EASTERN DISPATCHES.

ST. PAUL, 25.—Governor Austin has received a dispatch from Brainerd, Minnesota, asking that help be sent immediately.

The town is filled with Indians and hostilities are threatened. It is proposed they propose to revenge themselves by the mob of two Chippewas who murdered Miss MacArthur.

NEW YORK, 25.—The Catholic Protectory at Westchester, which was burned this a. m., was the educational home of the children of vagrant and destitute people. Six hundred children were asleep in the Protectory when the fire occurred, but all were saved alive, although perfectly surrounded by flames.

NEW YORK, 25.—Blanton Duncan, M. J. Foy, Bayard of New Jersey, Van Allen of New York, and other leaders of the straight Democratic movement held a private conference at the New York hotel, this p. m., to take steps to organize throughout the Union. They report enthusiastic responses from all quarters to the call for the Louisville convention in September, and say full delegations from all the States will be in attendance.

WESTERN DISPATCHES.

SAN FRANCISCO, 25.—The Dole Silver Mining Company filed a certificate for an incorporation of stock, worth \$100,000,000 to-day.

The Cuba Bidder Treasure Company, formed, as the articles state, for the purpose of obtaining certain treasure, consisting of gold and silver, deposited on the Island of Cuba, its place of deposit being described by a certain chart and diagram theron, which said chart was delivered to one Captain Brocha by Mr. Swinn, of thearts, depositing the treasure in the year 1815 etc. etc. etc. with a capital of ten millions, was incorporated to-day.

The report, that a woman, the wife of a sea captain, was assaulted and robbed in the vicinity of the corner of Jones and Ellis Streets, last week, is fully confirmed.

The police, pending investigation, decided this being a fact, but now admit it. It is believed that she was struck with a sandbag on the head and stunned; then robbed of a watch, diamond ring, jewelry.

The mayor of Yeddo and San Francisco sent dispatches to the mayor of New York and Chicago, and received suitable answers, and then went to the Cliff House to dinner.

Stocks have fully recovered this evening from the break of this morning, and closed firm. The sales of the morning board were 12,686 shares, while the afternoon board 10,885 total 23,521, with large sales in open board and on the street.

Various consular flags will be placed at half mast to-morrow out of respect to the memory of the late President Benito Juarez.

MEXICAN.

MATAMOROS, 25.—The public offices and places of business were closed to-day, the national and consular flags half-masted, and minute guns were fired in honor of Juarez. Automobiles exhibited during the recent revolution have given place to a better feeling.

The political opponents of Juarez acknowledge his great services to the republic, and have united in a public demonstration of respect to his memory.

WEST INDIES.

HAVANA, 24.—General Rioquieles telegraphs that troops attacked the remaining members of the "Fannie" expedition, killed ten, and captured and executed four.

Five escaped, but it is likely they died of hunger.

Imports of China continue.

Two cargoes arrived last week.

EUROPEAN DISPATCHES.

PARIS, 25.—The striking coal miners at Dijon, Department of Nord, to-day attacked the detachment of troops sent there to preserve the peace. The troops were compelled to fire upon the assailants, killing one and wounding several. Forty rioters were arrested and imprisoned.

The government authorities seized a quantity of arms near the Spanish frontier which, it is believed, were intended for the use of the Carlists.

PARIS, 25.—Disturbances were occasioned last night by strikers in the city of Aix-en-Provence, Department of the Nord. However, they were easily suppressed.
