ARMY ARRIVES TOMORROW NIGHT.

According to Calculations the Entire Russian Force Will Then Reach Mukden.

CONSTANT FIGHTING IS ON.

Generals Kuroki and Kuropatkin Are Now Marching Northward Along Parallel Lines.

BALTIC FLEET SAILS SUNDAY

For Libau but When it Will Leave There is Not Now Exactly Known.

The St. Petersburg authorities today expressed themselves as confident that the critical stage of the Russian retreat is past and that Kuropatkin is no longer in danger of losing any part of his forces to the pursuing Japanese. It is also given out in St. Petersburg that the bulk of Kuropatkin's army is now near Mukden, where it is taking up prepared positions, but a dispatch to the Associated Press from Mukden filed yesterday says that the main Russian army was then pushing northward and evacuating Mukden. While details of the situation are lacking, dispatches indicate that the Japanese are still harassing the Russian rear.

Gen. Kuropatkin is now at Mukden.

Tokyo preserves an absolute silence regarding the operations of today and yesterday.

St. Petersburg, Sept. 7, 1:45 p. m.—From the latest advice received by the war office the authorities now believe that the danger of Field Marshal Oyama cutting off Gen. Kuropatkin has practically passed. According to the calculation the whole Russian army will reach Mukden tomorrow night. Gen. Kuroki and Kuropatkin have been marching northward along parallel lines, both armies being greatly hampered by heavy roads, the Japanese in a rough region and the Russian along a flat country, but embarrassed by the high Chinese corn which presented marching on the side of the main roads. No difficulty is being experienced at the Hun river, a few miles south of Mukden, where bridges had been provided for crossing the stream. There has been constant fighting at the Russian rear and along the eastern wing, but so far as known by the war office nothing of importance has occurred since the retreat began.

MAY MAKE A STAND.

The general staff naturally is reluctant about Kuropatkin's plans, especially whether he intends to stop at Mukden. His decision probably will depend on the intentions of the Japanese. Kuropatkin's preparation will be made to evacuate Mukden if there is considerable evidence that Kuropatkin is compelled to go north will make a stand at Tieling, where the Russians entered last year. Tieling is 40 miles north of Mukden. At this point there is a narrow defile in the Liao river on one side and the mountains running almost down to the railroad on the other. Steps are being taken to guard against a possible attempt to cut the line there.

The report that the sailing of the Baltic squadron had been postponed until November is officially denied as is also the report that several of the ships composing it developed defects. The squadron will sail for Libau Sunday. Exactly when it will sail there is not known.

OUTKOTSKY TO GO HOME.

Although the report that Rear Admiral Outkotsky, in command of the Russian fleet at Port Arthur, is to be court-martialed is untrue, the admiral has decided to recall him, probably placing Capt. Wren, of the armored cruiser Bayan, in command. It has been realized all along that Outkotsky lacked the requisites of a commander of a fleet under such circumstances, but owing to the impossibility of finding a flag officer to Port Arthur he was allowed to remain in command. The admiral is greatly dissatisfied with his action in returning to Port Arthur August 10, in the face of the order of the late Admiral Witthorn not to do so and this led to the decision to recall him.

PAPERS MORE CHEERFUL.

As the Russian newspapers begin to realize more fully the catastrophe which Gen. Kuropatkin avoided at Liao Yang and the skillful manner in which he turned Field Marshal Oyama's plan to surround the Russian army, they are beginning to bestow upon Kuropatkin great praise.

It is now apparent that Oyama's purpose in pressing the Russian positions from Liao Yang was to hold Kuropatkin's attention while the Japanese right wing was thrust against the Russian rear to break the Russian line of retreat. But Kuropatkin, in this very movement, had his eyes upon its flank, withdrawing and countered by early attack of the Baltic fleet, which, from Liao Yang, crossed the bridges between him and Liao Yang. Both the Russian and Japanese accounts seem to agree in saying that until the withdrawal of the main Russian army had been ordered, Kuropatkin had beaten off the Japanese assaults in front of Liao Yang and the Russian commander-in-chief's first movement against Kuroki was also successfully successful. While not underestimating the difficulties attend-

ing the task of the retirement of the army northward and the continued threat from Oyama's right, the Novo-Vremya decidedly considers that it already has practically been successfully accomplished.

DEFEAT DENIED.

The Novo-Vremya says: "In England, France and Germany the attitude of the consequences of the defeat of the Russian army is fully appreciated, and as the views of their military critics are by no means unfavorable, there exists no reason why we should give way to despair over a defeat which never took place."

