Before the Grand Jury—Villainous—Wants Becher Indicted for Perjury.

NEW YORK, 7.—Becher was before the grand jury to-day, to testify in the Loader and Price case. Mrs. Tilton will give her evidence to-morrow.

Another affidavit from Price is published, giving the alleged details of the method of getting up the evidence against Becher.

Price says that, Loader instructed him what to say, and that Morris paid him at various times during the trial.

Price declares that the affidavit signed by him in Morris' office is false in every particular.

Price says that he was in Tilton's house, and never saw Mrs. Tilton.

It is asserted by the Brooklyn Argus that Moulton will endeavor to secure the indictment of Becher by the grand jury to-day.

For alleged perjury, and will submit the following witnesses—Mrs. Stanton, Miss Anthony, Mrs. Bradshaw, Mrs. Moulton, Theo. Tilton, Mrs. Tilton, and others.

Becher's Salary Increased.

A largely-attended meeting of the Plymouth Society, composed of members of the Plymouth church, was held in the lecture room of the church this evening, with J. B. Hutchinson in the chair.

The chairman stated that the meeting had been called for the purpose of considering the question of increasing Becher's salary.

Henry W. Sage offered a resolution to the effect that the salary of the pastor of the church should be fixed at \$100,000 instead of \$20,000, which it has heretofore been.

By R. W. Pope, after which J. W. Hayward made a lengthy address, in which he censured the action of the press very strongly.

The reporters he characterized as "black and white," and said they had all suffered by being interviewed by the representatives of the press of the country.

S. B. White delivered a brief address, in which he considered the question of Becher's salary.

He said that he was in the church this evening, and that he had seen all through the trial, and that he had seen all through the trial.

nois, and Himmell, champion of England, took place to-day, at Hendon, and was won easily by the former. The provisions of the match were that each should shoot at 50 birds, thirty yards rise, from five traps, five yards apart; Bogardus killed 35 to his opponent's 30. Bogardus challenges all England to shoot him at Hendon.

Business in the Commons.

In the House of Commons, this evening, John Bright, presented a petition signed by 60,000 members of the Agricultural Laborers' Union and others asking the extension of household suffrage to the cottages and boroughs, and for the redistribution of parliamentary seats.

Trevelyan moved the second reading of the household franchise or counties bill.

Hon. W. E. Forster supported the bill. He said the principle involved had already been decided upon its merits by all parties.

The proposed measure was one of such pure justice that its eventual passage was inevitable.

He quoted former utterances of Disraeli favorable to it.

Henry Fawcett said the agricultural laborers had been neglected in regard to education and other things because they had been enfranchised, and the House would ultimately be obliged to concede the demands of an indignant people.

The speaking on the other side pointed to the large majority against the bill in the last session and urged that the measure was inopportune.

The house divided and the motion for the second reading of the bill was lost by a vote of 168 yeas to 208 nays.

IRELAND.

Glider's Victorious.

RELEASE, 7.—The shooting for the Cup presented by the Mayor and citizens of Belfast took place to-day; Col. Glider won the Cup over twenty-four opponents.

Extraordinary Shooting.

The contest for the mayor and citizens' cup was held on the range on Lord Dufferin's grounds, the distance 1,000 yards. Each man was allowed five shots, the highest possible score being twenty. Several thousand persons witnessed the shooting. All the members of the American team and the reserves took part in the contest, which was going so easily toward the close.

The result was doubtful up to the last shot. The scores were announced as follows—Glider, 18; Patton, 18; Lee, 17; Johnson, 17; McKenney, 17; Bruce, 17; Wylie, 16.

The tie between America and Ireland was then shot off according to the rules of the contest. The men had three shots a piece, and the result was again a tie, Glider and Lee each making two bull's eyes.

A second and counting eleven. The final result was a victory for Glider, who made
