ry to Washington is dead.

New England Quakers, and of a resolution inquiring why the law in relation to making annual reports to Congress of debtors and defaulters to the United States had been disregarded by the Treasury been disregarded by the Treasury Department for several years past.

enough about the men they marry. evidence shows to you then, irrespective of any individual How can she expect them to be opinions of your own, you are bound more particular in that matter by your oaths so to declare, unless, when she knows there are not marrying men enough to go round without doubling on the marrying when she knows there are not marrying men enough to go round without doubling on the marrying and there are children, innoments that the defendant should be excuswe should like to know.

we should like to know.

In Maine you can curse on week days at one dollar per oath, but if you are so profane as to swear on Sundays you must pay two dollars an oath for it. The law is strict, and the proceeds go to wards founding an asylum for other insane people. If that law were national and rigidly enforced, the national debt would not long be an incubus.

be founded in the testimony in the case: to that alone can you look in passing upon the guilt or innocence of the defendant.

I have said your individual opin-lions have nothing to do with it. Your individual opinious as to whether the act committed is a crime have nothing to do with it; they do not enter into the oath which you took. That oath was that you would a just verdict render according to the law and the evidence. It means that you will take all the evidence and give to it.

oates has slipped out of the matrimonial noose of her, Titus, the divorce having been recently granted in Louisville. Mrs. Oates regains the property which passed to Titus by their marriage. Titus was starring in Australia when last heard from, and was charged by his late wife with drunkenness, prodigality,

salary of \$100, and are looking forward for great blessings." A hundred dollars at ten per cent. interest will be \$110, which, spread over twelve months of praying, preaching and general pastoral duties, will make a rather diaphaneus daily or weekly average of "great blessings" as his judgment dictates and his judgment dictates

weekly average of "great blessings" as his judgment dictates and his of the individual church members and congregation, and of scarcely discernible saving effect in this sinful day and country. Two dollars worth of blessings a week for an entire church and congregation!