The Novo-Vremya, the army organ, also continued to maintain that Oyama met with a strategic defeat, but it expressed the opinion that Oyama has not yet given up hope of flanking Kuropatkin, for which he is strengthening Kuroki and diminishing the pressure against the Russian rear.

The Novo-Vremya, emphasizing the situation, declares emphatically that neither mediation nor peace are now even thought of.

No further details of the losses suffered by the Russians during the 10 days fighting have been received. How long the roll of casualties ultimately will be can be estimated by the official report of the number of officers killed or wounded between Aug. 26 and Aug. 31 in a single division. This division, that of Gen. Kondratievich, which is under Gen. Zarubalev, and which formed part of the Russian right flank at Liao Yang, lost 12 officers killed, 33 wounded and one missing.

BROWN VS. BLUE.

Two Armies Due to Clash in a Shym Battle.

Gainesville, Va., Sept. 7.—Gen. Grant took up his task of forcing Gen. Bell and his Brown army through Thoroughfare Gap and tonight fighting did not begin until that hour, but the re-alignment of positions and the assuming of new ones occupied the forces of both armies until daylight. Gen. Grant's army, which is under Gen. Zarubalev, and which formed part of the Russian right flank at Liao Yang, lost 12 officers killed, 33 wounded and one missing.

CELEBRATING IN TOKIO.

Considerable Speculation Over Official Silence of Kuroki.

Tokio, Sept. 7, 8 p. m.—The general staff has not yet made public any details of the battle of Liao Yang. The people are still celebrating the victory, but there is considerable speculation over the official silence regarding Gen. Kuroki's movements since Sunday.

The report that Lieut. Terauchi, son of Lieut. Gen. Terauchi, minister of war, was killed in the fighting before Liao Yang, is received today.

Odell Not a Candidate.

New York, Sept. 6.—Gov. Odell today set at rest all talk about himself as a candidate for governor by declaring during a conference of state leaders that under no circumstances would he be a candidate and that he did not want the nomination.

After a two-hour discussion on the governorship question, it seemed to be as good as settled that Lieut. Gov. Frank W. Higgins will be the nominee.

Keen Competition for Prizes Among Corps at San Francisco.

San Francisco, Sept. 7.—Following their great parade, admittedly the finest ever given by the order, the Knights Templar today gathered at Golden Gate park to witness the triennial competitive exhibition of their track drill corps. The drill was held on the extensive lawn ordinarily devoted to baseball and other sports, and on the grassy slopes surrounding it many thousands of spectators were congregated. The day was clear and warm, but a gentle breeze from the ocean mitigated the temperature and prevented any discomfort.

The competition was between St. Bernard commandery No. 33 drill corps of Chicago; Louisville commandery No. 1 drill corps of Louisville, Ky.; Malaga commandery No. 4 drill corps of Birmingham, N. Y.; Ivanhoe commandery No. 24 drill corps of Milwaukee, Wis.

The St. Bernard drill corps won the first prize at the contest held here during the convocation of 1892, and its appearance in the field today was greeted with great applause. The vast audience, however, seemed impartial, and did not confine its cheering to any one of the competitors. All were attired in attractive uniforms and their intricate evolutions were executed with the precision of perfectly working machinery. The prizes awarded were of great beauty and of value and the task of the judges was not an easy one.

The competitive drill of the eastern knights was followed by an exhibition of the drill corps of Golden Gate commandery and the mounted drill corps from California commanderies, neither of which would enter into rivalry with their guests from beyond the Sierras. They presented a splendid display of the drill corps of the mounted knights over their spirited black horses being a remarkable feature of the display. Following this was a battalion parade and review of the four competing drill corps under the command of the Right Eminent Sir Frank W. Sumner, past grand commander of California. The prizes were then distributed by the grand commander of California.

During the day there were many excursions by water and land to various points, many knights availing themselves of the opportunity to see as much of the state as can be shown in brief trips from this city.

There were two business sessions of the grand convocation at which much was accomplished for the good of the order.

PRELIMINARY MEETING.

The preliminary meeting of the grand convocation of the Knights Templar was held today. The opening address of welcome was delivered by Gov. Pardee of California on behalf of the knights of the state, who was followed by Mayor Schmitz on behalf of the knights of the city of San Francisco. The perfect control of the mounted knights over their spirited black horses being a remarkable feature of the display. Following this was a battalion parade and review of the four competing drill corps under the command of the Right Eminent Sir Frank W. Sumner, past grand commander of California. The prizes were then distributed by the grand commander of California.

