

## WAGES MUST STAY SO RATES ARE HOPE

President Ripley of Santa Fe  
Joins Others Who Need-  
ed Increase.

### MANY "IMITATION" RAILROADS

As Laborers Would Strike if Pay En-  
velopes Were Lightened Shippers  
Must Bear the Burden.

New York, July 10.—That the rail-  
roads of the United States could not  
lower the wages of their employees with-  
out bringing on a strike which would  
paralyze the country for months, and  
that an increase in freight rates by the  
railroads in the west as well as in the  
east cannot be avoided if the railroads  
are to continue to meet the demands  
upon them, is the view expressed by E.  
P. Ripley, president of the Atchafalaya,  
Toneka & Santa Fe railroad.

To this Mr. Ripley added that most of  
the railroads of the country are mere  
imitations of railroads, a sentiment  
which has great interest, coming as it  
does from the head of one of the fore-  
most railroads in the country. "Public  
sentiment toward the railroads, gener-  
ally speaking," President Ripley said,  
"has not undergone any change for the  
better. Here and there some are found  
who express the view that public feel-  
ing has gone too far, but nothing tangi-  
ble in the way of improved public senti-  
ment has developed, nothing which might  
lead to the repeal of some laws affect-  
ing the railroads adversely. The ques-  
tion of the increase in freight rates in  
this matter with the thorough accord  
by Mr. W. C. Brown of the New York  
Central, that wages will have to come  
down or rates be increased. But the  
wages of railroad employees could not be  
reduced without bringing on a strike  
which would paralyze the country for  
months. The only thing left seems to be  
to increase rates."

"The fact is that, with few excep-  
tions the railroads in this country are  
merely imitations of railroads. They  
are skimpily built and have all kinds  
of money to spend for the protection of  
life and property and to handle the  
business entrusted to them as the pub-  
lic demands that it shall be handled.  
For this new capital must be raised,  
and the only thing for those who use  
the railroads to do is to pay for all this  
or give up the use of the railroads. The  
consumer must pay the cost. An in-  
crease in net income to provide for this  
new capital is essential."

### C. E. FULLER APPOINTED.

C. E. Fuller is reported to have been  
just made superintendent of motive  
power for the Union Pacific to succeed

resigned the superintendency of motive

short time ago. General headquarters  
of the U. P. are in Omaha.

### BIG YEAR FOR SANTA FE.

Officials of Road Visiting With Salt  
Lake Agent.

J. I. Conway, general livestock agent  
of the Atchafalaya, Toneka & Santa Fe  
at Kansas City and J. B. Lynch, west-  
ern livestock agent of the same road  
were in Salt Lake yesterday visit-  
ing with Charles W. Brown, agent of the  
Santa Fe here. Mr. Conway says the  
Santa Fe did the greatest business in  
its history last year, handling 30 per  
cent of the total livestock shipments to  
stock states of the south.  
It is remembered there are 14 other  
roads competing for this business.  
Where the Santa Fe gets a lot of busi-  
ness is in Texas and the other live-  
stock states of the south.  
Mr. Lynch has been with the Santa  
Fe since 1888 with the exception of two  
and a half years which he spent as  
warden of the Kansas prison. Despite  
his gray hair and whiskers Mr. Lynch  
is as energetic and joke-loving  
"young man" as one could wish to meet.

### SUES CAR COMPANY.

Jeweler C. E. W. Bowers Wants \$10-  
700 Damages for Accident.

C. E. Bowers, the jeweler who was  
struck and severely injured, by a street  
car on south Fifth East street while  
riding a horse, besides having his  
saddle horse killed by the accident,  
has filed suit in the third district  
court against the Utah Light & Rail-  
way for \$10,700 damages. The accident  
happened on June 2, and Mr. Bowers  
was knocked unconscious and for a  
time his life was in the balance. It  
is alleged in the complaint that the  
motorman failed to give any alarm of  
the approach of the car and that the  
same was running at a great and un-  
reasonable speed. The value of the animal  
killed is placed at \$700.

### SOLDIERS ARRAIGNED.

Milton Mayless and Frank Wright,  
two soldiers from the fort, were ar-  
raigned before Justice Lundberg yester-  
day afternoon charged with criminal  
conduct with Nellie Johnson, 16 years  
old, and Florence Johnson Haycraft, a  
married woman, aged 19 years.  
Bail was fixed in each instance  
at \$500. The Haycraft woman was also  
charged with a statutory offense, and  
she pleaded not guilty. This case is  
the one reported by Deputy Sheriff  
Sharp and Sperry. The Johnson family  
live on West Third North, and the  
mother is Alice Johnson, who is charged  
with cognizance of the actions of  
her daughters, and also with neglect  
of her other six children, who range  
in age from 11 to 2 years.

