## BAD STOMACH MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat and if foul, turns out of order your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the stomach, liver and bowels.

"About a year ago I was ill with blood poisoning," writes Miss Evelyn Lewis, of 40 Water Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go outside the house because of my appearance. I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking four more bottles I was entirely cured. The erysipelas eruption disappeared and my blood was cleared. My complexion is clear and bright and I feel better than I have for a long time. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. The way car and two freight cars were demolished and the engine and baggage car of the passenger train were wrecked.

Henry Kwartz of Newton, Kan., fireman of the passenger train, and a yardman named Steagle, were killed, and Engineer Ramsey of the passenger train was seriously injured. The passengers were shaken up but none was seriously hurt.

The train was an excursion carrying members of the order of Eagles en route to Denver.

Plucky Special Agent.

Portland, Or., Aug. 13.—A special to the Oregonian from Tacoma says: In a running fight during which a number of shots were exchanged, Special Agent William G. Cumming of the Northern Pacific Railway today captured three desperate men, who boarded an eastbound passenger train near Sumner, and threatened to shoot Conductor Michael Heifrich. Detective Cumming and any other person who might offer any resistance.

The men were brought to Tacoma, tonight, handcuffed, together and placed in the county jail, where they gave the names of Frank Roberts, Charles E. Williams and George Ruck. Roberts and Williams were armed with revolvers and the latter wore a cartridge belt in which were 30 cartridges. Detective Cumming had just received a telegram from the St. Paul and Northern Pacific, stating that a man was on his way east, to make an investigation, when the trio was encountered near Sumner.

TURNED TURTLE.

Flying Dutchman Tips Over Off Marblehead in Calm Weather.

Marblehead, Mass., Aug. 14.—H. W. Bowden's boat, Flying Dutchman III, capsized off Marblehead neck yesterday afternoon and Mr. Bowden and two companions had a narrow escape from drowning.

The men were trying out the engine and were going at a speed of 35 miles an hour when they attempted to turn the boat, and evidently put the rudder over too sharp, and the boat did not respond, and the boat turned turtle, sending the three men flying into the water.

Mrs. Bowden viewed the accident, from the piazza and at once sent a rowboat to the rescue. Before help arrived, however, the men, after clinging to the craft, succeeded in righting her. Fortunately the master who was on board saw the accident and shut off all power. The air tanks forward and aft kept the boat from sinking. The vessel was uninjured.

Chemical analysis made today of the liquid in the bottle from which he drank shows the presence of a large quantity of prussic acid.