WEDNESDAY, SEPTEMBER 7, 1904. SALT LAKE CITY, UTAH.

Kuropatkin There All the Time.

Russian General Said to Have Been in the Vicinity of Mukden Since Monday—Japanese Reported to Have Captured Vast Accumulations of Stores.

St. Petersburg, Sept. 7.—Gen. Kuropatkin has arrived at Mukden.

Tokio, Sept. 7.—It is reported that the Japanese, notwithstanding the ravages of fire, captured vast accumulations of Russian stores and ammunition at Liao Yang.

St. Petersburg, Sept. 7, 5:35 p. m.—The bulk of the Russian Manchurian army is near Mukden where it now appears Gen. Kuropatkin has been since Monday. His troops, it is understood are not entering the city but are taking up prepared positions around Mukden.

TWO COAL MINERS FATALLY CRUSHED

Thomas Bishop and Thomas Hutchinson Killed at Scofield.

BY CAVE-IN OF COAL AND EARTH

Unwittingly The Men Removed Supporting Timbers and Roof Instantly Collapsed.

Two men, Thomas Bishop and Thomas Hutchinson, miners in the collieries at Winter Quarters, had the life instantly crushed out of them at 11:10 yesterday morning, by a fall of coal and earth from above where they were working. As near as can be ascertained, the two men, with James Gentry, were getting out coal in a "room" on the seventh level, when not finding as much paying stuff as they liked, they decided to go to the "entry" where there was more pay coal in sight. To get at this, it was necessary, the men thought it was necessary, to knock out the prop timbers supporting the roof. Presently, the entire roof came down on the heads of Bishop and Hutchinson, and crushed them to a shapeless mass. Gentry was further away, and while caught and seriously injured, managed to finally extricate himself. His cries attracted attention, and he was rescued and taken to the surface, where his injuries were attended to. The bodies of the two unfortunate were recovered late in the afternoon.

Bishop leaves a wife and several children, while it is said the other man was unmarried. The latter will be buried in Scofield, while the remains of Bishop will be removed to Spanish Fork for interment. Manager Williams says that the company is in no way responsible for the accident, as what the men did was entirely on their own responsibility.

TEACHERS' LIST CHANGED.

Abandonment of Longfellow School Made Such Action Necessary.

Owing to the action of the board of education last night in abandoning the Longfellow school, Supt. Christensen has made a re-assignment of the teachers of that school among the other schools of the city. It also became necessary in making the re-assignment to change the personnel of some of the other schools, too. The changes decided upon by Supt. Christensen today are as follows: Miss Lucy Van Cott, principal of the Longfellow, is transferred to the principalship of the Bonnevillie school; Miss Irene Emery is assigned to the Emerson school in the place of Miss Florence Parry, who is transferred to the Washington; Miss Margaret McVie is assigned to the Lafayette; Miss Grace Stanchfield, to the Riverside; Miss Barbara Kinnerly, to the Lowell; Miss Fanny Wheeler, to the Union; Miss Jane M. Carney, to the Wasatch; and Miss Shipp, to the Washington.

The general teachers' meeting, which was to have been held last Saturday, has been postponed until Saturday, Sept. 17, at 10 o'clock, at the Lafayette school. A meeting of principals will be held in Supt. Christensen's office, on Friday morning at 10 o'clock. The teachers' principals and patrons of the schools in their respective buildings on Saturday next at 2 o'clock. The principals will not be at their offices tomorrow and Friday mornings to meet the patrons of the schools but will meet with them in the afternoon of those days.

WIFE DESERTED HIM.

Abram N. Randolph was granted a divorce from Katie E. Randolph today by Judge Stewart on the ground of desertion. They were married at Burka, Nev., on Feb. 22, 1877, and defendant deserted her husband in May, 1903.

CORN CROP A FAILURE.

That of Kansas and Nebraska Damaged By Wet Weather.

Deputy Marshal Smyth, who has just returned from the east, says that the corn crop through Kansas and Nebraska is a good deal of a failure owing to the protracted wet and cold of the early summer. Then the hot nights on which the corn depends so much, have not occurred, all of which will tend to make the intermountain farmer rely more on alfalfa and wheat for fattening of stock. It is beginning to be claimed more than ever that this combination gives a grade of meat superior to the purely corn fed article.

REVOLUTION IN URUGUAY.

