Davitt is arrested. The Castle authorities declare his ticket of leave forfeited. Intense excitement all over Ireland at the news. The gov-Editor Descret News:

ernment, by this act, has thrown off My commission as a Notary Publi

amist or polygamist; that I am r of the laws of the United Sta prohibiting bigamy or polygamy; that I not live or cohabit with more than o woman in the marriage relation, nor does any relation exist between me and any woman which has been entered into or con-tinued in violation of the said laws of the United States prohibiting bigamy or polyga

ternational railroad schemes have prompted this sudden interest in Mexico, the Secretary does not say.

The Scientific American says: To deaden the hoise of hammering in shops, it has been suggested to place rubber cushions under the legs of the work-benches. We have found wool, felt, or any very thick loosely made woolen texture a much better material for this purpose than rubber. Pieces suitable for these pads can ordinarily be selected from tallors' clippings, and may be had for little or nothing.

It is reported from Bombay that native girls are being induced to pre sent themselves at public examina tions, either for entrance to the university or for admission to the publie service. One young lady, who obtained the scholarship offered a few years ago to native girls, lately passed the second class exomination for admission to the public service, and another Parsee girl presented herself recently at the matriculation examination of the Bombay University.

Hayti has entered the seventy eighth year of its independence, and the occasion was celebrated with aders. The ladies sailed into the reloicings and festivities. The outsaloon after the fashion in vogue break of a revolution or two every short time ago, and prayed for the year or so, and the occasional killing wicked saloon keeper and the wicked of a president, are not regarded as in frequenters of the house of public any degree interrupting the inde ontertainment. They were allowed pendence of the republic, so-called to pray in peace, whereupon a man Two attempts to assassinate the presendropped on his knees and offer-President were made in the same 

"O Lord! have mercy upon these adies; look upon them; they wear not even the color of the face which There is nothing like science for simplicity of statement. The metaphysicians are proverbially obscure, thou hast given them, but they are sinning against thee, and not con-tent with nature, paint their facus. O Lord! thou canst also perceive that their figure is not as thou lisst made but the scientists have no patience with that sort of thing. Thus Frof. Tait, anxious to simplify still further Mr. Spencer's formula of evolution, t; but they wear humps upon their backs like camels. Thou seest, O puts it into this delightful English Lord! that their head-dress consists of false hair, and when they open their mouths thou seest their false teeth. O Lord! these women want men "Evolution is a change from a nohowish, untalkaboutable all-alike ness to a somehowish and in general talkaboutable not-all-alikeness, by who will patiently accept all this without using the power thou has continuous something-elsifications given to man that all women shall and stick-togetherations?" It is e subject to man. They will not ear the burdens of married life and such an advantage to use homely

obey thy commands to multiply and replenish the earth, but they are too lary to raise their children; and, O Lord! thou knowest the crimes they commit. O Lord! have mercy upon them and take them It is claimed by many talagraph companies and operators that the wires will not work properly under mercy upon them and take them back into thy bosom, take folly out of their hearts, give them common sense, that they may see their own foolishness, and grant that they may become good and worthy citi-zens of our beloved city of Atchison. ground. But a bill introduced in the New York Legislature, relating to telegraph wires in New York city, provides that after July 1, 1892, all telegraph wires within the city used by telegraph, telephone, dis-trict messenger, or electric light companies, or any corporation or person whatsoever, must be had and and the best of the praise for ever used by telegraph, telephone, dis-

ing with her in the marriage rela- documents in their possession be- ly to fill out the bond and oath of longing to their old companies. It
