

General Passenger Agents of Trunk Lines Meet in New York.

FOLLOW WESTERN METHODS

Sab-Committee Appointed to Devise a Plan-Chicago & Alton Raises Wages Of Machine shop Employes.

Following the pace set by the western roads the general passenger agents of the big castern trunk line railroads have durin gthe past few days been in session in New York to consider the adoption of an interchangeable mileage ticket system for trunkline territory. The sub-committee appoint ed to devise a plan submitted its report, but the matter was considered of so great importance that it was decided to postpone final action on the matter, especially in view of the fact that some of the lines wish to give the matter further consideration. The subject will be considered at another meeting on Nov. 11.

MEN RECOGNIZED.

Chicago and Alton Advances Wages Of 10,000 Shop Men.

Chicago, Oct. 29 .- Eight thousand shopmen employed by the Chicago & Alton railroad, the Tribune says, are to get an advance in wages of 2 cents an hour beginning Nov. 1. The increase will approximate \$10,000, and will effect the machinists, boilermakers, repair ers and general handy men in all the

hops of the system. The men filed a demand for an advance a month ago and asked for a flat increase of 20 per cent. This the road was not willing to grant, but com-promised, on 10 per cent. This rate gives the machinists 30 cents a hour, he boilermakers a little less and the nandy men 25 cents.

PASSES RE-AFFIRMED.

Old Agreement Regarding Issuance Of Transportation Upheld.

St. Louis, Oct. 29 .- At a neeting o the executive officers of the Wester and Southwestern railways, held here in response to the call issued by James ". Mahoney, chairman of the western trunk lines committee, the old agree. ment as to the issuance of passes to officials and employes of the lines was practically re-affirmed. A committee of three was appointed to confer with trunk line officials on the auti-pass question as follows:

question as follows: Darius Miller, vice-president of the Burlington; J. T. Hanrahan, vice-presi-dent of the Illinois Central, and A. C. Hird, vice-president of the Chicago, Milwaukee & St. Paul. The new Keith-O'Brien Dry Goods The new Keith-O Brien Dry Goods company will be one of the largest con-cerns of the kind in the west. That it intends to do a tremendous business is shown by the fact that it has entered Into a contract to pay a rental of \$20,000 a year of \$1,666.66 per month for the basement and first floor of the three story building now being erected on the old Walker House site with its frontage of 133 feet. Enormous as this may seem the fact remains that a still larger sum or \$24,000 a year or \$2,000 a month, was offered by another firm in the same line of business for this same stand. This illustrates more than any thing else that has recently come to light, the value of East Temple street property of this class and the volume of business that it is expected will be transacted. Mr. Graham, who has been Walker Brothers for many years is manager of the new company and with several assistants will spend con-siderable time in buying goods with which to stock the big store.

The decision to strike is the result of a protracted conflict with the managers of the thea-ters over wages and extras for rehearsals and matinees.

Disturbed Conditions in Morecco.

Gibraltar, Oct. 29.-In view of the disturbed conditions of the interior of Morocco, considerable interest was manifested today in the departure from here of Commissioner Landerman of the St. Louis exposition, who started for Hangler and Fez to enlist the inter-est of the suitan of Morocco and secure an important Moroccan exhibit at the fair. The fact that Mr. Landerman is vice

consul general at Tangier and that he is familiar with Morocco and the friend preast use its sturdy bill upon of influential officials enhances his chance of success.