Government Forces and Rebels Clash With Losses of 2,000 Killed, 4,000 Wounded.

GEN. VASQUEZ WAS DEFEATED.

Leader of Government Troops Driven Back Abandoning Arms and Munitions to Conquerors.

New York, Sept. 7.—Two thousand men were killed and 4,000 wounded in the recent battles between the Uruguayan government forces and the revolutionists, according to a Herald dispatch from Buenos Ayres, Argentine.

General Vasquez, minister of war, who led the government troops, is asserted to have been defeated and driven back, abandoning arms and munitions. In a previous battle the revolutionists were driven back and Gen. Vasquez, while pressing his victory, was suddenly met by stubborn resistance. The rebels re-assembled their scattered forces and engaged the government troops. For three days the battle raged, with terrible losses to both sides.

Gradually the rebels drove Vasquez back and, according to last reports, the minister of war was in full retreat. Reports from Paraguay state that the revolutionists there are holding their own.

WAVES ROLLING FORTY FEET HIGH

Sea Plays Great Havoc on Southern Californian Coast—Pleasure Resorts Inundated.

TERMINAL ISLAND GETS IT.

No Wind, but Volcanic Disturbances in Bed of Ocean Said to Be Cause.

Los Angeles, Cal., Sept. 7.—From many points along the southern coast today come reports of damage by great billows which are rolling in from the sea, occasioned by some peculiar phenomena, possibly volcanic disturbances far out in the ocean. While there is scarcely a capful of wind, enormous waves, in some instances 40 feet high, roll ceaselessly against the shore. Word comes today that the wharf at Hueneme is doomed to total destruction. At Terminal island the sea has wrought considerable havoc and hundreds of men are at work piling up sacks of sand to form breakwaters. Several cottages are inundated. At Long Beach and at Ocean Park the pleasure wharfs have been damaged considerably and no one is permitted to go on wharves. The heavy sea has been running for several days but today they are higher than before any more damage may be done.

SQUATTER WAS FIRST.

S. M. Nixon of Pocatello Filed on a Tract Near the Reservoir.

Blackfoot, Ida., Sept. 6.—The first to file upon Port Hall land here today was S. M. Nixon of Pocatello, who took a 150-acre tract near the reservoir site of the city of Pocatello, upon which he had squatted for two years. Nixon had been in line two weeks and was almost exhausted by the strain and hardship. He was followed by W. B. Barnhart, also of Pocatello, who also had camped before the land office for two weeks.

Of the lands opened today only 6,400 acres are classified as agricultural, the being desert in character and useless without water. The hopes of the homesteaders are based on a prospective irrigation canal which, it is said, will be pushed through to Pocatello.

CHILDREN STRIKE.

Two Hundred School Tots Walked Out in Chicago Today.

Chicago, Sept. 7.—A strike of upwards of 200 schoolchildren was declared at the Longfellow school today because the principal had been transferred since the close of the last term. The children say they will not go to school until he comes back.

REAL ESTATE MEN AFTER MINISTERS.

Want Them to Look After Their Own Business and Leave Other People's Alone.

VICEROUS RESOLUTIONS DRAWN.

Presented at Meeting Held at Noon Today But Action Deferred for Two Weeks.

The Ministerial association of Salt Lake and several ministers working independently of it in the practice of spreading secretly slanderous and false information about conditions in Utah, are likely to have trouble ahead. The Salt Lake Real Estate association, acting from no other motive than the preservation of Utah's good name against malicious assault, has taken up the matter.

At a meeting in the Commercial club parlors this afternoon a committee of the Real Estate association listened to the reading of a number of communications said to have been sent out by local ministers secretly to members of Congress and to ministers in other cities and states. It was the intention of some of those present to call these communications publicly to the attention of the writers and demand an explanation in the interests of common honesty. However, the conservative element among those present favored a continuance of two weeks before final action, in order to allow each member to fully acquaint himself with the contents of the communications and make up his mind as to the best course of action. The resolutions and copies of the offending letters, which were presented by B. S. Peet, are as follows:

Whereas, The Ministerial association of this city did send on or about Jan. 1, 1902, a secret memorial to different religious organizations which read in part: "The local American of Utah are asking the Congress of the United States to make provisions of an amendment to the federal Constitution. They are asking that the amendment when ratified by the state legislatures shall forever prohibit the practice of polygamy and polygamous cohabitation in the territories and states of the Union. The people of the states and territories adjoining Utah are earnestly uniting with those of this state in the plea for a national and patriotic reason.
