The superiority of WHITE'S PRIAIRIE FLOWER for diseases of the Stomach, Liver and Blood consists in its uniting harmoniously with the gastric juice, strengthening and enabling it at once to dissolve the food. If the gastric juice is weak the food ferments, giving rise to sour stomach, sick headache, burning in the pit of the stomach, the patient also suffering from inaufficient nutrition. It alds the Liver, over which it has a specific power, in filtering impurities from ine blood. Its action on the kidneve is likewise salutary, increasing the secotions.
