stove while in a fit.

Star Valley Stake Conference.

The quarterly conference of the Star Valley Stake of Zion convened in the Afton meeting house, May 16th and 17th, 1896. President George Osmond stated the cause of the non-attendance of the brethren of the Seventies who were expected from Salt Lake City; showed how the Church had taken another step forward by the admittance of Utah to Statehood; counseled the Saints to watch and pray always; said no doubt all were disappointed in not seeing brethren from Salt Lake City, still it was our privilege to have a good conference, for the Lord has said where we met together in His name He will be there to bless us with His Holy Spirit. Bishops Osborn, Low, Freedom, H. J. Hennefi, Glencoe, John R. Thatcher, Bedford, H. Hyde, Auburn, Charles N. Porter, Fairview and William Parsons, Cottonwood, reported their respective wards in good condition. Elder Thomas Burton reported the Afton ward; said the local organizations were in good running order and the Saints seemed desirous to labor for the building up of the Kingdom of God. Elder Wm. W. Burton said we are a favored people and we should appreciate the blessings by which we are surrounded; showed how necessary it is for all to be obedient and work for the advancement of God's kingdom. Elder A. V. Call gave a discourse on the Word of Wisdom, tithing and other duties, advising the Saints not to complain but to be humble and obedient and the Lord would bless them. Elder George Osmond spoke a little on the form and manner of burying our dead, a short time all the late "declaration;" said we would be all right if we kept God's commandments, for His kingdom was set up never more to be taken away nor given to another people.

Our commodious meeting house was filled to overflowing notwithstanding the very unpleasant weather, and we had a rich outpouring of the Holy Spirit. The health of the people here is good; and although some are discouraged by the late spring, we are inclined to think that when the summer comes, if it ever does, they will still be satisfied with Star valley.

Stake Clerk.

Free Seed Distribution.

The secretary of agriculture is asking for offers of seed for free distribution, in accordance with the joint resolution of congress. All the varieties of seeds to be purchased will be subject to test by some employee of the division of botany of the United States department of agriculture. The right to reject any lot or lots of seeds which may be found to fall below the standards is reserved by the secretary of agriculture. This opportunity to sell seed is open to all the known reputable growers of and dealers in seed. The entire purchase will weigh about 300 tons.—American Gardening.

Pearl or Cat Tail Millet.

This old standby in the south produces a rank growth on rich or well fertilized soil. Florida Farmer says that it is best for well fertilized soil. It is best for green forage and can be cut through the entire summer—at least so long as it is cut enough to keep it from running up seed heads. It has a record of producing at the rate of 30 tons per acre in a season of growth of 135 days. It is of tropical origin and is well adapted to all sections of the south; can be sown any time after danger of frost is past in drills two feet apart, using seed at the rate of eight pounds per acre.

Clinton, Missouri.

Mr. A. L. Armstrong, an old druggist, and a prominent citizen of this enterprising town, says: "I sell some forty different kinds of cough remedies, but have never in my experience sold so much of any one article as I have of *Ballard's Horehound Syrup*. All who use it say it is the most perfect remedy for Cough, Cold, Consumption, and all diseases of the Throat and Lungs, they have ever tried." It is a specific for Croup and Whooping Cough. I will relieve a Cough in one minute. Contains no opiates. Sold by Z. C. M. I. Drug Store.

Ballard's Snow Liniment.

This wonderful Liniment is known from the Atlantic to the Pacific, and from the Lakes to the Gulf. It is the most penetrating Liniment in the world. It will cure Rheumatism, Neuralgia, Cuts, Sprains, Bruises, Wounds, Old Sores, Burns, Sciatica, Sore Throat, Sore Chest and all Inflammation, after all others have failed. It will cure Barbed Wire Cuts, and heal all wounds where proud flesh has set in. It is equally efficient for animals. Try it and you will not be without it. Price 50 cents. Sold by Z. C. M. I. Drug Store.

A Sound Liver Makes a Well Man.

Are you Billious, Constipated or troubled with Jaundice, Sick Headache, Bad Taste in Mouth, Foul Breath, Coated Tongue, Dyspepsia, Indigestion, Hot Dry Skin, Pain in Back and between the Shoulders, Chills and Fever, etc. If you have any of these symptoms, your Liver is out of order, and your blood is slowly being poisoned, because your Liver does not act properly. HERBINE will cure any disorder of the Liver, Stomach or Bowels. It has no equal as a Liver Medicine. Price 75 cents. Free trial bottles at Z. C. M. I. drug store.
