The camera obscura; devil fish, mineral curiosities, giant .stride, shooting gallery, etc., etc., were well patronized by the young people, and the gardens looked fresh and pleasant.

Progressive .-- A visit to Mrs. Burrows' new store opposite Z. C. M. I. reveals the fact that she is fast becoming one of our prominent milliners. Hergoods this season are unusually fine, and include an excellent assortment of new and becoming styles for Hadies and children. She advertises them atoprices within the reach of all ibuyers. Besides keeping a full stock of trimmed millinery, Mrs. Burrows makes a specialty of trimming to order.

Ladies should not fall to give her an early call. See advt.

Jubilee Singers. - The Original Tennessee Jubilee singers will appear at the Theatre Monday and Tuesday evenings. From an immense array of press notices we excerpt the two fol-lowing: "Henry Ward Beecher says: 'ft is ran enteriainment worthy of the attensature Theatre Monday and Tuesday

"Henry Ward Beecher says: "It is ran entertainment worthy of the attention of every man, woman and child in Christendom

"OliverWendell Holmes speaks of the entertainment given by the Tennessee Jublice Singers as an evening of genu-ine amusement and pleasure."

They are the only company of jubilee singers that introduce the great "camp-meeting scene" in character.

Athletic Associasion -A meeting of this organization was held for the annual election of officers at the office of Barnes & Davis last night, at which were represented the bleygle, base ball and cricket organizations of base bail and cricket organizations of the city. This is the first annual meet-ing of the society. After a few re-marks from the President the reports of the Secretary and Treasurer were read, which were apparently satisfac-tory to all present. The reports showed that is the neighborhood of size '00 had been expended on Washing-ton S quare during the past summer, and that the society was not owing \$200 outside. cepted as follows: The Republicans of Utah in conven-. 記数, Those troubled with the meatism, who have tried other remedies and still are uncured will certainly obtain relief within three days' and generally within six hours by taking Britannia.

This great remedy was discovered by an eminent English physician of great experience, and who has never lost a Republic. Second—That protection to Ameri-can labor demands a wise tariff that shall preserve and extend American in-dustries. That the reduction of the prices of home-produced commodities at the expense of the wages of the laborer is not demanded by the people. That the great mining industries of the country demand that gold and silver should be the equal standard of the United States. patient to whom this medicine was administered. Britannia is not a lotion; no external application can permanent-ly cure rheumatism, which is a desease of the blood. Britannia is prepared with the greatest skill, and a teaspoon-full being taken in a wineglass of cold in the blood is a straight of the blood.

full being taken in a wineglass of cold water immediately finds its way to the bloood, where it corrects the pain-causing element, removes it immedi-ately by purifying the life-giving fluid, and gradually builds up the entire sys-tem. Persons who have used this valuable preparation in Utah, tell us that nothing ever heiped them as Britannia has done. Many references in Sait Lake City and elsewhere can be given
