TALLAHASSEE, 27.—The canvassing-board met, to-day, in the chair. A protest was filed by the republican electors against Attorney General Cocke's sitting as a member of the board on the ground that he was not a citizen of the State.

Mr. Cocke stated that he had sent a dispatch in reply to a friend in Tallahassee, who asked his opinion, and who wished it to be published. He respectfully submitted that the dispatch and the opinion therein contained did not disqualify him for sitting as a member of the board.

Cowling moved that Gov. Stearns and Gen. Brannon, commanding the troops, be admitted to the session. Mr. Cocke amended by adding the name of Mr. G. F. Dren. The amendment was accepted, and the board then went into private session and adopted the rules.

The board then agreed to admit six gentlemen from abroad and six local politicians from each side. They have agreed to commence their duties on the 28th of November, at 10 o'clock, and meet daily, except Sundays and holidays, remaining in session each day as long as the necessities of the case require.

to admit persons, not exceeding six in number, equally representing each political party, to witness the proceedings, except when the board may think it necessary or desirable to close the doors for deliberation. The Secretary of State shall, upon request, receive each county, whereupon the board will proceed to examine the same, and determine from the face thereof, subject to final review, whether the legal formalities and requirements have been complied with, and on an affirmative determination of such preliminary matters, the chairman shall announce the results of the county; then any person may give notice that said return and election of the vote of said county or any precinct thereof will be contested.

Contestants, after the announcement of such result, must file with the board a statement in writing, giving specifically the objection to the return, made, with particulars of the time, place and circumstances, together with a statement of the relief demanded. Six days after the filing of such statement, the board has no power to compel the attendance or examination of witnesses, it will receive in evidence proper affidavits, and also such official certificates as are otherwise admissible. If a party desires to produce viva voce testimony, they must submit to the board a brief statement in writing of the substance of the testimony, and the board may, at its discretion, allow them to attend, and witness the examination of the affidavits and documentary proofs on each side shall be filed with the board of the office of the Secretary of State, and shall be accessible to the other side under such regulations as the Secretary of State shall think proper for the safe keeping of the records.
