I Hooker—That's all nonsense, and the country knew it. (Laughter.) Did the gentleman on the Republican side think that there was no common feeling of humanity in the south. If that were so the mère question of interest would forbid southern men taking their shotguns and shooting colored men down. If they were left alone, as in Alabama and Georgia, the relations of the government of the Indians of this continent is spotted with treacherous acts, and the late trouble with Sitting Bull themselves on a just foundation. Any party which undertook to use one race for the oppression of the country knew it. (Laughter.) Did the gentleman on the Republican side think that there were made they were to be as binding in nature as gold is indestructing in nature as gold is indestruction of the government of the Indians of this continent is spotted with treacherous acts, and the Legal Fraternity throughout the dorror of the government of the undertook to use of the look and grass to grow.

Yet, although a stranger to the

latter at the beginning of his ad

ministration in this department, General Crook, as well as I can learn, consulted none of his subordinates regarding their knowledge of the enemy whem he was about to fight. Many of these gallant gentlemen had been constantly engaged in dealing with the Sioux in their military capacity since 1866. Ever since its departure from Fort Fetterman the conduct of this expedition has been remarkable for he contempt shown by the general commanding for many of the fundamental principles of military policy. One might have inferred that the enemy against whom we were moving was impotent and harmless. The march has been unguarded; the camps have not been competent enough for the most advantageous defence; the scouting has been without system; the troops, although many of them were the rawest recruits, have scarcely been drilled, notwithstanding that they have been languishing in indolence for nearly two months, and the proximity of In-dians has not been taken advan-
