pared for Rendition and Much In-

This interchange of the organized
singers of the stake was proposed by
the stake presidency several weeks

est among them and in the hope that

CONVICT IS INSANE.

Frank Mazza, who shot and killed
Joseph Vatralla, becomes deranged.
Frank Mazza, who on Sept. 5, 1905,
shot Joseph Vatralla in this city, in-
flicting wounds from which the latter
died, has gone insane. He was exam-
ined as to his mental condition in a
this afternoon and no doubt will be
committed to the state mental hospital.
Mazza is serving a term of 10 years in
the state prison, having been convicted
of murder in the second degree, and
for some time has been laboring under
the delirium that his wife, because of
whom he shot Vatralla, is dead and he
has been holding conversations with her
spirit. He has developed homicidal and
suicidal tendencies and has been care-
fully watched for some time by the
prison authorities.
In his defense in court Mazza and
other witnesses testified that Vatralla
made insulting remarks about Mazza
and upon learning about it Mazza went to Vatralla's home and
called him out and a fight ensued, in
which Mazza was victorious. Vatralla was tak-
en to the hospital where he died several
days afterwards. Mazza left the state
prison yesterday in Colorado and
brought back for trial.

REGULAR WEEKLY DIVORCE GRIND

Calendar Was Heard by Judge
Armstrong Instead of
Judge Morse.

FOUR DECREES ARE GRANTED.

Another Chapter in Case of the Green-
halghs Considered and the Mat-
ter continued until Dec. 24.

The regular weekly divorce calendar
was heard by Judge Armstrong yester-
day afternoon in the absence of
Judge Morse and resulted in four de-
crees of divorce being granted. An-
other chapter of the divorce case of
Henry Greenhalgh against Nora A.
Greenhalgh was also heard by the
court and a further continuance was
granted until Dec. 24. The case has
been tried on the installment plan and
this is about the third installment.
Greenhalgh charged his wife with de-
sertion and she filed a cross-complaint
charging him with cruelty. They were
divorced once before in Denver but re-
married a few years afterwards. The
10-year-old daughter, Margaret, was
on the witness stand yesterday after-
noon and told of her father coming
home drunk and abusing her mother
and scaring her. The matter will be
heard again on the date mentioned
above.

Letitia D. Freed was granted a di-
vorce from S. B. Freed on the grounds
of desertion and failure to support.
They have two children and upon re-
quest of the plaintiff she was awarded
the custody of one child and the father
was awarded the other.

Rebecca B. Johnson was divorced
from Peter Johnson on the same
grounds. Plaintiff was given the cus-
tody of their child.
Desertion is the ground on which W.
J. Kohlberg was granted a divorce from
Mabel I. Kohlberg.
William Sherriff was divorced from
Blanche S. Sherriff on the ground of
desertion.

FUNERAL HELD TODAY.

Community Loses Noble Woman in
Death of Mrs. Spencer.

The community as well as husband,
relatives and friends, loses one of the
noble souls of earth in the death of
Mrs. Emma Spencer, who de-
parted this life Dec. 11, 10:30 p. m., at
St. George, Utah, after an illness of
several months with consumption.
Mrs. Spencer was born Aug. 30, 1832,
at Mill Creek, the eldest daughter of
William and Rachel Bush Geddes. She
was married to Samuel G. Spencer at
the age of 18, and has since been a per-
fect wife and helpmeet.
She is the mother of seven children,
five boys and two girls, the youngest 9
years, all living but one boy, and in
raising her children she has always
found time to attend her meetings and
all religious duties and has earnestly
sought to live every revealed law in her
religion. She has left nothing undone
for her exaltation, and passed away
with the expression of a babe falling
asleep in its mother's arms. The pain
of her death is separation, and sincere
sympathy is extended to those on whom
this sorrow falls heaviest. The funeral
services were held at noon today in the
Eighteenth ward chapel, where the
highest encomiums were pronounced on
her life.

Rheumatism

Is one of the constitutional
diseases. It manifests itself
in local aches and pains,—
inflamed joints and stiff
muscles,—but it cannot be
cured by local applications.
It requires constitutional
treatment acting through
the blood, and the best is a
course of the great medicine
Hood's Sarsaparilla
which has permanently
cured thousands of cases.

of this city has been filed in the dis-
trict court by George W. Moorehouse,

well knew his condition. He now ob-
jects to the dissolution of the company
on the ground that he has a claim
against it, and if it is dissolved the
claim cannot be collected. The mat-

Strength Comes Not From What You Eat, But From What You Digest.

Most people eat most foods without
discrimination—it matters little what
for them. This is the first turn on the
road to dyspepsia. Needless disregard
of the proper choice of foods, rapid
eating and improper mastication, are
the unquestioned causes of all stomach
disorders, from the slight ache to the
malignant cancer of the stomach.
There is nothing more revolting than
a dyspeptic stomach—a very real
putrefaction, sending forth its poison
throughout the entire system, de-
pressing the brain, befouling the breath,
souring the taste, deadening the mus-
cles, incapacitating the liver and kid-
neys for their work, debilitating the
heart, choking the lungs and clogging
the bowels.
All of these disagreeable and danger-
ous conditions are due to the improper
digestion of food and the consequent
assimilation of poison. What else can
be expected? If the food lies in the
stomach, if the system is constipated,
it shows itself in sour watery gas-
tritis, belchings, heartburn and painful
breathings.

There is only one way to relieve this
condition. If the stomach refuses to
digest your food put something into it
that is honest, pure, and will work
are nothing but digests. They are
not a medicine. They work when the
stomach will not.

Each tablet contains enough re-
finement, golden, real and other dis-
tasteful elements to reduce 3,000 grains
of ordinary food to the proper con-
sistency for assimilation into the
blood.

Stuart's Dyspepsia Tablets are abso-
lutely pure. There is nothing harmful
in them as shown in their endorsement
by 40,000 physicians in the United
States and Canada.

Ask your family physician his opin-
ion of Stuart's Dyspepsia Tablets and
if he is honest about you he will state
positively that they will cure your
stomach trouble whatever it may be
unless you have waited too long and
into cancer.

Act today and begin to end your suf-
fering. A free trial package will be
sent to your address upon request. The
50 cent size envelope, with a note to