### POSTMASTER FOR GIBBORN.

(Special to the "News.")  
Washington, D. C. July 10.—Charles  
J. Garber has been appointed postmas-  
ter at Gibborn, Tooele county, Utah, vice  
G. N. Bunch, resigned.

## SOCIAL AND PERSONAL.

The lawn party and musicale given  
by Gov. and Mrs. Cutler last night  
was one of the most brilliant affairs  
of the year. The large house and  
grounds were ablaze with lights, the  
spacious lawn being strung with elec-  
tric globes, and a dancing floor laid  
behind a screen of bunting. Flags  
were everywhere, draping the door-  
way and porches, while the flower  
boxes on the windows were also start-  
lingly decorated, the parlor in pink  
roses and carnations mingled with  
green, and the dining room was espe-  
cially effective in white and green,  
with a large green vase for a center-  
piece filled with white roses and sweet  
peas, flanked by smaller ones also  
filled with the dainty white blossoms.  
From the chandelier over the table  
hung streamers of white and green  
ribbon. On the sideboard were white  
margarites and sweet peas and all  
about the room were seen the effective  
mingling of the two colors. Punch  
was served here and on the lawn, and  
from myriads of small tables set about  
the grounds ices were served during  
the evening. Booths and tents dotted  
the lawn, and here fortunes were told  
and refreshments served. Rugs were  
strewn everywhere and Japanese lan-  
terns aided in making the lawn ef-  
fective.

Gov. and Mrs. Cutler received in  
the hall, and were assisted by mem-  
bers of the family in entertaining and  
serving. A delightful musical pro-  
gram was given by Miss Edna Evans,  
Miss Edna Sawyer, Willard Squibb and  
Mr. Graham, with Miss Irene Kelly as  
accompanist. About 500 guests were  
present, including the officers from  
Fort Douglas, the governor's staff and  
members of the National Guard, the  
uniforms mingled with the dainty  
summer gowns of the ladies aiding in  
the effective scene. An orchestra  
furnished delightful music for the  
dancing.

The bridge tea given yesterday by  
Mrs. W. D. Donohue in honor of Mrs.  
Finlan and Miss Lavella, was a deli-  
cious affair, about a dozen tables being  
played and prizes awarded each table.  
The rooms were decorated in roses of  
various shades, and sweet peas. As-  
sisting the hostess were Mrs. W. W.  
Armstrong, Mrs. W. E. Fife, Mrs.  
George Alris and Miss Lorene Leary.

Another afternoon affair of yester-  
day was the card party given by Miss  
Maud Wheeler and Miss Virginia El-  
mer, the rooms being prettily decorat-  
ed in sweet peas and nasturtiums.  
The amusement was 500, and prizes  
were won by Howard Johnson and  
Miss Abbie Herman. The hostesses  
were assisted by Misses Rachael  
Baxter and Rae Elmer. Five tables  
were played.

There was a pretty wedding last  
night at the home of Mr. and Mrs.  
W. H. Wilkins when their daughter,  
Almeda, and J. H. Johnstone were  
married with Rev. C. E. Parker offi-  
ciating. Only the two families and  
a few intimate friends were present,  
and a wedding supper followed the  
ceremony, the decorations being in  
pink and white sweet peas. The bride  
wore a white lingerie gown with trim-  
mings of real lace, and carried bride's  
roses. Her bridesmaid, Miss Ella  
Rogers, was also in white and carried  
pink flowers. Irving Wilkins was best  
man. Mr. and Mrs. Johnstone left  
later for a Yellowstone trip, after  
which they go to Minnesota to reside.

About 50 tables are sold for the  
charity tea to be given at the home  
of Mrs. E. Bonnemort this afternoon,  
insuring a successful affair. It is in  
capable hands, and there will doubt-  
less be a neat sum reaped for the  
orphans.

Miss Edith Sutherland entertains

this afternoon for Miss Luvera Snow  
of Chicago.

Miss Carrie Atkins will be one of the  
afternoon's hostesses, giving a tea at  
her home.

Miss Katherine Adams and Miss  
Ruby Lambourn will give a lawn  
party this evening in honor of Miss  
Frances Cowan.

Mr. and Mrs. R. Rogers left today  
on an eastern trip, intending to return  
in the fall.

