Tommy Burns or Jack O'Brien at Los Angeles tonight? Who do you like? This is a fight about which every sporting man has an opinion. There are some ing man has an ophical theorem of the solution of the solution of attempt to "dope" out in advance. This is not one of them. All the regulars saw the last fight and every these has a but the one of them has his own idea about the outcome of the third fight between the

The first time they met O'Brien took a six-round decision. The second time is fresh in the memory of the westerners. About an even half of the sporting popu-lation is strong for Tommy Burns. C. E. Van Lean, of the Los Angeles Times, says:

 The last fight was a wicked one and one of the fastest contexts ever put up by heavyweights. Burns had been prepared for the fight of fiss lite. He was tail of confidence and full of fight. He came out of his corner on the run swinging as he came. O'Brien met him with a straight left, but never stopped him for a second. O'Brien the pace; always trying to land his right hand on O'Brien's chin.
 The opportunity came in the fifth round. O'Brien said he was keeping his wicked right uppercuts. "HOW OFTEN WAS I DOWN?" The rest did him little good. He dou-bled and twisted and sidestepped his way through another three minutes and then another. By this time his head was clear-ing a bit and after the tenth round he dropped into his chair and looking up at Twin Sullivan he asked: "How many times have I been down?" He did not know what happened to him. The fifteenth round saw O'Brien com-ing again and beginning to fight a bit on his own hook. This ill-feeling has been well fed in the past two weeks, and the fight will be a real fight for blood, and all the trimmings. If every seat in the pavilion is sold, on the occasion of the Burns-O'Brien fight, the total receipts will be \$56,600, accord-ing to the calculations of Manager Me-Carey, who has set a definite price on the seats. Of the total, Burns and O'Brien are to receive \$30,000. Goes quickly to the very core of the disease and stops the ADDITIONAL ROUNDS. most deep set excruciating pains almost

ADDITIONAL ROUNDS. Los Angeles, May 8.—If the heavy weight championship of the world is not decided at the end of twenty rounds tonight when "Philadelphia Jack" O'Brien and Tommy Burns meet before the Pacific Athietic club, it is probable that the men will fight several additional rounds by mutual agreement. No official understanding to this effect has been arranged, but O'Brien and Burns have both declared themselves willing to continue the bout for at least five rounds in addition to the twenty pre-scribed by the articles of agreement. The advance sale of sears for the fight prum-ises to break every record heretofore es-tablished by a pugilistic contest in this city. It now seems likely that the odds will

The chief cause of Constipation and Indigestion is a weakness of the Muscles that contract the Intestines and Bowels.

Cascarets are practically to the Bowel Muscles what a Massage and Cold Bath are to the Athletic Muscles.

They stimulate the Bowel Muscles to contract, expand, and squeeze the Digestive Julces out of food eaten.

They don't help the Bowels and Liver in such a way as to make them lean upon similar assistance for the future.

This is why, with Cascarets, the dose may be lessened each succeeding time instead of increased, as it must be with all other Catharties and Laxatives.

Cascarets act like exercise. If carried in your vest pocket, (or carried in My Lady's Purse.) and eaten just when you suspect you need one, you will never know a sick day from the ordinary Ills of life. Because these Ills begin in the Bowels, and pave the way for all other diseases. 737 "Vest Pocket" box 10 cents.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."
