LANSING'S APOLOGY

Withdraws the Statement and Tenders Sincere Regrets.

To Be Appears to Believe that the President Has Been Misinterpreted.

BOSTON, April 8.—Rev. Dr. Isaac J. Lansing, pastor of the Pearl street church in this city, was to an address before the New England Methodist conference at Salem last week, answered Professor Chadwick, of Minneapolis, on the light believed himself as follows on the subject:

"My utterances were based partly on personal reports and partly on the testimony of eye-witnesses from various and irresponsible sources which I believe to be wholly reliable. I had no desire to misrepresent the President and took pains to obtain correct information and to present it simply purpose to do the right as I understood it. I made the statement as a matter of common report, and as a matter of personal knowledge, and I supposed, and that if my statements, as I understand them, are found to be incorrect, I cannot too soon withdraw them. I have no desire to misrepresent the President, and am very sorry if I have done so. I will now say that I believe the statements and views attributed to me by the Associated Press are incorrect, and I withdraw them. I believe President Harrison to be a true patriot, and a sincere Christian gentleman, and I believe that no unprejudiced person who knows him will think otherwise. I am very sorry that I have misrepresented him, and I tender him my sincere regrets."

EXCITEMENT RUNS HIGH FOR

Seven Times Expected to the Arkansas Legislature.

LITTLE ROCK, Ark., April 9.—Lively times are expected to be known in legislative circles. There was a meeting held last night of the Democratic caucus, at which it was decided to support the bill introduced by Senator Dodge, of Crittenden county, and it is alleged a number of the members will not support the bill. It is known that a letter bearing on the subject was received by Governor Clarke, and it is supposed that it was from Governor Altgeld, of Illinois. A Terrible Loss.

WASHINGTON, D. C., April 8.—The supreme court of the United Nebraska to restore the citizenship of Amanda Allen for murder, by the United States circuit court for the eastern district of Arkansas, and to cancel the case in the court for further proceedings. This was evidently in response to several appeals taken from the charge of Judge Parker to petitioner, and his conviction was set aside upon exposure to the course of the judge to the jury.

Allen was a colored boy 15 years old, and in 1892 he shot a white boy, Willie Jones, 12 years old, in a fight in which he was the boy and a white man, Jesse Parker and the jury in the case was convicted of only making the theory of self-defense and not upon the facts in the case.

INCOME TAX DECISION.

Has Cost a Loss of Fifty Per Cent of the Estimated Income.

WASHINGTON, D. C., April 8.—Treasury officials are greatly disappointed at the Supreme Court's decision on the income tax case, and while admitting that they expected the decision would be in favor of the income tax, they express the belief that the result of the decision will be to cause a material shrinkage from the estimates. In fact the receipts from the income tax will be far greater than can actually be collected. Where the loss can be expected to amount to is not known.

The fact that persons, however, to the full value of wages coming into the Treasury. The fact that the court was very divided on the main constitutional question, it is expected will result in several similar litigations, that may materially affect the receipts of the year. Secretary Carlisle, the income tax collector will be [illegible]

Governor Altgeld Again.

CHICAGO, April 8.—Governor Altgeld has again come to the front as a champion of the rights of the people. He has issued a proclamation declaring that the Chicago Gas Trust has forfeited its charter by violating the anti-trust law of the state, and that the attorney general will be instructed to bring suit to annul the charter. The proclamation will be issued in a few days.

Anarchists on the Warpath.

PITTSBURG, Kansas, April 8.—A band of Anarchists, who have been making themselves conspicuous in this section for several days, are reported to be camped on the Missouri river, near Kansas City. They are said to be armed with rifles and revolvers, and are threatening to kill any one who attempts to molest them. Hard on Altgeld.

Report Says He is a Shooting and an Odd Mixture.

NEW YORK, April 8.—Chauncey M. Depew can not refuse to answer a question with Governor Altgeld, of Illinois.

Said Mr. Depew: "This man Altgeld is an irrelevant human being. He loiters in the uncertain neighborhood of nothing. I did not meet him he came in my course. I only that I have heard a rumor that he was the governor and would be back the United States longer to spell. It seems he has found that the shoe fits him and without any further urging puts it on. He stands confessed again his own testimony. He says I agree to wrap myself in the American flag. I urge that he is angry because I do not wrap myself in the flag anarchistic rag that he does. Altgeld, I think I will adhere to the Stars and Stripes.

"P.S. Altgeld is an odd mixture. He is a well-read lawyer, a fair political writer and a shooting man. He has a ranch in the Rocky Mountains where he amuses himself by hunting and shooting. He is expected will be in the state of Illinois, and will be in the state of Illinois.