Miss Bard Heywood, daughter of  
Landlord Heywood of the Cullen,  
will spend the summer on the ranch  
of Mr. and Mrs. Ed Lee, 35 miles east  
of Price, and left for that point to-  
day, accompanied by her father.

### STEPHENS' MEMORY POOR.

He Accumulated a Fair Sized Drunk  
And Took a Coat.

Fred Stephens, a waiter here one week  
from Pueblo, thinks there were dippy  
beans or daffy powders in the booze  
he put under his belt yesterday. After  
acquiring what he thought a good foul  
he went to the Wilson hotel and en-  
tered a clothes closet. He took a coat  
belonging to an employee there and left  
an old one in exchange. Then he went  
into Commercial street to see his boss.  
At this point Patrolman Pierce stepped  
in and put Stephens in the cooler.

This morning when asked for his lar-  
gency before Judge Diehl he said he  
must have been "dopey," for he remem-  
bered nothing about the evening's ad-  
venture. Judge Diehl gave him 10 days  
in which to ponder over the matter  
while occupying a room at Chief Pitt's  
boarding house.

### FOOL USES A TELEPHONE.

Individual at Murray Calls Out Fire  
Department from Local Station.

Some person with a distorted idea as  
to what fun is telephoned from Murray  
last night to the fire department that  
the house at 28 Seventh East street  
was on fire. Acting Chief Ayland and  
the apparatus from No. 4 station on a  
street responded. Upon arrival no fire  
was found.

While answering the alarm, No. 4 sta-  
tion was entirely without apparatus and  
if a fire had really occurred there would  
have been no equipment at the station  
with which to respond to an alarm.  
Acting Chief Ayland is disposed in  
no friendly manner to persons such  
as turned in last night's alarm. If found,  
and the sender can be traced through  
the telephone exchanges, he promises a  
rare time to them.

The department was called out on two  
other runs last night. The first call  
was received at 12:45 a. m. from the  
Superior Baking company, Ninth East  
street between Fourth and Fifth East  
streets. Ashes from baking ovens caus-  
ed the blaze. Damage amounted to \$5.  
Another alarm was received at 1:15 a. m.  
from 36 south Fourth East, where a  
force belonging to Oscar Gronell had  
caught fire. The blaze was extinguished  
before any damage was done.

### SALOON CASES TOMORROW.

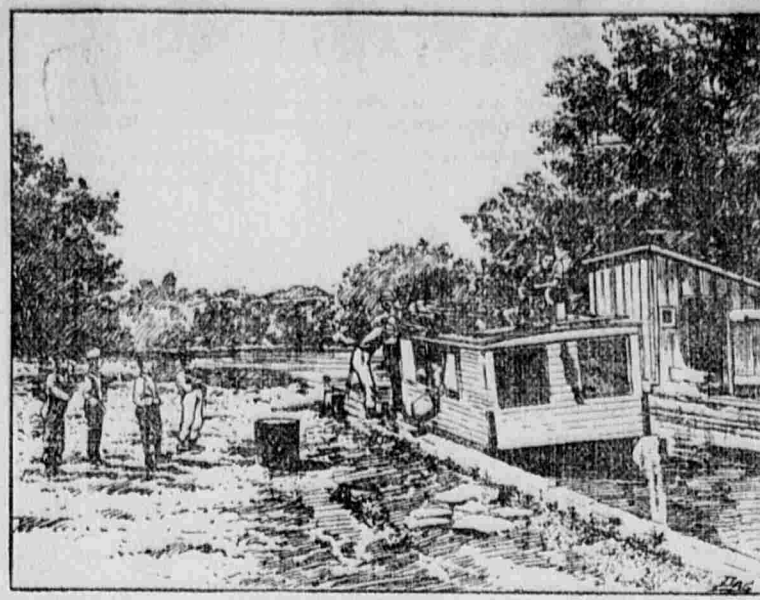

Judge Diehl Promises to Settle Ques-  
tion of Sunday Sales.

Judge Diehl will decide tomorrow  
the motion of the defense in the cases  
against saloonkeepers charged with  
selling liquor on Sunday. The motion  
of the defense is for dismissal of the  
cases on the ground that the city is  
participate criminals, in that a city em-  
ployee, acting for the chief of police,  
secured the evidence by purchasing li-  
quor, thereby becoming a party to the  
offense, if such was committed.  
In the prosecution of the cases, the  
city has rested. The defense has put  
in no testimony, awaiting Judge Diehl's  
decision.
