> Killed. - This afternoon a young man named Henry Cottrell was killed by a runaway near the Warm Springs The wagon collided with a telegraph pole, resulting as stated.

Plain Talk .- Speaking of one Lee Baker, who recently left Eagle Rock for Dillon, the Register, of the former place, says that "He is probably one of the most complete successes as an unmitigated fraud and bilk that ever graced Idaho with his presence, and as a liar we doubt if his equal was ever produced. He owed everybody in town who would trust him for a dollar's worth of anything. On last Saturday he was arrested for stealing some First Precinct of Salt Lake City, about 4 p. m., November 1ith, 1885, from the effects of injuries received from an accidental explosion of gas while is always getting into a fight, and as often gets the worst of it. A good fifteen-year old boy will whip him." This pretty strong language; it fits one or two characters who have lately than ever before. No other Weber sprung into prominence in this vicinity as well as though they were the ones

> Iron Works .- Last Tuesday's Ogden Herald contains the following relative to a proposed revival of the Iron industry in that city:

"We have often called attention to he rich deposits of mineral wealth in he mountains in the immediate vicinity (Ogden City. We are now informed that an association, for the pur-pose of developing these hidden resources, has been organized under the name of "The Mining and Working Association." The very best of iron ore is easy of access, and with co-operation on the part of the people, a pig ron furnace and an Iron foundry might be started in Ogden City. The asso-dation, which has been formed, has his object in view; and we learn it has been estimated that there are 60,000 ons of ore in sight in one mine, owned this company, while there are many hers which would yield in proportion ome of the ore contains a small per entage of gold and silver. We learn inal an endeavor is to be made to ship ore from this point to smelters in the arious parts of the country."

"A Rag Baby."-Of this funniest of funny performances, which is to be given in the Sait Lake Theatre on Sat urday evening next, the San Francisco uity Report Bays:

+0+

"'A Rag Baby' has the merit of being lean as well as clever-a rare merit in days of the farcical class. The author as edited his frothy composition to ome purpose; and conceding his labor that it is practically piotiess and mply a burst of humor, the please etter criticism, and can only be escribed as a farrage of fun. It is a satire on the sporting craze, involving a sub-satire on the drug business, with indry and divers hits at follies everyody is familiar with. The points are neatly and swiftly made, and the atution of the audience is never alowed to wander from the stage. feeling soon becomes general that if you take your eyes from the players you are liable to lose a point and miss a laugh. The company is admirably suited to its purposes. The men are bright, active and versatile, and the young ladies are very young and re-
