Grant Thinks Another Election Cossary.

NEW YORK, 1. - The World's Washington special has had an-other interview with Grant, in New Year's Party .- There was which the latter expresses the opinion that another general elec-tion must be held for his successor. a New Year's party at the 10th Ward meeting house yesterday,

On Hampton's Letter.

The World's Washington special says Hampton's letter to Hayes has been the general subject of such comment as the meagre number of congressmen has made possible. By most democrats the letter is criticised as ill-timed. The southern democrats, whose position and reputation permit them to speak for that part of the country, deprecate the attitude assumed by

Chinaman, charged with stealing Hampton as unwise ander the cir-cumstances. Men like Gordon and Lamar have been and are consistent in their belief that sundry articles from another of his the only hope of good government in the south turns upon the re-establishment of the democratic administration at Washington. was held in \$500 bonds, to day, to

### GREAT BRITAIN Violent Gale and Destruction of

LONDON, 2.—A gale of unprece-dented violence prevailed on the south ceast of England yesterday. Dover pier was partially destroyed. The damage is estimated at \$150,-000. At Eastbourne there was great destruction; the loss foots up \$65,-000. Nearly every town on the south ceast, from Dover to Ports-mouth, was partially inundated by the high tide, and the furniture was washed out for houses. The disastrous floods are caused by the heavy rains still reported through-

us of Holiday goods. These goods are two weeks behind time, and in sequence all will be sold this reek, either at private sale or auc-Call and see them.
