NOTE EXPLANATORY.

It is the intention of the Managers of the Midsummer Carnival and Masquerade Ball to make it the inauguration in the western country of the same gorgeous magnificence that has characterized the famous balls at Gilmore's Garden, free from every objectionable feature. There is no reason why all the respectable people of our city and Territory cannot once a year participate in a grand carnival of fun such as has made the Madison Fair famous.

The completion of the Saltair pavilion makes such a carnival possible, and with the hearty co-operation of all the good people of this city the annual masquerade ball can become an attraction so great as to entice strangers from all parts of the Union. The utmost caution will be taken to prevent admission to the dancing floor of any improper person.

The following well-known citizens have courteously assented to award the grand prize:

- Ex-Governor Thomas, Mr. C. F. Mason, Mr. A. E. Wally, Mr. David McKeon.

Judges of equally high repute will be selected to award the other prizes.

Madame Rhine, the fashionable costumer, of First South Street, first door west of Theater has recently imported 2000 costumes of all grades, styles and prices, which she will rent at 50c. and upwards.

Those fail to not secure costumes in advance can obtain them of Madame Rhine at the Pavilion on the day of the ball.
