THE FAMILY!

Twenty-five years in successful use and still the popular Family Machine. The beauty of its work and wide range of application on all kinds of material, sewing with either cotton, silk or linen thread, and its never getting out of order, have made it the pride and joy of nearly.

ONE MILLION HOMES!

It is claimed for simplicity of construction, ease of operation and management, quietness of movement and durability, are beyond controversy. Give it a trial and you will say so. Thorough instructions given in its use.

The No. 7.

This machine is especially designed to fill a want long felt by manufacturers of Clothing, and is constructed upon the same principle as the No. 6. It is capable of higher rate of speed than shuttle machines, is lighter running and can be regulated for work quicker than any machine heretofore used by.

TAILORS.

By a simple change of the presser foot it can be used for all kinds of Family Sewing and Dressmaking. Like the No. 6, it will speak its own language, and we solicit from the TAILORS of Salt Lake an examination of its merits.

The No. 6.

The attention of Shoemakers, Harness Makers, Glove and Trunk and Traveling Bag Manufacturers, and others requiring a machine for leather work of any description, is respectfully called to this.

NEW

production of our company. After experimenting for fifteen years to construct a machine upon the rotary hook principle, we offer to mechanics representing the above industries, this recent and improved invention, confident that it possesses qualities long sought for by them. The machine will speak for itself. An examination and trial are all that we ask.

SOLD
