UTAH TERRITORY, WEDNESDAY EVENING, NOV. 29, 1882

PER WESTERN UNION TELEGRAPH LINE AMERICAN.

National News. WASHINGTON, 28, — Marshal Henry was asked to day relative to his dismissal by the President on Saturday: "What are you going to do, Marshal?" He answered, "I am going to fight."

Prof. Harkness of the United States Transit of Venus Commission requests the publication of the

sion requests the publication of the following:

over the country who have good telescopes and would be glad to observe the contacts during the coming transit of Venus if they had any means of obtaining Washington time. The Western Union Telegraph Company has most generously agreed to give a wide distribution to the noon time signals from the Naval Observatory December 4th, 5th, 6th and 7th. As this service will be wholly gratuitous on the part of the telegraph company, its part of the telegraph company, its ed attempted to pull Sallie off her officers request all persons who intend to make observations of the transit to immediately notify the nearest Western Union Telegraph office, as the transmission of the eignals will involve the use of many thousand miles of m thousand miles of wire, and the making up of many special circuits, all of which must be planned beforehand. Furnishing these signals free of cost to all observers is a contribution to science on the part of the Western Union Company which

will be appreciated by every one interested in astronomy. Phelps, N. Y., 28.—Prof. Brooks, of Red House Observatory, on behalf of astronomical science and astronomers, asks that prayers be of-fered on Sunday next in all churches for fair weather on the 6th of December next, the date of the wife, a German couple aged about transit of Venus. The solution of 60 years, died yesterday at Beatrice the sublimest problem known to from the effects of coal gas which science is to be attempted on that cocasion, the opportunity for which will not occur again for 122 years.

Millions of dollars and months of Cook, of Chillicothe, uncle of Mrs. valuable time have been expended n preparation for the great event. Washington, 28.—The Bureau of

Frinting and year printed 7,641,000 sheets notes and securities worth a face a protracted illness. He was to de value of \$310,000,000; also, 987,000,- liver the oration at rhe Conclave of the Knights Templars, San Fran-\$937,000, of which \$589,000 was the cisco. department's work.
