CHIEF PINCHOT GIVEN OVATION

Large Audience in Tabernacle
Greets Head of U. S. For-
estry Service.

STEEL WORK IS COMPLETED.

Last Span on Viaduct Put in Place To-
day—Big Damage Suit Against
Alleged Reckless Driver.

Ogden, March 25.—Gifford Pinchot, chief of the United States Forest Service, was the guest of honor of Ogden last evening at the tabernacle at one of the largest public meetings, held in many months. The large audience that filled the big auditorium gave the chief an ovation when he arose to address them. The Tabernacle choir, under the direction of Prof. Joseph Battantyne, rendered a number of selections in their usual splendid manner. A double quartette rendered "My Old Kentucky Home" and Sam F. Whitaker gave an organ solo.

Governor Spry was unable to be present, Mayor Brewer presided and introduced Mr. Pinchot. On the platform were President C. F. Middleton, L. W. Shurtliff, and John Watson, Patriarch David McKay, Hon. Fred J. Kiesel, President A. R. Heywood of the Weber club, District Forester Clyde Leavitt and about forty members of the Forest Service.

In opening his address Chief Pinchot referred to the time he delivered a speech at the tabernacle before the Irrigation Congress in September 1903. He referred to the progress that had been made for the forest service district headquarters and that it had been demonstrated long ago that Ogden was the proper place for such headquarters. To the residents of Ogden he gave credit for the work of national irrigation projects and the conservation of national resources. He said that President Taft had said the best thing that was ever said about Roosevelt when he said that Roosevelt understood the plain people about us well as Lincoln.

The senator Reed Smooth Chief Pinchot paid a high compliment and said it was a big debt that forestry owed to the Utah senator for the work he had done in its behalf. He spoke highly of Utah and the part it was playing in rendering assistance to the government in the great new irrigation operation, without which progress would have been very hard. He said that he wanted the co-operation of all and said that he was very anxious to have the mistakes pointed out when the mistakes were made.

In closing Chief Pinchot spoke of the policy of the state and of its general plan of conservation. While in the city Chief Pinchot met with the members of the Utah State

You Manufacture Fat?

If it were not for the fact that you add to your fat every day, you would soon get back to a decent weight and be active and trim some of your excess. But it is "off with the old"—on with the new—with you every twenty-four hours, so that the fat balance remains unchanged.

Now, people who take Marmola Prescription Tablets really get thin—but harmlessly so, and a hint as to the reason is that they are used and absorbed with undisturbed delight as formerly, yet and they lose, many of them, a pound a day. The reason is Marmola causes the body to burn up its own fat faster, hence the body is introduced into gets thinner as a matter of course. Each day's activities alone would account for the delightful result.

Other results from this point of view and you can readily understand why Marmola Prescription Tablets cause no ill effects or wrinkles but of the common kind which are much less than the appearance. They are nature's allies, not her competitors. This commands them to all, even the timid, as safe and since they are so easily absorbed, there is no desire, that is all that is required.

When you get tired trying other methods of getting thin, try this out. Marmola Prescription Tablets are in the generally filled cases, and if your druggist can not supply you, which is unlikely, you can get one or more cases by mail by sending the price, 25 cents, direct to Marmola Company, Detroit, Mich.
