DESERET EVENING NEWS.

Thursday, - - March 3, 1904.

FRAGMENTS.

The board of education meets at 7:30 this evening.

DR. WHITELY of the B. Y. Academy will deliver a lecture before the Natural society of the University of Utah, commencing (Friday) evening at 8 o'clock. The teachers of the city are respectfully invited to attend.

THE statement so frequently made on the streets the last few days that Lieut. M. Burt is to be made Fire Chief Dooter's clerk is denied. The former gentleman emphatically says he is not a candidate for any municipal office, position or term.

A TEAM belonging to Huddleston Farrington ran away at seven o'clock last night, starting at the corner and ending near the corner of East Temple and Second South streets. The carryall was considerably damaged by coming in contact with a telephone pole.

THE lecture to be given in the theater on Sunday evening next by Lieutenant Wright on Napoleon promises to be a good one. Those who attend will doubtless find themselves well repaid. Among the musical features for the evening will be Mr. Bingham and John Robinson.

THE work of sawing, chopping and splitting wood into a building box became quite an industry with the Elocue Home. Men in management who by this means give a good deal of employment in observing persons and are enabled to furnish kindling at a very low figure.

THERE was a meeting of the board of public works last night, President Donnellon occupying the chair. The members present were Noble, Downey, Ware and Wilke. It was decided to proceed with the extension of the gravity sewer under the tracks of the Union Pacific and Rio Grande Western, north of the Hot Springs. A number of new claims against the Culmer-Jennings Paving company was referred back as the city attorney has held that the board has no right to take cognizance of them.

THE directors of the Chamber of Commerce held a meeting yesterday afternoon. President Rowe being absent, Vice-President B. C. Adams occupied the chair. An effort is being made to awaken an interest in the members of the Chamber and also increase the membership. Secretary Colburn will prepare a full statement of the condition of the Chamber with a list of members and the amount of dues to be collected, which will be handed to a committee to be appointed by the chairman to visit the members to get them to interest themselves in the work of the Chamber.

Miers and Venard.

The trial of the Miers-Venard $15,000 damage suit was resumed before Chief Justice Merritt and a jury this morning, the arguments of counsel lasting greater part of the day.

Court Callings.

Judge Bartch is expected back from Denver tomorrow. Upon his return he will resume work on the trials of civil jury cases.

There will be no more criminal trials in the Third district court until after the session of the Territorial Supreme court, which opens on the 15th inst.

Ex-Chief Justice Zane is an occasional visitor in the Third district court.
