CURTIS MODELS—PRICES REDUCED TO MEET THE TIMES!—The merits of this system for cutting all kinds of garments worn by Ladies, Gentlemen and Children are known by scores of ladies in this City and Territory; but the sure way is to prove it for one's self which may be done without charge. This system removes all anxiety regarding the FIT of garments, as all its directions are absolutely positive. There will be no altering—no taking up or letting out, which not only injures the material but destroys the proportions and often ruins the garment. The system is very simple and can be learned in a few hours.

THE practice of the undersigned having increased so as exclusively to occupy his time, begs to notify the public that, to enable him to devote himself wholly to the profession, and keep up his stock of medicines, he will be compelled in future, to charge a small fee in every case that may come under his treatment.

His charges can be ascertained beforehand—they will be very moderate, and graded to meet the means of all classes; the poor and those temporarily out of employ, being freely supplied with advice and medicine as heretofore.

Mr. M. will contract to furnish medicine and attendance to families by the year, if desired, payable in quarterly instalments.

He will meet patients as usual at the DESERET News Office, from 11 to 1, daily, Sunday excepted.

Residence on the lot south of the 9th Ward Meeting House.

Particular attention given to Chronic diseases of all kinds, and the necessary medicine sent by post to parties at a distance, on their furnishing a full description of case and \$3.00 currency in advance.

All letters must be prepaid, and addressed to P.O. Box No. 293, Salt Lake City, and to ensure a reply must contain six cents in stamps.

FLORENCE

Sewing Machine!

In point of labor there is the same difference between thrashing with a flail, or using a Thrashing Machine, that there is between sewing by hand or using a good Sewing Machine.

We have just received a con-
signment of forty Machines
and can now offer an as-
sortment of all the vari-
ous styles manufactur-
ed by the Florence
Company.

PARTIES INTENDING TO PURCHASE SHOULD
MAKE THEIR SELECTION EARLY.

CHAS. S. HAMMER, General Agent.

The Florence Sewing Machine has no fancy combinations or other complicated attachments; it has no uncertain wire coils or wire levers. Its manufacture is conducted by a thoroughly RESPONSIBLE COMPANY, and in purchasing a machine you need have no fear of ever being unable to purchase needles and other findings. The Florence is the ONLY COMPANY that keeps its machines in repair free of charge, no matter when sold or where. It is our ambition to have every Florence Machine give entire satisfaction.

The Florence lays no claim to cheapness, we aim at perfect finish; every machine goes through the company's adjusting room, and must then pass the Inspector's office, before going out to Agents; the least inaccuracy will condemn it.

They are probably the highest priced Machine in the American market, and being built of HARDENED STEEL by SKILLED WORKMEN, added by all the appliances that capital can bring to bear, it is offered at a price commensurate with the value of the article, and can be brought into about as honest comparison, with its numerous CAST IRON competitors, as a watch from Jergenson or Jacat may be compared with the Nickel or Oroide offerings of a Chatham Street Mock Auctioneer.

It is a growing knowledge of these facts that has gained favor so steadily for the Florence Machines, and made them the Universal favorites, wherever prejudice is laid aside and honest comparison made.

That very excellent authority the American Institute, New York, awarded the FIRST PREMIUM to the FLORENCE over Thirteen Competitors, and in their report the committee very tersely remarked, "This is better than any of its class known to the Judges."

It may be proper to remark here that the Florence Machine of the present manufacture is vastly improved, and the first of these improved Machines ever offered in Utah are those sold at the Branch Office at Salt Lake.
